

**Douglas County Grading, Erosion and Sediment Control (GESC) Manual**  
*Major Revision*

Douglas County Department of Planning and Sustainable Development  
Engineering Services Division

Issue Date: 8-11-2009

GESC 09-12

**Section 1.5.4**

The proposed change creates Section **1.5.4 Annual Maintenance GESC Permits**. The Annual Maintenance GESC Permit would be created for routine maintenance projects that include but are not limited to; repair/replacement, of outfalls, concrete pans, manholes, rundowns, trickle channels, culverts, drop structure, pipes, inlets, bank stabilization, stormwater management facility sediment removal, and grading and treatment of gravel and paved roadway surfaces.

**1.5.4 Annual Maintenance GESC Permit.** Annual Maintenance GESC Permits are required for permittees who perform multiple routine maintenance projects each year. Requirements related to the Annual Maintenance GESC Permits can be found in Section 3.20.5.
