INTRODUCTION.....	8
Purpose.....	8
Plan Objectives	8
How to Use This Document.....	8
DC CWPP Process.....	9
EXISTING SITUATION	19
History and Background	19
Topography/Land Characteristics.....	20
Watersheds.....	20
Climate.....	21
Vegetation and Life Zones.....	21
Current Vegetative Conditions	22
Historic Ponderosa Pine Conditions	24
Historic Gambel Oak	24
Older Developed Areas.....	25
Douglas County Land Ownership.....	25
Wildland Fire Prevention.....	25
Fire Restrictions	26
Wildfire Preparedness.....	26
Annual Fire Operating Plan (AOP).....	27
Remote Automated Weather Station (RAWS)	27
Wildfire Mitigation.....	27
Douglas County Wildfire Mitigation Program	28
Regulation.....	28
Wildfire Hazard Overlay District.....	29
Public Education and Outreach.....	30
Other Mitigation Education Programs	31
Are You FireWise?	31
FireWise Communities	31
Ready, Set, Go!.....	32
Mitigating Wildfire Hazards Through Active Forest Management and Stewardship	32
Spruce Mountain Open Space.....	32
Dawson Butte Ranch Open Space	33
Colorado State Parks.....	34
Colorado State Forest Service.....	35
USDA Forest Service.....	35
Fire Protection Districts	36
Communities and Landowner Activities	36
Prescribed Fire	36
Existing Community Wildfire Protection Plans (CWPPs)	37
OBSTACLES AND SOLUTIONS.....	42
Obstacle 1-Hazard Awareness	42
Description.....	42

Solutions	42
Tools contained in this document	42
Programmatic Recommendations	43
Obstacle 2-Developing Approved Local-Level Community Wildfire Protection Plans	44
Description	44
Solutions	44
Tools contained in this document	44
Programmatic Recommendations	47
Obstacle 3- Coordinating and Tracking Fuel Treatment Accomplishments	47
Description	47
Solutions	48
Tools contained in this document	48
Programmatic Recommendations	48
Obstacle 4-Disposal of Treated Vegetation	48
Solutions	50
Tools contained in this document	50
Programmatic Recommendations	50
Obstacle 5- Funding.....	51
Description.....	51
Solutions	51
Tools contained in this document	51
Programmatic Recommendations	52
Obstacle 6-Technical Assistance	52
Description.....	52
Solutions	52
Tools contained in this document	52
Programmatic Recommendations	53
TOOLBOX.....	54
General Tools.....	55
County Base Map.....	55
Douglas County Wildfire Hazard Assessment	57
County-Owned Lands Assessment and Treatment Recommendations	61
Landscape Scale Fuel Treatment Recommendations	62
Technical Assistance.....	70
Technical Service Providers	70
Recommendations For Reducing Structural Ignitability	70
Technical Guides	74
Local-Level and Community-Wide Fuel Treatment Recommendations.....	108
Large Lot Recommendations.....	108
CDPHE Air Quality Policies for Controlled Burning.....	113
Funding Directory.....	120
Existing CWPPs.....	127
Fire Protection District Specific Tools	128
Overview.....	128
Fire Protection District Preparedness Discussion.....	128

Fire Department Wildland Fire Program Needs	128
Hazard Assessment	128
County-Owned Lands Treatment Recommendations	128
Landscape Scale Fuel Treatment Recommendations	129
Local-Level and Community-wide Fuels Treatment Recommendations	129
Aurora Fire Protection District	130
Fire Protection District Preparedness Discussion	131
Fire Department Wildland Program Needs.....	133
Hazard Assessment	133
County-Owned Lands Treatment Recommendations	136
Landscape Scale Fuel Treatment Recommendations	136
Local-Level and Community-Wide Fuel Treatment Recommendations.....	136
Existing CWPPs.....	136
Castle Rock Fire Protection District	137
Fire Protection District Preparedness Discussion	138
Fire Department Wildland Fire Program Needs	140
Hazard Assessment	140
County-Owned Lands Treatment Recommendations	143
Landscape Scale Fuel Treatment Recommendations	147
Local-Level and Community-Wide Fuel Treatment Recommendations.....	147
Existing CWPPs.....	147
Franktown Fire Protection District	149
Fire Protection District Preparedness Discussion	150
Fire Department Wildland Fire Program Needs	152
Hazard Assessment	152
County-Owned Lands Treatment Recommendations	155
Landscape Scale Fuel Treatment Recommendations	160
Local-Level and Community-Wide Fuel Treatment Recommendations.....	160
Existing CWPPs.....	160
Jackson 105 Fire Protection District	162
Fire Protection District Preparedness Discussion	163
Fire Department Wildland Fire Program Needs	165
Hazard Assessment	165
County-Owned Lands Treatment Recommendations	168
Landscape Scale Fuel Treatment Recommendations	171
Local-Level and Community-Wide Fuel Treatment Recommendations.....	173
Existing CWPPs.....	173
Larkspur Fire Protection District	175
Fire Protection District Preparedness Discussion	176
Fire Department Wildland Fire Program Needs	182
Hazard Assessment	182
County-Owned Lands Treatment Recommendations	185
Landscape Scale Fuel Treatment Recommendations	191
Local-Level and Community-Wide Fuel Treatment Recommendations.....	193
Existing CWPPs.....	193
Littleton Fire Protection Area	195

Fire Protection Area Preparedness Discussion	196
Fire Department Wildland Fire Program Needs	197
Hazard Assessment	200
County-Owned Lands Treatment Recommendations	203
Landscape Scale Fuel Treatment Recommendations	206
Local-Level and Community-Wide Fuel Treatment Recommendations.....	206
Existing CWPPs.....	206
Mountain Communities Fire Protection District.....	207
Fire Protection District Preparedness Discussion	208
Fire Department Wildland Fire Program Needs	210
Hazard Assessment	210
County-Owned Lands Treatment Recommendations	213
Landscape Scale Fuel Treatment Recommendations	213
Local-Level and Community-Wide Fuel Treatment Recommendations.....	213
Existing CWPPs.....	213
North Fork Fire Protection District.....	214
Fire Protection District Preparedness Discussion	215
Fire Department Wildland Fire Program Needs	220
Hazard Assessment	220
County-Owned Lands Treatment Recommendations	223
Landscape Scale Fuel Treatment Recommendations	223
Local-Level and Community-Wide Fuel Treatment Recommendations.....	223
Existing CWPPs.....	225
South Metro Fire and Rescue Authority	227
Fire Protection District Preparedness Discussion	228
Fire Department Wildland Fire Program Needs	234
Hazard Assessment	234
County-Owned Lands Treatment Recommendations	256
Landscape Scale Fuel Treatment Recommendations	262
Local-Level and Community-Wide Fuel Treatment Recommendations.....	262
Existing CWPPs.....	262
West Douglas County Fire Protection District	265
Fire Protection District Preparedness Discussion	266
Fire Department Wildland Fire Program Needs	269
Hazard Assessment	269
County-Owned Lands Treatment Recommendations	272
Landscape Scale Fuel Treatment Recommendations	275
Local-Level and Community-Wide Fuel Treatment Recommendations.....	278
Existing CWPPs.....	278
