A scenic landscape photograph of a mountain valley. The foreground shows a dirt path and rocky terrain with green shrubs. The middle ground features a valley with green fields and scattered trees. The background consists of steep, forested mountains under a blue sky with a few white clouds. A semi-transparent green rectangular overlay covers the middle portion of the image, containing the text "Transmittal Letter".

# Transmittal Letter

January 9, 2024

Board of County Commissioners  
Douglas County Government  
100 Third Street  
Castle Rock, Colorado 80104

Commissioners Laydon, Teal, and Thomas:

Please accept for your review and consideration the 2024 Proposed Budgets for Douglas County Government (the County), Douglas County Law Enforcement Authority (LEA), Douglas County Woodmoor Mountain General Improvement District, and Douglas County Local Improvement District No. 07-01 Lincoln Station.

These budgets have been prepared in accordance with all applicable Colorado State Statutes, Generally Accepted Accounting Principles, the Board of County Commissioners' Core Priorities, and Douglas County Budget and Financial Policies.

The adoption of the 2024 Proposed Budgets will be January 9, 2024, as a result of SB23B-001 which extended these deadlines:

<del>Dec. 10</del>	Jan. 3	Assessor certifies final valuation to local governments, C.R.S 39-1-111(5)
<del>Dec. 15</del>	Jan. 10	Certify the mill levy ( <i>must adopt the budget and make appropriations first</i> ), C.R.S 39-5-128(1)
<del>Dec. 31</del>	Jan. 10	Deadline to adopt a budget and appropriations, C.R.S. 29-1-108(4)

This letter provides an overview of the 2024 Proposed Budget including projected revenues, recommended expenditures, and reserves.

## BUDGET OVERVIEW

The Proposed Budget for 2024 is \$671.8 million for all funds. Ongoing operating expenditures are \$266.2 million, one-time initiatives are \$318.8 million, and federal and state funded expenditures are \$52.9 million.

The 2024 Proposed Budget includes 3.679 mills or \$37.8 million for tax relief. This is equivalent to 18.6% of the County mill levy.

The operating portion of the budget is increasing by 11.32% or \$27.1 million enabling investing in public safety by funding:

- 12 additional deputies for law enforcement,
- 9 additional School Resource Officers, and
- Expanding the wildfire helicopter suppression support from six months to eight months and funding the six Emergency Services Operators piloted in 2023.

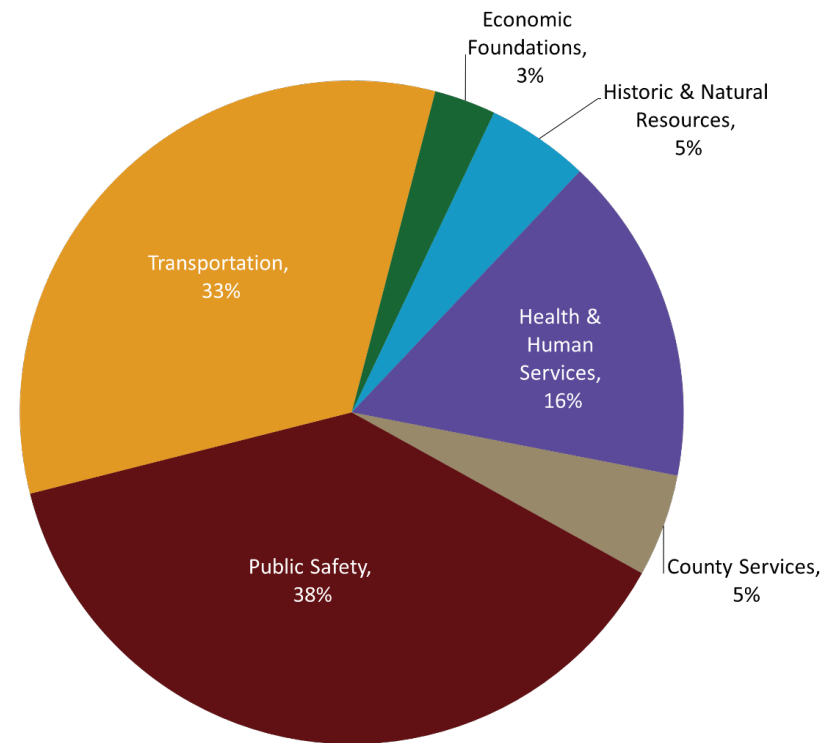

The 2024 Proposed Budget also includes:

- \$125.3 million of new capital monies for roads
- Design and construction funding for Macanta Regional Park
- Expanding Passport services by adding 2 additional positions
- Reduction of seven positions in the General Fund

The budget is balanced for all funds and all funds meet the fund balance classifications set forth by accounting pronouncements, statute, and policy.

Douglas County has no debt.

This graph depicts the 2024 Proposed Budget alignment with the Board's Core Priorities.

## DRIVING FORCES

The Board of County Commissioners' Core Priorities are the foundation for the development of the budget. These Core Priorities, along with citizen input, shape the 2024 Proposed Budget's major investments in Transportation, Public Safety, County Services, Historic and Natural Resources, and Health and Human Services.

The Board's Core Priorities and fiscally conservative guiding principles play an important role in the development of the budget, providing a sound and balanced approach by:

- Avoiding raising fees or taxes
- Relying upon realistic revenue forecasts
- Maintaining stable reserves
- Improving the quality of services provided to our community
- Budgeting for one year, managing for two, and planning for five
- Matching ongoing revenues with ongoing expenditures

The following budget guidelines were used to develop the 2024 Proposed Budget:

- Continue capital investment throughout Douglas County to address traffic congestion, road infrastructure, and public safety priorities

- Keep the cost of government down through cost-effective purchasing; cash funding; outsourcing and contracting opportunities; and leveraging local funds
- Continue emphasis on increased efficiency through technology
- Maintain efficient staffing levels, with an emphasis on external service areas that directly impact Douglas County communities

## Citizen Input – 2023 Citizen Survey

In addition to the previously mentioned Board Core Priorities and conservative guiding principles, the Board is united in their belief that quantifiable, representative public opinion is a valuable resource in guiding the Board's funding and policy decisions.

As such, the findings of their 2023 Citizen Survey, conducted in March of 2023 by the independent research firm, Hill Research Consultants, along with several live town hall events, informed 2024 Budget decisions.

Among the strongest findings was public opinion regarding spending priorities by Douglas County government, as the spending relates to the Board's Core priorities:

- Ensuring conditions that provide public safety and security: 95% of respondents said: spend the same (38%); spend some more (36%); or spend much more (21%). The balance of five percent said spend less or much less.
- Maintaining the quality of the county's historic and natural resources: water, air, land, and wildlife: 94% of respondents said: spend the same (35%); spend some more (29%); or much more (30%). The balance of six percent said spend less or much less.
- Programs that provide health and human services that allow vulnerable individuals to be self-sufficient: 84% of respondents said: spend the same (35%); spend some more (29%); or much more (20%). The balance of 16% said spend less or much less.

Of the increase in spending for 2024, the Board has invested an additional \$10.2 million in 65 public safety full-time employees.

Among other key findings on baseline questions asked in previous surveys:

- 93% affirm the accuracy of the statement: Douglas County is a good place to raise a family
- 94% agree Douglas County is a safe place to live & work

## Board of County Commissioners Provide Historic Tax Relief

Among the strongest survey findings this year, 33 percent of those polled strongly agree that their tax burden is rising too fast, almost double the findings on the same question from the 2021 survey.

For the first time since conducting the survey over the two decades, David Hill, Ph.D., Hill Research Associates Research Director on the survey, noted, “This is a very significant change, getting close to the 40% threshold we associate with ‘tax revolt,’ and a message for all taxing districts in the county to ponder,” said David Hill, Ph.D., Hill Research Associates, and Research Director on this survey conducted March 5-13 countywide.

Having heard the concerns of residential property owners in the County via the survey, several live town hall meetings, and in a first-ever Taxing Authorities Summit, the Board, for the 6th time in eight years, is leveraging the County’s mill levy by 3.679 mills and will be returning a historic \$37.8 million in tax relief to property owners in Douglas County, without negatively impacting investments in services to taxpayers and investing in a spending priority valued most by county residents: public safety.

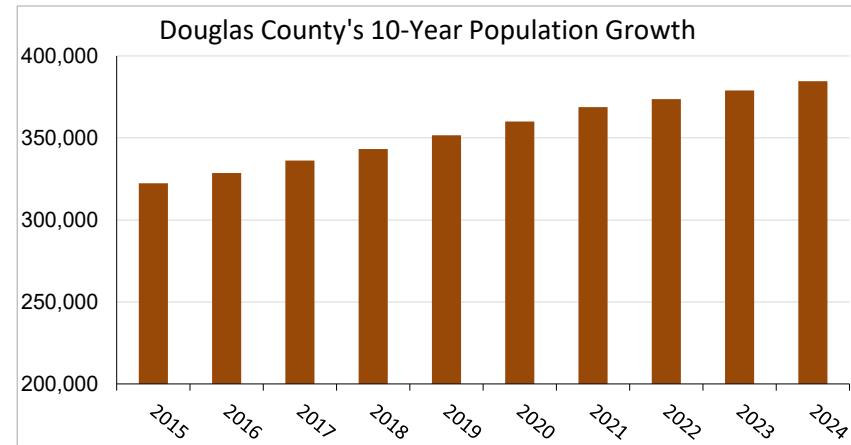

## Economic Conditions

Douglas County's total population is estimated to be 381,500 January 1, 2024, and grow to 390,200 by the December 31, 2024. This represents 23 people moving to Douglas County a day. The unincorporated population is estimated to be 206,000 January 1, 2024, and grow to 209,700 by December 31, 2024.

The economic outlook locally and nationally remains uncertain. Inflation persists but has begun to moderate. The unemployment rate remains low, but recent wage increases have also begun to moderate. Personal savings rates spiked during the pandemic but have now fallen below pre-pandemic levels. Household reliance on credit cards has also increased. Debt payments as a percentage of disposable income have now returned to pre-pandemic levels. Measures of consumer confidence are improving but remain well below pre-pandemic levels.

Additional strains on consumers include student loan repayments resuming in 4th quarter 2023, increasing auto and homeowner's insurance rates throughout the Front Range, and property tax increases driven by increased assessed valuations. These factors moderated the County's sales tax forecast. The County estimates a 2.5% increase in sales tax receipts from 2023 to 2024.

Property tax revenues used to be a highly predictable revenue source that the County could readily forecast based on anticipated changes in property valuation. The elimination of the Gallagher Amendment by voters in 2020 has changed this. Annual legislation now drives the calculation, making property tax revenue forecasting much more difficult. This began in 2021 and 2022 with Senate Bill 21-293, Proposition 120, and Senate Bill 22-238. It continued in 2023 with Proposition HH, and a package of property tax-related bills that passed in a four-day special session in November after Proposition HH was rejected by voters.

Looking ahead to future years, uncertainty remains. Legislation from the 2023 special session created a Property Tax Task Force that will “identify, consider, and evaluate legislative options for a property tax structure that protects property owners from rising tax bills and is sustainable for local governments and public schools.” In 2024, several competing ballot initiatives on property tax are likely, including one already filed that would cap annual property tax increases at 4%. As a result, Douglas County is cautiously forecasting future property tax revenue growth. 2025 will be an intervening reappraisal cycle, meaning minimal growth in property taxes. Revenues in 2026 will be impacted by the next reappraisal cycle ending June 30, 2024.

Some economists anticipate a “soft landing” in 2024 in which economic activity and inflation moderate without a resulting recession, but challenges remain for the housing sector in particular. High interest rates continue to constrain borrowing, although the Federal Reserve has paused inflation-fighting interest rate increases and is forecasting modest rate cuts in 2024.

While the S&P/Case-Shiller Home Price Index for Denver showed a modest increase in home values from last fall, the National Housing Forecast produced by realtor.com estimates a 5.1% decline in home prices in the Denver market in 2024. In Douglas County, Single-family residential new construction permits are down 33% from last year.

The County will be monitoring economic conditions closely, watching for indicators that require a change in direction.

## Revenues

Budgeted revenues for 2024 total \$515.9 million, representing a \$83.2 million (19.2%) increase over 2023 adopted revenues.

Revenues are forecasted by reviewing actual-to-budget performance and applying a conservative, yet realistic, approach to trending the various individual revenue streams.

This chart depicts Douglas County's revenue sources. Property taxes fund primarily operating expenses while sales and use tax funds mostly capital projects.

## Property Taxes

Property taxes are the largest source of revenue and are used to fund general governmental operations. The County's mill levy is 18.774 mills plus 1.000 mill approved by citizens for intellectual and developmental disability services and 4.500 mills for law enforcement services in the unincorporated portion of Douglas County. Total operating property tax revenues for the County are projected to be \$234.5 million in 2024. This includes a one-time State backfill of \$6.4 million (\$5.7 million County and \$744,000 LEA) for the impact of SB22-238 and \$37.8 million of tax relief. The following graph shows countywide property tax growth for the past five years.

The Proposed Budget includes the County allocating 18.6% of the county's mill levy (3.679 mills or \$37.8 million) towards tax relief in recognition of the financial impact the historic increase in property values will have on the property owners of Douglas County. The following chart details how the county's mill levy is distributed among the various funds.

Fund	Total Authorized County Mill Levy	2024 Mill Levy Reallocation for Tax Relief	2024 Adjusted County Mill Levy
General	13.549	-2.937	10.612
Road and Bridge	4.400	-0.609	3.791
Human Services	0.409	0.000	0.409
School Safety	0.416	0.000	0.416
Developmental Disabilities	1.000	-0.133	0.867
Property Tax Relief		3.679	3.679
<b>Total</b>	<b>19.774</b>	<b>0.000</b>	<b>19.774</b>

## Sales and Use Taxes

Sales and use tax is the second largest revenue source and comes from the 1.0% sales and use tax within Douglas County. This source of revenue is restricted for specific uses by voters; 0.17% for the acquisition, preservation, development, and maintenance of open space lands, trail systems, parks, and historic sites; 0.40% is for improvements and maintenance of County roads and bridges; and 0.25% is for the operation, maintenance, and construction of the Robert A. Christensen Justice Center; and 0.18% for transportation infrastructure within the County.

Over the past couple of years Douglas County has experienced rapid growth in sales and use tax. Collections in 2023 are showing the signs of the headwind's economist have been forewarning. Pressures from inflation, higher interest rates, and student loan repayments are major contributing factors for Douglas County 2024 forecast.

## Other Major Revenues

Douglas County's other major group of revenues (excluding property and sales taxes) represent charges for services for building activity, document recording, motor vehicle activity, public safety charges and fees, recreational admission and usage fees, and treasurer's fees. This group of revenues is forecasted to be \$31.2 million. This represents a 3.1% or \$948,500 increase compared to the 2023 Adopted Budget. Building and Recording activity is projected to continue to decline due to pressures from inflation, higher interest rates and lack of affordable housing.

Five-Year Other Major Revenue Growth

## Revenue Sharebacks to Municipalities

There are two types of sharebacks to municipalities: property tax sharebacks and sales tax sharebacks. Property tax sharebacks are distributed quarterly to incorporated municipalities with a presence in Douglas County. The shareback is based on 50% of the assessed valuation of each municipality multiplied by the Road and Bridge Mill Levy which will be 3.791 mills in 2024 after tax relief.

Sales tax sharebacks come from the Road portion (.40%) and the Open Space portion (.17%). The Road Sales and Use Tax shareback is based on 75% of the roads sales and use tax collected within the wholly incorporated boundaries, excluding Park Meadows Mall in Lone Tree. The Parks and Open Space sales and use tax was extended by voters in November 2022. The extension changed the shareback calculation going forward to 20% of collections, allocated based on population of wholly incorporated municipalities at the time of the extension.

2023 Estimated Sharebacks to Municipalities	Total Sharebacks	Road and Bridge Shareback (Property Tax)	Roads Sales and Use Tax .40%	Parks and Open Space Sales and Use Tax .17%
		(% of Total Collected)	(% of Total Collected)	(% of Total Collected)
<b>Total Tax Collected (County-wide)</b>		<b>\$35,915,314</b>	<b>\$43,612,985</b>	<b>\$18,535,576</b>
Sharebacks:				
Aurora	\$ 158,763	158,763		274,353
Castle Pines	1,429,718	585,965	569,400	1,722,631

Castle Rock				37,210
Larkspur				317,782
Lone Tree				7,287,738
Parker				

## Tax Increment Financing (TIF) Impact on County Revenue

Within Douglas County there are five Urban Renewal Authorities (URAs) and Downtown Development Authorities (DDAs) which are designed to eliminate blighted areas within cities and towns. These authorities utilize tax increment financing (TIF) to pay for capital improvements to mitigate blight. Two additional TIFs are being established in Castle Pines and Lone Tree.

For the budget year 2024 (tax year 2023) tax increment financing is estimated to increase 24.2% over tax year 2022, resulting in \$1,947,948 of ongoing revenues being directed to these authorities instead of the County.

Mill Levy Assessment Year (not budget)	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023

## 2024 RECOMMENDED PROPOSED BUDGET

The 2024 expenditure budget is \$671.8 million. The operating portion of the 2024 Budget is projected to increase by 11.3% or \$27.1 million. Douglas County uses the percentage of population growth and CPI ( $3.0\% + 5.6\% = 8.6\%$ ) as a benchmark for growth. The 2024 Proposed Budget exceeds this in part due to prioritizing the addition of 65 public safety positions over the past 14 months.

One-time initiatives equal \$318.8 million and include \$237.4 million for roads, \$15.6 for parks and open space, \$7.1 million for public safety, \$38.3 million of tax relief and \$20.5 million for facilities maintenance, vehicle replacements, contingency funds, one-time operating requests, and temporary personnel.

Federal and state funded expenditures equal \$52.9 million and are increasing by 7.6% or \$3.7 million due to Human Services federal and state allocations increasing.

New budget requests for 2024 are detailed within individual Fund Summaries that follow and are consistent with the Board's guiding principles requiring the pairing of ongoing revenues with ongoing expenditures.

This chart illustrates the distribution of the budget by spending categories.

## Compensation and Benefit Costs

As with most service organizations, public or private, the salary and benefit portion is the largest expense within the operating budget. Maintaining a competitive, market-based, pay-for-performance total compensation package for employees is critical to recruit and retain a high performing workforce. The County follows fiscally conservative principles in designing our compensation and benefits strategy that includes the following tenets:

- No pension liability
- Non-union
- No retiree healthcare liability
- No sick leave cash-out upon leaving County employment
- Pay-for-performance based merit increases
- No Cost-of-Living Adjustments (COLA)
- No bonus structures
- Established market-based pay structure at the 50th percentile

### Compensation

At the beginning of 2023, wage pressures and competitiveness among other Denver Metro area jurisdictions continued as employers sought to reduce turnover and fill vacancies with qualified candidates. Market data indicated Douglas County remained behind other jurisdictions' compensation structures despite the mid-year 2022 market adjustment. As such, the Board approved another 1.5% market adjustment in January 2023.

For the 2024 Proposed Budget, a 4.0% merit pool is recommended. To help acknowledge exceptional contributions from staff, an additional 1.0% high performance pool will also be recommended. Additionally, the \$100 inflationary stipend set to end in 2023 is proposed to continue for an additional six months, through June 2024. The eligible salary level is recommended to be reduced from \$80,000 to \$60,000.

These market adjustments will result in an ongoing cost increase of \$4.3 million for 2024. The \$100 per month stipend will continue through June at a cost of \$147,000.

Deputy and Sergeant ranks are compensated via Tier structures, which allow for annual step-movement. These Tier movements will increase on average 6.6% - 7.3% depending upon rank at a cost of \$2.6 million.

### Benefits

As a result of continuing high claim costs, the County elected to engage in a competitive bid process this year for health insurance. The result was that United Healthcare (UHC) came in with an annual increase of 1.7%, which was significantly less than Aetna's renewal of 9.2%. The County will transition all employees to UHC beginning in 2024 with expected cost savings of close to \$2 million the first year. There will be a minimal rate increase to the Delta PPO+ plan.

All other lines of coverage such as accident insurance, critical illness insurance, life insurance, long-term disability insurance, and the employee assistance program have a 0% increase for 2024.

# Staffing

In 2023, a total 44.5 FTEs were added, the following chart breaks out where positions were added.

2023 Staffing Changes						
Department/Division	BU	Description	FTE	Salary & Benefi	Funding Source	
General Fund

Douglas County maintains staffing levels that are prudent in overall numbers of employees, while also ensuring that we adequately meet the service needs of our citizens. As depicted in the graphs below, the County has one of the highest levels of citizens served (both overall and in unincorporated areas) per employee. This data is based on the 2023 Budget Books.

## 10 Year FTE History (External vs. Internal Services)

In reviewing growth in full-time equivalent (FTE) positions since 2015, the majority have been associated with areas of the County that provide direct services to the citizens. During this time period, there has been an increase of 40.7% in external service areas, with 19.4% growth related to internal service departments.

Note: Internal Service Departments include Budget, County Administration, County Attorney, Facilities, Fairgrounds, Finance, Fleet, Human Resources, Information Technology, and Public Affairs.

## New Requests/Highlights

Countywide new budget requests total \$105.2 million; \$98.6 million in one-time requests and \$6.6 million in ongoing requests. The following are key initiatives:

### Transportation

- Road repair and maintenance, including continued asphalt, concrete, and surface treatments to extend pavement life throughout unincorporated Douglas County (\$17.0 million)
- Crystal Valley Interchange Construction (\$24.0 million)
- Lincoln Avenue, Town of Parker Partnership (\$9.0 million)
- I-25 Frontage Road, Tomah to Territorial (\$4.0 million)
- Stormwater priority projects to ensure the controlled flow and drainage of stormwater (\$4.3 million)
- Traffic Signal and Intelligent Transportation Upgrades (\$1.4 million)
- Hilltop Road Legend High School to Alpine Drive (\$2.5 million)

### Public Safety

- Three Patrol Deputies for Castle Pines (\$722,525)
- Six Patrol Deputies (\$1.3 million)
- Three Traffic Deputies/Sergeant (\$861,610)
- Wildfire Helicopter Support Expanded May to November (\$845,000)

### Historic and Natural Resources

- Macanta Regional Park design and construction (\$2.7 million)
- Spring Valley School Stabilization (\$500,000)
- Bluffs Regional Park trail resurfacing (\$450,000)
- Evans Homestead Restoration (\$350,000)
- Playground Replacement Outreach (\$300,000)
- Astronomical Observatory at Sandstone planning and phase II construction (\$100,000)

A complete list of recommended requests may be found in the 2024 Proposed Budget.

# MAJOR FUNDS

## General Fund Highlights:

The General Fund, which is the largest and most diverse of all the County funds, accounts for a wide variety of services and functions. Revenues in the General Fund for 2024 are projected to increase 15.6% or \$21.1 million. This includes the County's one-time SB22-238 backfill of \$5.7 million. The other main increases are property taxes (\$10.4 million or 10.2%) and earnings on investments (\$3.8 million)

The 2024 Proposed Budget is \$184.9 million, an increase of 5.3% (\$9.2 million) over the 2023 Adopted Budget. There are \$10.0 million in recommended new requests, of which \$3.2 million are ongoing requests. The 2024 Budget includes reductions in staffing of seven positions equaling \$1.05 million.

Key initiatives include technology funding for the new 23<sup>rd</sup> Judicial District which will become formal January 1, 2025, and an initiative to replace the county's enterprise resource planning (ERP) software system.

The 2024 Proposed contains the list of other requests related to various operating needs with detailed explanations.

The graph below shows the primary expenditure categories for the General Fund.

### Road and Bridge Fund Highlights:

Property taxes, auto ownership taxes, and highway user taxes are the primary revenue sources accounted for in this fund, which for 2024 are expected to generate \$39.0 million, \$14.5 million, and \$9.0 million respectively. In addition to ongoing funding for operational expenditures related to road maintenance, traffic services, and snow removal, this fund also expends \$8.7 million in property tax sharebacks with the municipalities located within the County.

This fund's primary focus is road and bridge maintenance and includes both County performed and contracted maintenance. Maintenance projects include asphalt and concrete repair and replacement; paving high traffic gravel roads; stormwater and drainage management; traffic signals repair and replacement; and pedestrian safety. Contracted repair and maintenance are budgeted at \$17.0 million.

Other major budget requests and initiatives for this fund include: \$4.2 million for equipment replacement, \$4.3 million for storm drainage and stormwater projects, \$100,000 for school and pedestrian safety projects, and an additional \$300,000 in ongoing funding for signal installation and enhancement. A complete list with detailed explanations of recommended projects can be found in the 2024 Proposed Budget for this fund.

### Road Sales and Use Tax Fund Highlights:

The Road Sales and Use Tax Fund accounts for 0.40% of the County's 1.0% sales and use tax used for infrastructure improvements related to roads and bridges. The voters approved extending this sales and use tax in November 2007, which was effective January 1, 2011. The extension included a shareback provision for all wholly incorporated entities at the time of the election. The road sales and use tax is collected within the incorporated boundaries of the Town of Castle Rock, the Town of Larkspur, the Town of Parker, and the City of Lone Tree (excluding Park Meadows shopping center). The extension also modified the amount of the shareback from 100% of collected roads sales and use tax within the boundaries to 75% of the collected roads sales and use tax. January 1, 2012, the County began sharing back with the City of Castle Pines.

Revenues for 2024 from this dedicated sales and use tax are projected to be \$43.2 million, resulting in forecasted sharebacks totaling \$12.5 million. The major projects include:

- Crystal Valley Interchange Construction (\$17.0 million)
- I-25 Frontage Road, Tomah to Territorial (\$4.0 million)
- Hilltop Road Design and Construction (\$2.5 million)
- US 85 Improvements, Highlands Ranch Parkway to County Line Road (\$1.5 million)

A complete list with detailed explanations of recommended projects can be found in the 2024 Proposed Budget for this fund.

### Transportation Infrastructure Fund Highlights:

This fund was created as a result of the voters approving ballot question 1A on November 5, 2019. The fund will account for monies generated from the 0.18% of the County's 1.0% sales and use tax and will be used for transportation infrastructure improvements including the alleviation of traffic congestion. The 2024 Proposed Budget projects revenues to be approximately \$19.4 million. The major project include:

- Lincoln Avenue – Jordan to Parker Road (\$9.0 million)
- Crystal Valley Interchange Construction (\$7.0 million)

A complete list with detailed explanations of recommended projects can be found in the 2024 Proposed Budget for this fund.

### Law Enforcement Authority (LEA) Fund Highlights:

The LEA Fund's primary funding source comes from a dedicated 4.500 mills paid by property owners within the unincorporated areas of Douglas County and is for the purpose of providing law enforcement services in unincorporated areas of the County. Property taxes revenues are forecast to be \$26.3 million in 2024 including \$744,000 of backfill from SB22-238. This is an increase of 31.7% or \$6.3 million over the adopted 2023 budget.

The 2024 Proposed Budget includes twelve additional Patrol/Traffic Deputies (\$2.9 million) funded with the increase in LEA property tax. The City of Castle Pines is funding three of these deputies through their law enforcement mill levy.

### School Safety Fund Highlights:

This fund was created mid-2019 to account for the \$13 million from General Fund unassigned fund balance to be used for safety and mental health programs in schools in unincorporated Douglas County.

The fund now accounts for the School Resource Officer (SRO) program which is funded in partnership with Douglas County Government, Douglas County School District, and various charter and private schools within Douglas County. The County's funding source is 0.416 mills which is forecasted to be \$4.2 million in 2024.

Nine additional SROs have been added since the 2024 Preliminary Budget. Seven of these were added because of the Douglas County School District mill levy approved by voters November 2023.

### American Rescue Plan Act Fund Highlights:

This fund was created in 2021 to account for the Federal American Rescue Plan Act monies. Douglas County received the first of two installments of \$34,113,259 in 2021. The second installment was received June 22, 2022, in the amount of \$34,103,774. All funding is allocated to outward facing programs to include Mental Health, IDD Community Investments, Homelessness, Water / Wastewater Initiatives, Broadband, Wildfire Suppression and Mitigation, and Community and Economic Investments.

### Justice Center Sales and Use Tax Fund Highlights:

The Justice Center Sales and Use Tax Fund accounts for the 0.25% of the County's 1.0% sales and use tax and is for the ongoing operations, maintenance, and construction of the Robert A. Christensen Justice Center.

Sales and use tax revenues are projected to be \$27.0 million. The major expenditure shown in this fund is the transfer to the General Fund, which equals the full 0.25% generated by the sales and use tax and extends in perpetuity and defrays the cost of operations paid from the General Fund. Available fund balance is also used to offset General Fund one-time expenditures in accordance with the ballot language. Current available fund balance is projected to be \$2.9 million at the end of 2024.

The other major requests for this fund that will utilize available fund balance are improvements to:

- District Attorney Office Remodel (\$1,364,537)
- Detention Lobby Expansion (\$615,000)
- Records Expansion (\$389,000)
- Elevator Modernization (\$575,000)

A complete list with detailed explanations of recommended requests can be found in the 2024 Proposed Budget for this fund.

### Parks and Open Space Sales and Use Tax Fund Highlights:

The Parks and Open Space Sales and Use Tax Fund accounts the 0.17% of the County's voter-approved 1.0% sales and use tax. Initially approved by voters in November 1994 and most recently extended by voters in November 2022; the sales and use tax will sunset December 31, 2039. Revenues are designated for the acquisition, administration, planning, development and construction, operations, and maintenance of parks, trails, historic resources, and open space.

Sales and use tax revenues are projected to be \$18.4 million. Revenues are now allocated 28% to open space acquisitions, 20% open space operations and maintenance, 28% parks operations and maintenance, 4% historic resources management and 20% will be shared back to wholly incorporated entities at the time of the election, Castle Pines, Castle Rock, Larkspur, Lone Tree, and Parker allocated based on population. Sharebacks are forecast to be \$3.7 million.

The major projects for this fund are:

- Trail resurfacing at Bluffs Regional Park (\$450,000)
- Macanta Regional Park (\$1,400,000)
- Astronomical Observatory at Sandstone (\$100,000)
- Spring Valley School stabilization (\$500,000)
- Prospect Village Community Park Design (\$2,500,000)

The complete list with detailed explanations of recommended projects is included in the 2024 Proposed Budget for this fund.

#### Conservation Trust Fund Highlights:

In accordance with Colorado State Statute, this fund accounts solely for the proceeds allocated to the County from the State Lottery Fund, estimated to be \$1.4 million for 2024. Funds may only be used for the development and maintenance of parks, trails, open space, and other recreational facilities.

Major projects for this fund are \$1.3 million to continue construction of Macanta Regional Park.

#### Capital Expenditures Fund Highlights:

This fund pays for routine maintenance on all county facilities except for the Justice Center. In 2021, additional monies were transferred into this fund to pay for future county facilities maintenance. Therefore, maintenance in the amount of \$1,653,200 will be funded with existing fund balance. A complete list with detailed explanations of maintenance requests is included in the 2024 Proposed Budget for this fund.

#### Developmental Disabilities Fund Highlights:

Revenues recognized in this fund are generated from a 1.0 mill property tax approved by the voters in 2001 and is expected to produce \$8.9 million for 2024. Through an interagency agreement, the County remits more than 90% of these funds to Developmental Pathways, Inc., Douglas County's regional provider. These funds support programs and services for the special needs of citizens with intellectual and developmental disabilities. The remaining funds are then dispersed by the County through its Developmental Disabilities Grant Program.

#### Human Services Fund Highlights:

Funding for the programs and services provided by the Human Services Department comes from a portion of the County's mill levy (\$4.2 million) and from various Federal and State grants (\$51.1 million). The 2024 Proposed Budget reflects \$36.4 million appropriated for direct payments to qualified participants (which includes \$23.0 million in food assistance benefits that are 100% federally funded), and \$9.2 million in client services, such as child welfare and child-care support services.

Human Services programs are mandated by the State of Colorado. Increases in the State's funding allocations requires a larger county funding match. The 2024 Proposed Budget allocated .093 mills from the Road and Bridge Fund as increases in services are attributed to incorporated areas of the county. There are no new requests for this fund.

## RESERVES

As the budget is developed, attention is focused on each fund's balance to ensure it can absorb the proposed recommendations. The guiding principles that prescribe the use of the County's fund balance are to:

- Seek opportunities to maximize impacts to our communities
- Leverage funds by partnering
- Cash fund versus incurring debt
- Maintain adequate fund balance to withstand economic fluctuations
- Prepare for emergencies.

The County's fund balance policy outlines appropriate fund balance levels necessary to conform with legal requirements. These levels also help to maintain a strong financial position. The County has met its TABOR requirements, which specify that 3% (\$9.6 million for County funds and \$745,000 for the LEA Fund) of operating expenditures must be reserved for emergencies.

### Basis of Budgetary Accounting

The budgets for the County, Law Enforcement Authority (LEA), Woodmoor Mountain GID, and Lincoln Station LID are all presented on the modified accrual basis, which is consistent with Generally Accepted Accounting Principles (GAAP). Under modified accrual accounting, revenues are recognized as soon as they are both measurable and available. Expenditures are recognized when the liability is incurred. Governmental funds' financial statements are also presented on a modified accrual basis of accounting. However, the government-wide financial statements and the proprietary funds' financial statements are presented on a full accrual basis of accounting, which means all transactions and events that affect the total economic resources (net assets) during the period are reported. Under the full accrual basis of accounting, revenues are recorded when earned and expenses are recorded at the time an obligation (liability) is incurred, regardless of the timing of related cash inflows and outflows. Fiduciary funds use the accrual basis of accounting.

## CONCLUSION & ACKNOWLEDGEMENTS

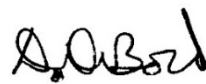

The budget process is one of the County's most significant undertakings each year. The process creates opportunities for dialogue and priority setting in each Elected Office and Department in the County.

The success of this process is a direct reflection of the efforts of the many participants in the process – including the Board of County Commissioners, other Elected Officials, Department Directors, and the numerous staff throughout the County who dedicate an extensive number of hours to work through the budget development process. We sincerely appreciate the hard work and dedication of all who make this important task possible, especially the members of the Budget Department.

We are pleased to present this 2024 Proposed Budget as our County's financial plan for 2024. We believe this budget reflects our commitment to fiscal stewardship, as well as our resolve to focus on the implementation and achievement of the Board of County Commissioners' core priorities.

Over the past eleven weeks, we have spent many hours working with the Board of County Commissioners to fully discuss and evaluate this Proposed Budget before adoption, which was moved to January 9, 2024, as a result of SB23B-001.

Respectfully submitted,

Douglas DeBord  
County Manager

Martha Marshall  
Budget Director

Kim Hirsch  
Asst Budget Director

# County Overview

# Douglas County, Colorado At-A-Glance

## **Location :**

Virtually in the geographic center of Colorado, Douglas County is approximately 844 square miles of striking natural beauty from its mountains, foothills, and plains. It is located between Colorado's two largest cities, Denver, and Colorado Springs.

## **Elevation :**

Elevations range from 5,400 feet in the northeast corner of the county to 9,836 feet at Thunder Butte in the Pike National Forest.

## **Incorporated Municipalities :**

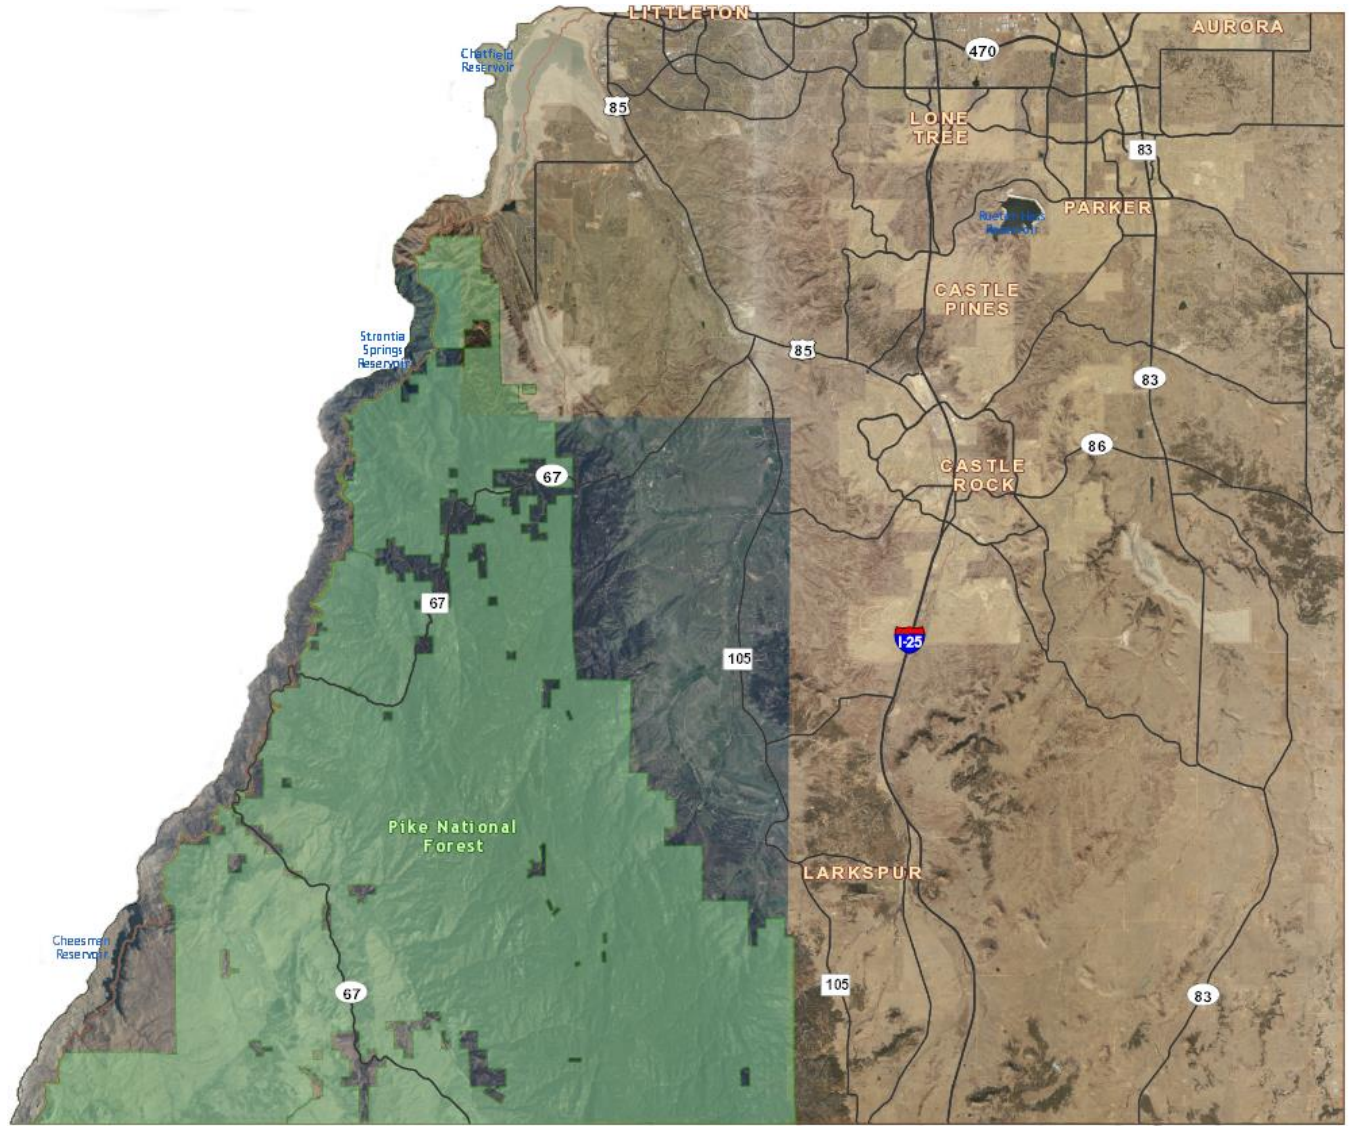

Aurora (portion), Castle Pines, Castle Rock (County seat), Larkspur, Littleton (portion), Lone Tree, and Parker.

## **Form of Governance :**

The County is governed by a three-member Board of County Commissioners elected at-large by county citizens.

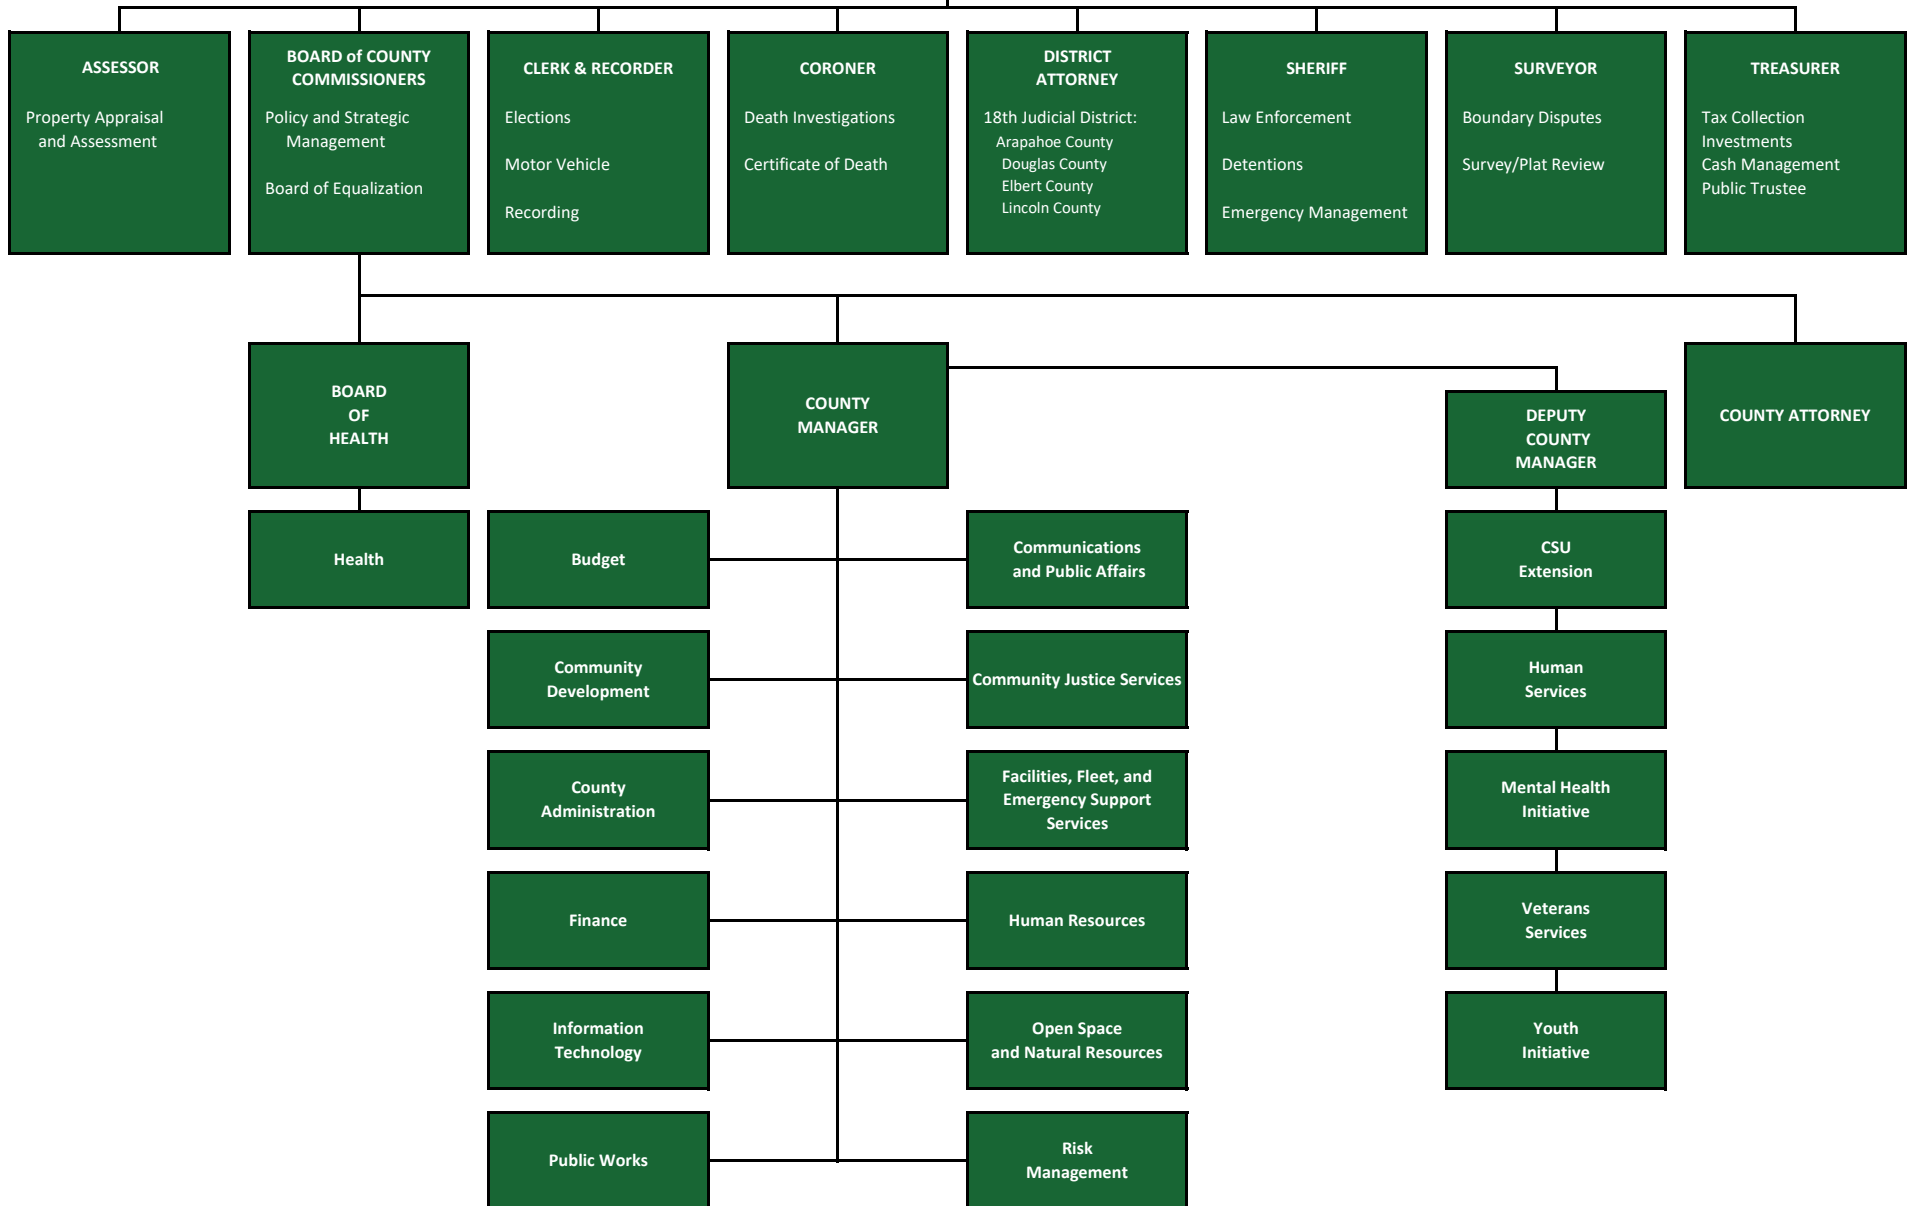

## **Date of Incorporation :**

1861: The Colorado Territorial Session Laws created Douglas County, named after Stephen A. Douglas

# DOUGLAS COUNTY FUND STRUCTURE OVERVIEW

Note: This schedule only reflects funds that are budgeted

# Fund Definitions

Governmental accounting is based upon fund accounting. Each separate fund has a unique purpose and must be self-balancing. As required by statute, governmental funds have a spending focus and include:

## General Fund

The General Fund is used to account for all resources associated with traditional government functions that are not required legally or by sound financial management practices to be accounted for in another fund. As the County's main operating fund, the General Fund accounts for general County operations such as public safety, planning and zoning; parks and recreation; tax assessments and collection; motor vehicle licensing, elections; finance, and administration.

<u>Fund Name</u>	<u>Fund Number</u>
General	100

## Special Revenue Funds

Special Revenue Funds are used to account for the proceeds derived from sources that are legally restricted to be expended for a designated program or specific purpose.

<u>Fund Name</u>	<u>Fund Number</u>
Road and Bridge	200
Human Services	210
Developmental Disabilities	215
Health	217
Law Enforcement Authority (LEA)	220
School Safety	221
Infrastructure	225
Road Sales and Use Tax	230
Transportation Infrastructure Sales and Use Tax	235
Justice Center Sales and Use Tax	240
Rueter Hess Recreation Area	245
Parks and Open Space Sales and Use Tax	250
Conservation Trust	260
Lincoln Station Sales Tax Street Improvement	265
Solid Waste Disposal	275
Woodmoor Mountain General Improvement District (GID)	280

# Fund Definitions

## Special Revenue Funds (continued)

<u>Fund Name</u>	<u>Fund Number</u>
Rocky Mountain High Intensity Drug Trafficking Area (HIDTA)	295
American Rescue Plan Act (ARPA)	296
Property Tax Relief	297

## Capital Projects Funds

Capital Projects Funds are used to account for the financial resources used to fund maintenance and equipment replacement as well as to acquire or construct major public capital facilities and improvements.

<u>Fund Name</u>	<u>Fund Number</u>
Capital Expenditures	330
Local Improvement District (LID) Capital Construction	350
Capital Replacement	390

## Debt Service Fund

Debt Service Fund is used to account for the accumulation of resources and the payment of principal and interest related to long-term debt used to finance capital construction and acquisition. Debt obligations that are accounted for in this fund were revenue bonds paid from restricted revenue sources pledged towards repayment of the debt.

<u>Fund Name</u>	<u>Fund Number</u>
Debt Service	410

## Internal Service Funds

Internal Service Funds are proprietary funds that are used to account for the financing of goods or services provided by one county department or agency to other departments or agencies on a cost reimbursement basis.

<u>Fund Name</u>	<u>Fund Number</u>
Employee Benefits	620
Liability and Property Insurance	630
Medical Self-Insurance	640

# Property Taxes

## Douglas County

Douglas County is a governmental taxing entity empowered to levy its own property taxes. The total mill levy for the 2024 Douglas County Budget is 19.774 mills. A 1.000 mill dedicated to persons with intellectual and developmental disabilities was approved by voters in 2001. Revenues for property taxes budgeted in 2024 are levied in December 2023. The county, municipalities, school districts and various forms of special districts are all taxing entities. A mill levy is a tax rate of 1/10 of a cent. A tax rate of 1 mill per thousand means \$1.00 of tax per \$1,000 of assessed value. The mill levy set by the taxing entity is applied to the assessed value of the property, thus generating property taxes.

## Mill Levy Distribution - Douglas County 2024 Budget

Fund	Total Authorized County Mill Levy	2024 Mill Levy Reallocation for Tax Relief	2024 Adjusted County Mill Levy
General	13.549	-2.937	10.612
Road and Bridge	4.400	-0.609	3.791
Human Services	0.409	0.000	0.409
School Safety	0.416	0.000	0.416
Developmental Disabilities	1.000	-0.133	0.867
Property Tax Relief		3.679	3.679
Total	19.774	0.000	19.774

Statutorily, Douglas County is required to shareback the Road and Bridge mill levy with all incorporated jurisdictions within the County. The jurisdictions that receive a shareback are Aurora, Castle Pines, Castle Rock, Larkspur, Littleton, Lone Tree, and Parker. The shareback is 50% of the assessed value within the incorporated boundaries times the mill levy.

## Law Enforcement Authority

The Law Enforcement Authority (LEA) levies a property tax of 4.500 mills to those in unincorporated areas of the County.

## Woodmoor Mountain General Improvement District (GID)

The Woodmoor Mountain General Improvement District (GID) is a special taxing authority created for the purpose of maintenance and improvement of roads in the Woodmoor Mountain District. On November 2, 1993, a referred measure was passed at an election to allow the district to extend a mill levy on the assessed value of the District to generate \$10,000 in general property tax revenue in 1994, increasing by an amount not to exceed 5.5% thereof annually in the following years. The Woodmoor Mountain GID mill levy for 2024 is 7.239 mills.

# Sales and Use Taxes

Tax	Amount	Beginning Date	Sunset Date
Parks & Open Space Sales & Use Tax	0.17%	January 1, 1995	January 1, 2039
<p>Use: Dedicated for the acquisition, administration, planning, development and construction, operations, and maintenance of Parks, Trails, Historic Resources and Open Space.</p> <p>Funds are shared at the rate of 20% of total collections multiplied by the population of the wholly incorporated municipality divided by the total population of eligible municipalities except no municipality shall receive less than \$15,000 in annual funding. Population is based on the latest data available from Colorado Department of Local Affairs, State Demography Office.</p> <p>In November 1998, the voters extended the sunset date from January 1, 2009 to January 1, 2024. In November 2022, the voters extended the sunset date from January 1, 2024 to January 1, 2039.</p>			
Road Sales & Use Tax	0.40%	January 1, 1996	December 31, 2030
<p>Use: Dedicated for the improvement and maintenance of County roads and bridges.</p> <p>Funds are shared with the municipalities of Castle Pines, Castle Rock, Larkspur, Lone Tree and Parker, at the rate of 75% of all collections on point of sales within the municipality boundary.</p> <p>In November 2007, the voters extended the sunset date from December 31, 2010 to December 31, 2030.</p>			
Justice Center Sales & Use Tax	0.25%	January 1, 1996	Perpetuity
<p>Use: Dedicated for the construction, operation, and maintenance of the County's Robert J. Christensen Justice Center and related facilities.</p> <p>In November 2007, the voters extended the sunset date from December 31, 2010 to December 31, 2020 for 0.13% of the tax, the remaining 0.10% that was to sunset on December 31, 2010 will now remain in perpetuity along with the existing 0.20% for ongoing operating costs.</p> <p>In November 2019, the voters redirected 0.13% due to sunset December 31, 2020 and 0.05% in perpetuity to transportation and infrastructure effective January 1, 2020.</p>			
Transportation Infrastructure Sales & Use Tax	0.18%	January 1, 2020	December 31, 2035
<p>Use: Dedicated for transportation infrastructure within the county.</p> <p>In November 2019, the voters approved redirecting 0.13% of Justice Center Sales &amp; Use Tax due to sunset December 31, 2020 and 0.05% in perpetuity to transportation Infrastructure effective January 1, 2020; 0.05% will remain in perpetuity for transportation infrastructure and 0.13% will sunset December 31, 2035.</p>

## GENERAL FUND

\$6,856,978 One-Time; \$3,182,538 Ongoing and  
\$608,700 Offsetting Revenues

### CLERK AND RECORDER

#### Passport Agents – 2 FTE - \$151,000 Ongoing; \$218,000 Ongoing Offsetting Revenues

The Douglas County Recording Division continues to experience high service growth for passport processing. Currently, demand exceeds staffing capacity, and all appointments are consistently booked months in advance. Two additional staff will be added beginning in fiscal 2024. It is forecasted that by adding additional agents, Douglas County can not only serve more constituents, but completely offset these expenditures with additional revenues.

### COMMUNITY DEVELOPMENT

#### Senior Resource Coordinator – Highlands Ranch Metro District (HRMD) - \$25,000 Ongoing

Budget provides funding for the continued partnership between Douglas County and the HRMD. The ongoing contributions will allow staff to provide high quality services, events, activities, and programs to the aging population located in northern Douglas County.

### COMMUNITY JUSTICE SERVICES

#### Community Justice Services Officer – Limited Benefited Employee (2) - \$196,178 One-Time

Pre-Trial is the front door of the criminal legal system, and decisions made in the early stages of criminal cases significantly impact everything that follows. Pretrial decisions build on the foundation that provides support, structure, and community safety through pretrial release best practices and comprehensive monitoring. The new CJS officers will be responsible for transitioning defendants from detention to pre-trial release and will address challenges associated with substance abuse and mental health.

### DISTRICT ATTORNEY

#### 2023 Salary/Benefits Adjustments - \$559,260 Ongoing

A four and a half percent merit adjustment is requested to match recent compensation plan discrepancies with other Arapahoe and Douglas employees, and to maintain parity with the increases offered for those compensation plans.

#### Douglas County Criminal Courtroom / SB-20-217 - \$316,278 Ongoing

The SB-20-217 Enhanced Law Enforcement Integrity law measures requires all law enforcement agencies to implement body worn camera, storage, and disclosure requirements. With the bill fully implemented, a new criminal courtroom was created allowing backlogged cases to be resolved in a timely manner. The requested budget will allow for additional staffing required to proactively address rising caseloads.

#### Arapahoe County New Courtroom - \$63,100 Ongoing

Budget includes funding for an additional prosecutor and a victim/witness specialist for the new the courtroom added in August 2023. The courtroom was created to handle advisements, bond hearings, and first appearances for County court level cases.

### **FACILITIES**

#### Water Softener / ZEOLITE Bed Replacement - \$3,500 One-Time and \$3,500 Offsetting Revenue

Every two years the Zeolite in the water softener system needs to be replaced to decrease the level of minerals in the hard water. This replacement will also protect pipes, fixtures, and commercial appliances from lime scaling damage. Budget includes offsetting revenues from the Justice Center Sales and Use Tax Fund.

#### Guardian Air Cell Replacement - \$6,500 One-Time and \$6,500 Offsetting Revenue

Budget is needed to replace the air purification cells within the ductwork of all the air handing units at the Justice Center. These cells have a two-year optimal life span, and failure to replace the cells will deplete the purification process of the air supply to the facility.

#### Helicopter Support Base Increase – move from six to eight months \$845,000 Ongoing

To be better prepared to mitigate the ongoing fire risk in Douglas County, an increase in the budget by \$845,000 will allow the emergency response team to be on-call and respond quickly to fires via helicopter within the County and surrounding areas. This increase will move the on-call contract from six to eight months, May through November.

### **INFORMATION TECHNOLOGY**

#### Technology Funding – WorkSMART - \$2,000,000 One-Time

The 2024 budget adds \$2M for the WorkSmart Initiative to include: Implementation of a Payroll and Human Resource Information System. The current system is highly customized and not supportable, resulting in high-costs and ad hoc solutions.

#### Technology Funding – Countywide Initiatives - \$1,000,000 One-Time

Additional budget of \$1M is needed to support a large portfolio of projects distributed across fifteen+ departments to include the critical functions of: Elections, Open Space, Parks, Public Safety, Administrative Services, Human Services, and the Public Health Department.

#### Technology Funding – District Attorney – 23<sup>rd</sup> Judicial - \$2,500,000 One-time

New budget of \$2.5M is needed to upgrade the infrastructure for roughly one-hundred new employees in the newly formed 23<sup>rd</sup> Judicial District. This includes such items as: LAN/Wan, Bandwidth, Wi-Fi, Storage, PC's/Peripherals etc. Additionally, District Attorney specific software is needed including Axon, Netmotion, website, Salesforce, etc.

### **OTHER GOVERNMENTAL SERVICES**

#### Juvenile Assessment Center Funding – \$555 Ongoing

The Juvenile Assessment Center works to improve the lives of juveniles by helping to strengthen and support children and families who are involved, or at risk of becoming involved with

the juvenile justice system. The contribution increased from \$108,015 to \$108, 570.

Denver Regional Council of Governments (DRCOG) Dues Increase – \$7,700 Ongoing

The budget includes funding for the DRCOG participation fee increase.

Colorado Counties, Inc. (CCI) – Dues Increase - \$1,945 Ongoing

The budget includes funding for the CCI Dues increase.

**SHERIFF**

Deputy Cadet Training Academy – 20 Attendees - \$1,160,800 One-Time

Budget is being allocated for deputy cadet training academy at the Highlands Ranch Law Enforcement Training Facility (HRLETF) for twenty attendees in 2024. Employees who meet selection criteria will spend approximately 880 hours attending training and become deputies at the conclusion of the five-month academy. By offering this growth opportunity to Douglas County employees, the Douglas County Sheriff's Office can retain quality personnel.

Additional Staffing – Inmate Medical - \$133,000 Ongoing and \$133,000 Offsetting Revenues

Budget includes the implementation of additional staffing by Wellpath at the Douglas County Detention Facility. The inmate population is continuing to present with medical and mental health illnesses, and current staffing levels are not able to keep up with demand.

Additional Inmate Medical CPI Inc. (4%) - \$157,700 Ongoing and \$157,700 Offsetting Revenues

To maintain the quality and standard of medical services provided to the inmates housed at the Douglas County Detention Center, the current vendor, Wellpath, is requesting a 4.0% CPI adjustment to help curb the current rate of inflation.

Inmate Meals CPI Increase - \$90,000 Ongoing and \$90,000 Offsetting Revenues

Budget includes a twelve-percent increase to Tiger Commissary for 2024. The proposed increase is based upon 457 meals served per meal service, including additional meals required for diabetic inmates.

Emergency Service Unit – 6 FTE Employees - \$822,000 Ongoing

The Douglas County Helitack Program was approved for six employees in 2022, to be completely funded by the American Rescue Plan Act through fiscal year 2023. This team serves the citizens of Douglas County in protecting lives and property when dealing with the ever-increasing wildfire problem. For 2024, additional funding is being allocated to keep this program fully operatable, allowing for “hard, heavy, fast” capability.

# Road & Bridge Fund

AS REQUIRED BY STATE LAW THIS FUND IS USED TO ACCOUNT FOR THE COSTS ASSOCIATED WITH THE CONSTRUCTION AND MAINTENANCE OF COUNTY ROADS AND BRIDGES. RESTRICTED REVENUE SOURCES INCLUDE PROPERTY TAXES AND HIGHWAY USER FEES. THE COUNTY MUST SHARE BACK WITH INCORPORATED MUNICIPALITIES ONE-HALF OF THE TAXES COLLECTED ON PROPERTIES WITHIN THE INCORPORATED AREAS.

Douglas County Government  
Road and Bridge Fund (Fund 200)

## ROAD AND BRIDGE FUND

\$24,475,000 One-Time; \$1,170,000 Ongoing

### PUBLIC WORKS OPERATIONS

#### Base Budget Increase – Aggregate Products - \$870,000 Ongoing

Douglas County currently maintains 298 centerline miles of gravel roadway and the average condition of this network of unpaved roads is declining. The adopted 2023 budget for gravel replacement only allows the addition of new gravel to a roadway once every 16 years. The proposed funding will increase this frequency to once every 8 years which is the industry standard.

#### Small Tracked Excavator - \$180,000 One-Time

Public Works Operations currently has three Small Tracked Excavators, utilized by Districts One, Three, and Special Projects. This one-time request for funding is for purchase of a mini excavator for the culvert replacement and repair program in District Two. Currently, a backlog of 1,366 service requests exists for repair and replacement of culverts throughout the County. Deferring work on this backlog leads to future extensive repair costs as deterioration increases the risk of failure and emergency road closures. With this equipment addition, culvert repair and replacement will be accelerated.

#### Single Axle Snowplow Truck - \$580,000 One-Time

Since 2011, the road network maintained by Douglas County has grown by 586 lane miles, an increase of roughly twenty-five percent. In 2024, the road network is expected to grow by an additional ten to twenty lane miles as roads and subdivisions currently under construction are turned over to the County for maintenance. This additional equipment will allow the Public

Works team to be proactive when dealing with future workloads as it pertains to snowplowing operations.

### TRAFFIC

#### New Vehicle – Construction Management - \$35,000 One-Time

An all-wheel drive vehicle (with off road capabilities) is needed to support construction management allowing staff to visit active construction sites throughout Douglas County.

#### On-Call Utility Location Services Program – \$80,000 One-Time

This request is for contracted on-call underground utility locating services associated with traffic signals, including fiber optic and power, will address after hours calls, providing leave coverage, and spikes in demand.

#### Increase to Base Budget Signal Installation & Enhancement - \$300,000 Ongoing

Additional budget is being requested to allow for an increase in annual costs to support and maintain traffic signal assets, to include installations, upgrades, and enhancements. This funding is critical to the operation and maintenance of the traffic signal system.

### CAPITAL IMPROVEMENT PROJECTS

#### Contracted Road Maintenance – \$17,000,000 One-Time

The budget includes funding to maintain infrastructure as well as reduce future maintenance costs throughout Douglas County. The maintenance includes the Annual Asphalt Overlay Project, Annual Sidewalk Repair and Curb Ramp Retrofit Project, as well as reconstruction projects for roadways in need of full replacement. The Department will use two performance measures (average condition and percent in fair or better condition) to maintain high average pavement conditions.

#### Emergency Storm Drainage – \$500,000 One-Time

Storm drainage systems move untreated waters into rivers or streams or other bodies of water and are essential to minimizing the risk of flooding or water backups. This also includes funding to complete repairs that have been identified as emergency drainage projects.

#### Stormwater Priority Projects - \$3,800,000 One-Time

Stormwater projects are designed to ensure the controlled flow and drainage of stormwaters flowing off construction sites. Additional funding is imperative for the County to meet its Municipal Separate Storm Sewer System (MS4) permit requirements, as well as protect properties from flooding. The Division of Engineering has identified several projects for 2024:

- Drainage pipe repair and replacement
- Roadside ditch reconstruction and erosion stabilization
- Rural pipe lining program (21 locations per year)
- Highlands Ranch pipe lining program
- Pinery drainage improvement program
- Partnering with Mile High Flood Control District on stream stabilization
- Annual maintenance of County Facilities detention/water quantity ponds
- Annual Grading Erosion Sediment Control (DESC) contractors to meet permit stabilization requirements
  - Declassification and repairs to existing Natural Resource Conservation Service (NRCS) dams that were constructed in early 1960s

#### School and Pedestrian Safety Projects – \$100,000 One-Time

School area and pedestrian safety projects are prioritized on a County-wide basis using safety as the most important criteria. Projects include minor roadway modifications to improve pedestrian safety such as enhanced pedestrian crossings, neck-

downs, traffic circulation changes near schools, complete missing sidewalk links, providing sidewalks at bus turn outs, and making improvements that will enhance the pedestrian and bicycle infrastructure network.

#### Traffic Signal Replacement – \$2,000,000 One-Time

The 2024 budget request will allow the County to replace traffic signals at major intersections that have structural deficiencies or do not meet current design standards. This may include the replacement of the individual traffic signal poles or an entire traffic signal. The County Line Road intersections of Colorado Boulevard, Holly Street, and Niagara Street have outdated span wire designs that would be brought up to current pole and mast arm design standards. At other locations, individual poles have suffered vehicle impacts or have various needs for improvement. Based on warranted signal locations and development requirements, the County adds between two and four new traffic signals annually.

#### Highlands Ranch Parkway – \$200,000 One-Time

This budget request includes the reconstruction of Highlands Ranch Parkway between Ridgeline and Burntwood. Funding will be used for design and development of a construction phasing plan to replace the existing pavement with minimum impacts to the traveling public. Construction is anticipated to occur 2025 thru 2027.

The background image shows the Douglas County Human Services Center, a modern building with large windows and a brick facade. A green semi-transparent overlay covers the left and center portions of the image. In the foreground, there is a parking lot with a blue handicapped parking symbol, a landscaped area with tall grasses, and a bronze sculpture of three children sitting on a log. A small plaque is visible at the base of the sculpture.

# Human Services Fund

AS REQUIRED BY STATE LAW, THIS FUND IS USED TO ACCOUNT FOR ALL FEDERAL AND STATE PUBLIC AID AND ASSISTANCE PROGRAMS ADMINISTERED BY THE COUNTY. RESTRICTED REVENUE SOURCES INCLUDE DESIGNATED PROPERTY TAXES AND INTERGOVERNMENTAL AGENCY GRANTS.

## LAW ENFORCEMENT AUTHORITY FUND

\$1,133,000 One-time; \$2,027,235 Ongoing and  
\$1,539,150 Off-setting Revenue

### Ballistic Shields – \$103,500 One-time

\$103,500 of new funding to purchase twelve ballistic shields to assist in the protection of commissioned staff in the performance of their law enforcement duties when encountering weapon attacks. Ballistic shields have a five-year rating from manufacture date, and current shields are expected to expire at the end of 2023. It is known that ballistic shields can highly mitigate lethal wounds as a shield would protect three of the top five fatal wound locations.

### Six (6) Patrol Deputies with three Vehicles - \$410,950 One-time and \$926,550 Ongoing and \$1,060,000 Offsetting Revenues

The budget includes funding for six additional Patrol deputies with vehicles for 2024. As the population continues to increase in Douglas County, the Calls for Service (CFS), continues to grow as well. Additionally, response times can be greatly improved by increasing the deputy staff within Areas of Operation (AOO); thus, this staff increase is vital to allow the DCSO to deliver the level of law enforcement that is necessary and required to keep citizens safe.

### Three (3) Patrol Deputies with two Vehicles - \$261,450 One-time; \$461,075 Ongoing and \$479,150 Offsetting Revenues

The budget includes funding for three additional Patrol deputies with two new vehicles for 2024, which will be dedicated to the city of Castle Pines. As the population continues to increase in Douglas County, the CFS continues to

grow as well. Additionally, response times can be greatly improved by increasing the deputy staff within AOO; thus, this staff increase is vital to allow the DCSO to deliver the level of law enforcement that is necessary and required to keep citizens safe.

### Two (2) Traffic Deputies with Vehicles - \$237,800 One-Time and \$307,000 Ongoing

Requesting two additional Traffic Deputies to meet the increased responsibilities and duties associated with increased vehicular traffic within Douglas County. One of the top concerns/issues from Douglas County residents pertains to roadway safety within the County. The traffic unit is responsible for all County traffic accidents that occur in Unincorporated Douglas County to include traffic enforcement.

### Traffic Sergeant with Vehicle, \$119,300 One-time and \$197,510 Ongoing

The budget includes increasing the Traffic Division by one Sergeant to meet the effective span of control needed by the Traffic Division out of safety concerns. It has been determined that appropriate span of control is five-seven members. Supervision responsibilities above this standard can compromise functionality of the team and its assigned directives and responsibilities.

### District 8 Utilities - \$12,600 Ongoing

District 8 is comprised of approximately 242 square miles, with approximately 1,169 residents being served by the DCSO. District 8 has 2 residential deputies that reside and perform law enforcement duties in this District. As part of the service and commitment to the citizens of this area, District 8 deputies live in homes that are provided/leased from Denver Water. Currently, deputies that are assigned and reside in

District 8 are responsible for utilities, including gas (propane) and electric. With the recent cost increases associated with both gas and electric, utility costs for the mountain homes have increased dramatically. This budgeted request will help offset the ongoing inflationary pressures not under the deputy's control.

FLOCK Camera System Monitoring - \$122,500 Ongoing

\$122,500 of additional budget is needed to enhance the total coverage of the FLOCK Camera System throughout the unincorporated portions of Douglas County. The Automatic License Plate Recognition (ALPR) cameras and Vehicle Fingerprint Program cameras are tools that provide safety to the community and assist law enforcement apprehension.

The DCSO entered a pilot program with 34-FLOCK cameras installed in various crime hotspots within unincorporated Douglas County. The annual cost per camera was \$2,500 each with a standard implementation cost at the time of \$250 per camera. The pilot program cost was \$93,500 in 2022 and was paid through ALPR camera savings and seizure funds. With the success of the pilot program, DCSO requested ongoing funding in 2023 for the original 34 cameras as well as funding for an additional 15 cameras, raising the total deployment to 49 cameras. This funding was approved; however, it was only approved as one-time; therefore, this request is being submitted again for ongoing funding as outlined below.

The ongoing cost for the 49-camera system is \$122,500 (\$2,500 annually per camera).

# School Safety Fund

THIS FUND IS USED TO ACCOUNT FOR EXPENDITURES ASSOCIATED WITH SCHOOL SAFETY AND MENTAL HEALTH SERVICES FOR YOUTH IN SCHOOLS WITHIN DOUGLAS COUNTY. ONGOING FUNDING IS PROVIDED THROUGH THE REALLOCATION OF A PORTION OF THE GENERAL FUND MILL LEVY.

Douglas County Government  
2024 School Safety Fund Recommended New Requests

Division	Request Description	One-time Amount	Ongoing Amount
27100	National Association of School Resource Officer (NASRO) Training		\$11,300
<b>School Safety Fund Total</b>		<b>\$0</b>	<b>\$11,300</b>

## SCHOOL SAFETY FUND

\$11,300 Ongoing

### National Association of School Resource Officer (NASRO) Training – \$11,300 Ongoing

\$11,300 of new funding is needed for mandated training between the Douglas County School District and the Douglas County Sheriff's Office. Adolescent mental health training for SRO's is designed to help identify and respond to students who are suspected of having a mental health need. Fifty officers will be attending this training session. The following topics will be covered:

- Enhancing the role of SRO's
- Adolescent development concepts
- Impacts of childhood experiences on development and behavior
- Behavioral health conditions between students and the family
- Crisis prevention, intervention, de-escalation, and communication techniques
- Strategies for applying intervention techniques
- Connection to resources

An aerial photograph of a road construction site. A large green rectangular overlay covers the left and center portions of the image. The background shows a multi-lane road under construction, with a dirt shoulder, a paved road, and a railroad track. There are some construction vehicles and materials visible on the right side of the road.

# Infrastructure Fund

THIS FUND IS USED TO ACCOUNT FOR FUNDING FOR INFRASTRUCTURE PROJECTS WITHIN THE COUNTY.

**Douglas County Government  
Infrastructure Fund (Fund 225)

# Road Sales & Use Tax Fund

AS REQUIRED BY STATE LAW, THIS FUND IS USED TO ACCOUNT FOR REVENUES DERIVED FROM THE 0.4% SALES AND USE TAX APPROVED BY VOTERS IN NOVEMBER 1995 AND EXTENDED BY VOTERS IN NOVEMBER 2007. MONIES ARE DESIGNATED FOR THE IMPROVEMENT AND MAINTENANCE OF COUNTY ROADS AND BRIDGES. THE FIVE WHOLLY INCORPORATED MUNICIPALITIES LOCATED WITHIN THE COUNTY RECEIVE A SHAREBACK OF THESE REVENUES IN ACCORDANCE WITH EXTENDED INTERGOVERNMENTAL AGREEMENTS.

## ROAD SALES AND USE TAX FUND

\$29,000,000 One-Time

### Relocate I-25 West Frontage Road - \$4,000,000 One-Time

The budget includes funding to advance construction starting in early 2024 on a portion of a new local road within unincorporated Douglas County. The addition will be located west of the Burlington Northern and Santa Fe Railway (BNSF) that runs along I-25. The new road will extend from the Bear Dance Drive / Tomah Road Intersection north to Territorial Road. Construction of the new road, also referred to as Dawson Trail Blvd, needs to occur before the proposed I-25 / Crystal Valley Interchange can be completed due to the proposed interchange requiring closures between the I-25 West Frontage Road between Tomah Road and Yucca Hills Road. This project will improve safety and mobility and will eliminate three at-grade railroad crossings.

### Hilltop Road (Legend High School to Alpine Drive) - \$2,500,000 One-Time

Additional one-time funding is needed to widen and reconstruct the segment of Hilltop Road between Legend High School and Alpine Drive. In 2024, dollars will allow the County to complete final design, right-of-way (ROW) acquisitions, and utility relocations in advance of construction. Road construction is anticipated to begin in 2025, and the project will take 18 to 20 months to complete.

### Dakan Road over West Plum Creek Bridge - \$200,000 One-Time

This funding request will be used for ROW acquisitions and utility relocations for Dakan Road over West Plum Creek Bridge. The project involves the replacement of the narrow, functionally

obsolete, and structurally deficient existing bridge. The planned new structure will conform to County design criteria that can pass a 100-year storm event.

### Happy Canyon Road / I-25 Interchange - \$1,000,000 One-Time

This funding is needed to advance the National Environmental Policy Act (NEPA) and preliminary design for the reconstruction of the I-25 / Happy Canyon Road Interchange. Douglas County Engineering is assisting the City of Castle Pines as they will managing the project through completion.

### Traffic Signal and Intelligent Transportation Upgrades - \$1,400,000 One-Time

This funding is needed to construct new traffic signals, improve, and maintain fiber communication network, and replace aging and outdated equipment. Maintaining a reliable traffic communication network is a key part of the core infrastructure which allows for advanced traffic signal systems. Traffic Engineering staff has identified multiple locations of non-redundant, venerable fiber optic segments, which, if cut, would sever the communication to various signalized corridors within the County. In 2019 and 2020 there was a big push to get traffic signals online and close these communication 'gaps', however, some remain. Additional funds are needed to close remaining gaps as well as to implement traffic signal and intelligent transportation system software.

### Traffic Engineering Studies - \$550,000 One-Time

The requested allocation is needed for the 2050 Transportation Master Plan (TMP) update. The most recent plan was completed in September 2019 and is updated about every 5 years. This plan defines a long-range vision for a robust transportation system in Douglas County. Consultant support is sought to help refine plan elements, engage the public and key stakeholders, update and

adjust priority projects, and position Douglas County for regional, state, and federal funding opportunities. Various traffic engineering studies, intersection enhancements, and warrant studies, will also be implemented with the additional funding. The Traffic Management Plan (TMP) allows for comprehensive evaluations of the existing network, congestion levels and physical conditions; projection of future demands based on growth and development trends; and specialized studies and efforts by the County's municipalities, the State and other regional agencies.

#### Traffic Hazard Elimination Projects - \$750,000 One-Time

This funding request is needed to make safety improvements throughout Douglas County. These funds will be used for design and construction of turn lanes, additional shoulders, install roundabouts, drainage improvements and other geometric improvements to existing substandard horizontal and/or vertical curves on County rural roadways. One of the top priority projects to be addressed is to improve the East Parker Road / Tomahawk Road Intersection.

#### Crystal Valley Interchange Reconstruction - \$17,000,000 One-Time

This funding request is needed to partner with the Town of Castle Rock to construct a new interchange at I-25 and Crystal Valley Parkway. The project will improve safety and mobility in the surrounding community and provide a key regional transportation link from I-25 to southern Castle Rock and Douglas County. The interchange includes construction of a bridge over I-25, north and southbound on and off-ramps, bridge over the BNSF railroad tracks, relocation of a segment of the East Frontage Road, and connection to the relocated West Frontage Road from Tomah Road to the new interchange.

#### US Hwy 85 Improvements (Highlands Ranch Pkwy to County Line Road - \$1,500,000 One-Time

This project will improve safety, mobility, and traffic operations by widening and reconstructing a segment of US Hwy 85 (South Santa Fe Drive) from Highlands Ranch Parkway, extending north of the C-470 Interchange to Dad Clark Gulch (which is located approximately 1,200 feet north of County Line Road). Major US Hwy 85 intersection improvements will occur at Highlands Ranch Parkway, Town Center Drive, Blakeland Drive, and the C-470 Interchange ramps and at County Line Road. Funding is needed to address conditions during construction, additional utility location and coordination, as well as account for unforeseen project costs related to utility delays.

#### Transportation Demand Management (TDM) Partnership Projects - \$100,000 One-Time

Funding is being requested to provide Transportation Demand Management (TDM) partnership projects with various municipalities and local metro districts within Douglas County. There is a renewed emphasis at the state and regional levels to reduce travel demand through various strategies. TDM will encompass a broad spectrum of strategies aimed at providing travelers choices in how, when, and if they travel. Funds set aside will provide the needed matching funds to partner and implement TDM strategies in the County. Projects and programs will be evaluated on an individual basis and will focus on providing travelers with effective choices to improve travel reliability.

The background image shows a construction site on a hillside. In the upper left, a dirt road winds up a hill covered with sparse green shrubs. A yellow excavator is visible on the hillside. In the lower right, a yellow bulldozer is working on a dirt area. A silver car is parked on a road in the foreground. The scene is set against a clear sky with some power lines visible.

# Transportation Infrastructure Sales and Use Tax Fund

AS REQUIRED BY STATE LAW, THIS FUND IS USED TO ACCOUNT FOR REVENUES DERIVED FROM THE 0.18% SALES AND USE TAX APPROVED BY VOTERS IN NOVEMBER 2019. MONIES ARE DESIGNATED FOR THE PURPOSE OF PROVIDING DIRECTLY OR INDIRECTLY TRANSPORTATION INFRASTRUCTURE AND NECESSARILY RELATED EXPENSES TO INCLUDE FOR THE ALLEVIATION OF TRAFFIC CONGESTION WHETHER OWNED AND MAINTAINED BY THE COUNTY IN WHOLE OR IN PART, BY ANOTHER ENTITY THAT SERVES THE RESIDENTS OF THE COUNTY.

## TRANSPORTATION INFRASTRUCTURE SALES AND USE TAX FUND

\$19,500,000 One-Time

### Lincoln Avenue – Jordan Road to Parker Road - \$9,000,000 One-Time

Budget is needed to partner with the Town of Parker to widen and improve access along Lincoln Avenue between Jordan Road and Parker Road (SH 83). The Town is managing this multi-modal transportation improvement project, which is anticipated to cost over \$20 million; construction is scheduled to begin in 2024.

### Safer Main Street – C-470 Trail over University Blvd - \$1,500,000 One-Time

Additional budget is required to advance safety and operational improvements for the C-470 Trail over University Blvd. In addition to construction, funds will be used for the redesign needed to avoid impacts to Denver Waters' major waterline easement, utility relocations, and right-of-way acquisitions. The objective of the project is to construct a bridge to carry bicyclists and pedestrians that utilize the C-470 Trail over University Blvd. The proposed bridge will replace the existing at-grade intersection configuration, which currently requires users to make four separate roadway crossings, thus improving safety and user experience on this regional multi-modal trail. The C-470 Trail is a Colorado Department of Transportation (CDOT) asset and will continue to be owned, operated, and maintained by CDOT including those elements constructed as part of this project.

### I-25 / Lincoln Avenue Interchange - \$1,000,000 One-Time

Budget includes funding to advance NEPA, preliminary and final design associated with improving Lincoln Avenue between Park Meadows Drive and Oswego Street. This request also proposes improvements at the I-25 Interchange. The project includes multi-modal, safety, and traffic operational improvements at the existing closely spaced intersections (at Havana Street and at the I-25 ramps). The County is assisting the City of Lone Tree who is managing this project. Construction is anticipated to occur in phases, with the first construction phase anticipated to begin in 2027.

### CDOT Bustang / Mobility Hub – Lone Tree - \$1,000,000 One-Time

New funding of \$1,000,000 is requested to partner with City of Lone Tree and CDOT to design and construct a "mobility hub" in Lone Tree for CDOT's Bustang. Mobility Hubs are transportation centers at select locations that emphasize multimodal options, seamless mode-to-mode transitions, real-time passenger information, passenger convenience, and opportunities to create transit-friendly development in surrounding areas. This transit improvement consists of constructing slip ramps along the I-25 northbound off-ramp and southbound on-ramp for use by Bustang transit services, as well as constructing a pedestrian bridge over I-25 to connect the two transit stops. Coordination between the I-25 Mobility Hub Project and the I-25/Lincoln Interchange Project (Advancing Lincoln Avenue) is essential to ensure compatibility between the two improvement projects.

### Crystal Valley Parkway / I-25 Interchange - Castle Rock- \$7,000,000 One-Time

The request is to partner with the Town of Castle Rock to construct a new interchange at I-25 and Crystal Valley Parkway. The project will improve safety and mobility in the surrounding community and provide a key regional transportation link from I-25 to southern Castle Rock and Douglas County. The interchange includes

construction of a bridge over I-25, north and southbound on- and off-ramps, a bridge over the BNSF railroad tracks, relocation of a segment of the East Frontage Road and connection to the relocated West Frontage Road from Tomah Road to the new interchange.

The background image shows the exterior of the Robert J. Christensen Justice Center. On the left, a brick building with the name "ROBERT J. CHRISTENSEN JUSTICE CENTER" is visible. In the center, two flagpoles stand with the American flag, the Colorado state flag, and a blue flag with a white emblem. The sky is blue with scattered white clouds. In the foreground, there is a green lawn and a paved walkway. A semi-transparent green rectangular overlay covers the middle portion of the image, containing the title and descriptive text.

# Justice Center Sales & Use Tax Fund

AS REQUIRED BY STATE LAW, THIS FUND IS USED TO ACCOUNT FOR REVENUES DERIVED FROM THE 0.25% SALES AND USE TAX APPROVED BY VOTERS IN NOVEMBER 1995, EXTENDED BY VOTERS IN NOVEMBER 2007, AND MODIFIED BY THE VOTERS IN 2019. MONIES ARE DESIGNATED FOR THE CONSTRUCTION, OPERATION AND MAINTENANCE OF THE COUNTY'S ROBERT J. CHRISTENSEN JUSTICE CENTER AND RELATED FACILITIES.

<b>Justice Center Sales and Use Tax Fund Total</b>			<b>\$4,212,537</b>	<b>\$380,700</b>

## JUSTICE CENTER SALES AND USE TAX FUND

\$4,212,537 One-Time; \$380,700 Ongoing

### Justice Center Fund Operating Transfer - \$10,000 One-Time; \$380,700 Ongoing

The budget includes an operating transfer from the Justice Center Sales and Use Tax Fund of \$390,700 to the General Fund to offset associated proposed funding items. The Justice Center Sales and Use Tax Fund receives revenue from the extension of the sales tax approved by the voters in November 2007. The one-time components of the associated requests directly relate to the functions designated in the Justice Center Fund ballot language.

### Motorized Scissor Lift - \$29,000 One-Time

Facilities maintenance staff is requesting to purchase a motorized scissor lift that will increase work effectiveness and efficiency at the Justice Center. The lift is compact in size, uses minimal floor space yet accesses heights that are currently difficult to reach and maintain.

## **Justice Center Security Improvements**

### Security Equipment – Camera Replacements \$132,000 One-Time

The budget includes \$132,000 one-time funding to replace cameras within the Justice Center facility to include the areas of booking, medical, contact visit, sally port, and K-pod. The current models are being discontinued, and once they fail, staff will no longer be able to make repairs. Camera replacement is needed to ensure monitoring of the jail, thus ensuring the safety and security of the officers and inmate population.

## **Interior Office Improvements**

### Carpet Replacement / Chair Replacement - \$100,000 One-Time

The budget includes \$91,500 to replace tattered, split, and fraying carpet in the Community Justice Services and Emergency Management offices. An additional \$8,500 is needed to replace twenty chairs in the DCSO conference room. The current chairs are worn and not conducive to the work being performed by staff utilizing the work area.

### Booking Office Remodel – Cubicle/Furniture Replacements - \$18,500 One-Time

The budget includes \$18,500 for the Bookings Unit to replace cubicles and purchase new / additional furniture. The current cubicles are not ergonomically accommodating or conducive for the work being performed by the Booking employees.

### Dispatch Services – Supervisor Furniture Replacements - \$14,500 One-Time

Budget includes \$14,500 to purchase new furniture in the Dispatch supervisor office. The current office does not have ergonomically sufficient furniture, and due to the emergency support work being performed, an updated room design is needed at this time.

### Detention Lobby Expansion - \$615,000 One-Time

The budget includes \$615,000 for the expansion of the DCSO lobby control area. The remodeling plan consists of enlarging the space to accommodate additional personnel, bullet-resistant protected surroundings, pass through drawers, electronic speakers, and Kevlar panels. The lobby control area has not been renovated since 1998.

### District Attorney Office Remodel - \$1,364,537 One-Time

\$1,364,537 of budget is being requested for the remodeling of unused space and furniture purchases for the newly established 23<sup>rd</sup> Judicial District coming to Douglas County in fiscal year 2025.

Remodeling of the existing space would accommodate the projected increase in on-site staff, additional management positions, and additional workspace that allows for future growth.

#### Records Division Expansion - \$389,000 One-Time

The budget includes \$389,000 for expansion of the service counter within the records division of the DCSO. The remodeling plans will increase employee efficiencies and allow for future growth while providing a better customer service experience for the citizens of Douglas County.

### **Internal Building Maintenance**

#### Liebert Building Automaton System Upgrade - \$12,500 One-Time

Additional budget is being requested to upgrade the current Liebert Building Automation System that is critical for the cooling of the 911 Dispatch and county server room in the Justice Center building. Currently, the units only have one alarm point that does not indicate critical parameters that allow staff to diagnose problems.

#### Jail Intercom System Replacement Parts - \$35,000 One-Time

The budget includes \$35,000 to purchase back-up inventory for the Harding intercom system within the Detentions unit at the Justice Center. Additional parts allow staff to complete repairs in a timely manner, thus ensuring safety and security of the officers and inmate population.

#### Uninterruptible Power Supply Replacement- Dispatch Services - \$17,000 One-Time

\$17,000 of additional funding is necessary to procure Uninterruptible Power Supply batteries for replacement in the 911 Dispatch unit. The batteries are to be replaced every 4 years and are scheduled for replacement to avoid any equipment damage and any interruptions to their operations.

#### Elevator Modernization - \$575,000 One-Time

Budget of \$575,000 is needed to upgrade elevators at the Justice Center. The elevators have been in service for eighteen years and the modernization comes with current technology, components, and software that will allow them to work according to industry standards.

#### Fire Panel Replacement at the Highlands Ranch Sheriff's Substation – One-Time \$4,500

The budget includes \$4,500 for additional fire panel radios at the Highlands Ranch Sheriff's Substation. This addition will allow the County to meet current National Fire Protection Association codes. The current phone lines are unstable and causing frequent communication issues.

### **External Building Maintenance**

#### Roof Replacement Phase IV- \$208,000 One-Time

The roof replacement at the Justice Center is expected to last eight years. The existing twenty-one-year-old roof is being replaced with modern roofing products, to prevent costly leaks.

#### Parking Lot Resurfacing - \$649,500 One-Time

The budget includes \$649,500 for the mill and overlay of the west main parking lot at the Justice Center. It has been over fifteen years since the last resurfacing and failure to install new asphalt will lead to increased maintenance costs due to deteriorating asphalt and potholes causing damage to public and County vehicles.

#### Parking Garage Wall Repairs - \$38,500 One-Time

Additional budget funding is needed to complete repairs on the garage walls located at the Justice Center. Due to the garage age, now twelve years old, the walls and joints have moved causing caulking to split. Failure to complete the needed repairs could result in continued deterioration of the concrete structure; thus, potentially causing safety concerns for staff.

# Rueter-Hess Recreational Area Fund

THIS FUND IS USED TO ACCOUNT FOR FUNDS RECEIVED AND DISBURSED IN SUPPORT OF OPERATING AND MANAGING THE REUTER-HESS RESERVOIR.

**Douglas County Government**  
**Rueter-Hess Recreation Area Fund (Fund 245)**

## PARKS AND OPEN SPACE SALES & USE TAX FUND

\$6,529,994 One-time; \$214,000 Ongoing

### HISTORIC RESOURCES

#### State Historical Grant Cash Match, Schweiger Ranch Foundation - \$14,144 One-Time

In 2004, the Schweiger Ranch received historic landmark status by Douglas County and has been seeking grants to oversee the restoration, preservation, and master vision of the Ranch. Over the course of several years, via grant funding, the Schweiger Ranch Foundation has restored and stabilized the house and silo, along with the chicken coop, loafing shed and corrals. In addition, in 2015 the Foundation began the restoration of the tractor Shed, cistern and improvement to the site grading. Restoration of the property was deemed complete in the Fall of 2016. Recently, the Schweiger Ranch Foundation was awarded grant funding by the State Historical Society for the fabrication and installation of interpretive signage at the Ranch. The Foundation has requested a cash match of \$14,144 from Douglas County to cover the cost of the grant matching.

#### Douglas County Interpretive Signage – Rock shelter – One-Time \$10,000

In August 2019, a rock shelter was identified on the Macanta Regional Park property. In June 2023, the County received grant funding from the State Historical Society for the excavation of the rock shelter, with work expected to be complete late 2023 or early 2024. The final request for funding on the project is for interpretive signage along

the trails near the site to honor the tribes who have inhabited the area.

#### Evans Homestead - \$350,000 - One-Time

In 1873, Thomas N. Evans filed a Homestead Application for a 160-acre parcel of land where this house is located. After he filed his homestead application, he constructed a one-story frame house and took up permanent residency with his family and began making improvements, which included a cellar, stable, corrals, cultivated fields, and irrigation ditches. Evans was officially granted a Homestead Patent on February 23, 1883. On April 25, 2012, the Evans Homestead was listed on the National Register of Historic Places. The nominated homestead consists of buildings, structures, sites, and objects typical of ranching and homesteading on the eastern plains of Colorado. The earliest contributing structure dates from circa 1873, and the latest from 1960.

The County is currently self-funding approximately \$400,000 of work to stabilize the foundation, rebuild interior walls and floors, and add lightning protection to the structure. The budget request of \$350,000 will focus on all exterior siding, doors, and windows. This work will restore the exterior of the structure back to its original character.

#### Miksch-Helmer Cabin – \$62,500 - One-Time

Since 2014, the County has invested in the stabilization and restoration of this property. In 2018 the County was awarded a \$131,035 State Historical grant to focus on the replacement of the severely deteriorated sill logs, foundation restoration, and structural stabilization. The County self-funded site grading and the construction of a retaining wall to protect the structure from future erosion.

The 2024 requested funds of \$62,500 will be used to continue restoration work on the cabin including window and door

restoration, re-creation of the historic porch, siding repair and stabilization of the interior floor so that it is safe for public use.

#### Bayou Gulch Assessment - \$1,500 - One-Time

In 1977, staff from CDOT discovered artifacts at the Bayou Gulch Open Space site while surveying the northern part of the Palmer Divide in Douglas County. The artifacts date from 7,500 to 150 years old and the State considers this site “one of Colorado’s most remarkable archaeological finds.” The discovery led to extensive excavations in 1979 that produced 100,000 artifacts including projectile points, tools, ceramic sherds, and earth ovens.

The site remains in its original location where cultural materials were deposited over the course of about 10,000 years of prehistory. Reevaluation of the site in 2013 determined that Bayou Gulch retains significant subsurface cultural deposits and could contribute significantly to the interpretation prehistory.

The 2024 requested funds will help complete site evaluation and testing to understand the integrity of the site. Staff plans to apply for a Non-Competitive Archaeological Assessment grant in 2024 and the project could cost the County as little as \$1,500 for the cash match.

#### William Converse Ranch Chicken Coop Restoration - \$150,000 One-Time

The William Converse Ranch is significant for its association with early agriculture and ranching in Douglas County. The ranch was owned and operated by the Converse family from 1884 to 1951. The ranch includes two houses, a chicken coop, granary, and pump house. It is adjacent to a trailhead making it a highly visible and active historic resource.

Currently, the County is under contract to complete construction drawings to stabilize and restore the chicken coop. This current

funding request will implement the work recommended in those construction documents that are to be delivered in Summer 2024.

#### Lightning Protection Installation of Six Sites – \$36,000 One-Time

After the loss of a historic barn at the Greenland Townsite due to lightning, lightning protection rods will be added to several structures to reduce the risk of being struck by lightning. The structures included in the project are Miksch-Helmer Cabin, Columbine Open Space Barn, Spring Valley School Site, William Converse Ranch House, Greenland Post Office, and Crull Hammond Cabin.

#### Exterior Paint and Siding Replacement - \$85,000 One-Time

After extended heavy rains in the area, several structures are beginning to show exterior wear and damage from the elements. To prevent further deterioration and potentially more extensive damage, some County structures need to be painted and rotted siding replaced. The structures included in the project are William Converse Ranch House, Spring Valley School, and Greenland Post Office.

#### Spring Valley School Stabilization - \$500,000 One-Time

The Spring Valley School’s historical significance is on the national, state, and local level. In 1978, the United States Department of the Interior listed the school on the National Register of Historic Places based on the following criteria: its association with educational development in Douglas County, Colorado; its role as a local community center; its position as a rural landmark; and its vernacular architecture.

In 2008, the Board of County Commissioners listed the school as a Douglas County Landmark. The property was nominated based on the following six criteria: agricultural, architecture, education, exploration and settlement, social history, and transportation.

The County conducted a Historic Structure Assessment of the Spring Valley School property in 2013, which identified necessary improvements to the structures on site. Since that time, the County has invested in improvements to the structures, including the schoolhouse, coal shed, stable, and outhouse. Previous restoration work included restoration and stabilization of the coal shed roof, floor frame, and foundation. It also included stabilization of the stable foundation and restoration of the stable siding. During the project, additional structural restoration needs were identified and completed for the stable roof, the outhouse, and the schoolhouse roof.

The current budget request will include foundation work, exterior work, and removal of the second floor to restore the interior to a one-story schoolhouse. The project will also stabilize the schoolhouse to the extent that it may be used for public programming needs.

#### Columbine Open Space Barn Restoration - \$154,850 One-Time

Columbine Open Space was once a historic ranch and was purchased by the County in 1997. The property contains 390 acres of Conservation Easement and 321 acres of County owned property. The property includes a barn, creamery, outhouse, and a residence that was demolished in 1999. The site also has 150 acres, trail and trail head, public restrooms, and a picnic shelter.

This current budget request of \$154,850 will address restoration needs on the barn, including rebuilding the gables and window frames, restoring sliding barn doors, and increasing site security to prevent vandalism.

#### Contracted Services for Repository - \$75,000 - One-Time

Over the last six years, the Historic Resources program has demonstrated a level of success that has outpaced the capacity of the Curator. Essentially, the program consists of two major categories:

historic resources and properties maintenance and Repository asset management. The workload related to either one category has grown to a level where the Curator must focus on one at the neglect of the other. Over the past two years, work has either focused on the Repository or property maintenance of historic structures in the County, which means priorities in either area is deferred from year to year. Therefore, staff proposes the addition of contracted professional services to support these needs.

### **OPEN SPACE**

#### Vehicle Replacements - \$210,000 – One-Time

Two vehicles are scheduled to be replaced in fiscal 2024. The cost to purchase two F350 trucks is \$140,000, with an estimated upfit cost of \$70,000. Total vehicle replacement is \$210,000.

#### Forest Management - \$350,000 - One-Time

The budget includes funding to secure a contractor to treat strategic forested areas and conduct wildfire mitigation activities on county-owned land. This would include brush mastication, mowing to maintain our previously treated areas, and smaller mitigation projects. Privatizing these services is the most efficient and effective method of completion. This maintenance is necessary to keep up with wildfire mitigation and allows DC to quickly deal with hazardous trees and pest outbreaks.

#### Two (2) Full-Time Rangers - \$214,000 - Ongoing

The budget includes funding for two full-time Land Management Specialists/Rangers at \$214,000 combined for the year. Over the years the increasing quantity of trails and trailheads have led to the need for additional resources to ensure these areas are properly managed. The Open Space and Natural Resource Rangers are tasked with ensuring open space properties are properly maintained and

regulated. Vandalism and users who do not follow rules and regulations continue to be an issue for other responsible open space users. These positions will help ensure the safety and security of County resources.

#### Seasonal Rangers and Natural Resource Specialists - \$136,000 – One-Time

The budget request is necessary to support the Open Space and Natural Resource program. Open Space needs help with keeping pace with increased wear and tear on properties due to factors such as extreme weather, increased use, and natural deterioration. Adding seasonal positions will help provide safety and security to our visitors. Over the years staff has seen a continued increase in complaints regarding dogs off leash, negative interactions between users, and an increase of vandalism and theft to vehicles on our properties. These positions will be used to enforce the rules and regulations and will help provide the safety and security our users expect.

#### E-Bikes - \$20,000 - One-Time

The budget includes one-time funding for the purchase three E-Bikes to continue to build relationships with trail users while promoting compatible, safe and an enjoyable passive recreational experience. An e-bike is a great tool for positively interacting with the community, and it is also very effective for patrolling Open Space trails. E-bikes would allow DC to cover much more ground than with a traditional bicycle, and rapidly respond to emergencies. The additional power provided by the e-bike would allow a Ranger to cover more trail without fatigue.

#### Transportation Rental – Natural Resources Education Field Trips - \$6,000 One-Time

The budget includes one-time funding to ensure that students can access Open Space properties. DC will partner with 10 school classes in 2024 to provide transportation, valued at \$600 per bus, so that

students may learn about and experience stewardship of native landscapes, waterways, agricultural operations, geological features, wildlife habitats, and other natural and cultural resources that Douglas County has preserved. Most Douglas County schools no longer provide transportation for field trips, so students are losing the ability to develop connections to the natural world as well as the understanding and ethics that make them care for the land.

#### Accessibility Improvements - \$50,000 - One-Time

The budget includes one-time funding for upgrades to 2 trailheads, with improvements to parking and amenity access. Improvements include two van accessible concrete parking spaces and a concrete path to restrooms, trash, and picnic facilities (where applicable). Open Space will partner with Public Works Operations (and their contractor) to complete the work, which will save the County significant money.

#### Sandstone Phase II – Sandstone Ranch - \$50,000 - One-Time

The budget includes one-time funding for Phase II Sandstone trail expansion which will cover about five miles of new trails located in the silica mine area. There are several pre-construction steps that need to be taken, including: forest management to address public safety issues concerning hazardous fuels reduction as well as forest health and wildlife habitat improvements, Cultural and Natural resource study that is a mandated process for permitting prior to construction, informs management decisions for historic preservation and trail location, Trail alignment and flagging to identify trail route to maximize trail safety and sustainability.

#### Astronomical Observatory – Sandstone Ranch - \$100,000 One-Time

One-Time funding in being requested for planning and phase II construction of an astronomical observatory. Three research quality telescopes have been donated to Douglas County valued between \$20,000 to \$25,000. This funding will provide a structure to house

them so volunteers can treat guests to views of cosmological objects in the dark sky environment that Sandstone Ranch offers. The Denver Astronomical Society has already donated at least 800 volunteer hours to date and will continue to complete a major portion of the technical work, training, and volunteering through the life of the project.

## **PARKS**

### Other Professional Services - \$800,000 - One-Time

Budget request for \$800,000 is for contracted professional services to enhance public safety, build partnerships, ensure high-quality services, efficiently use taxpayer dollars, and effectively maintain existing resources.

Funds will be used for miscellaneous landscaping architectural services, engineering services, electrical services, arborist services, open space/native area mowing, concrete replacement, fencing (wood and wire) replacement, fishery management at Bingham Lake and Douglas County Sheriff's Office off-duty patrol. All services are contracted through a preferred vendor list that is bid out on a regular basis through the Douglas County Purchasing Division.

Many of these services speak directly to public safety, such as arborist services, concrete replacement, fencing replacement, and off-duty patrol. Also, these services are large in scope and require specialized equipment purchases and training. Partnering with contracted professionals ensures that these resources are managed efficiently and economically.

### Park Maintenance and Repairs - \$172,000 – One-Time

Budget request includes enhancements to public safety, to ensure high-quality services, efficiently use taxpayer dollars, and effectively maintain existing resources. The materials in this request are essential to the safety and extended life of existing County assets, and include class 6 road base, infill rubber for synthetic fields, fencing, irrigation, mulching, etc. Funding this request ensures that staff can access the materials needed to effectively maintain all areas within our parks and trails system. These materials are essential to creating a safe and enjoyable environment for all users.

### Parks Admin – Non-Capital / Capital Equipment - \$157,000 One-Time

Budget includes \$145,000 for replacement of existing capital equipment that has met its useful life. Items include two 72" Mower/Snowplows with cabs, one 60" Zero Turn Mower, and one Ballfield Groomer. Non-capital assets totaling \$12,000 requested to be replaced include six turf trimmers, six blowers, two power brooms, and three turf edgers. Funding this request will enable County staff to perform their maintenance duties more efficiently, safely, and to a high standard

### Parks Admin – Trail Surfacing, Bluffs Regional Park - \$450,000 One-Time

\$450,000 one-time funding is being requested for resurfacing and correcting drainage issues to one mile of a 10-foot-wide soft surface trail at Bluffs Regional Park. This request includes design and engineering services. On an annual basis, Park Staff has spent 300 hours and \$19,000 on maintaining the Bluffs trail to provide a safe surface for trail users. Trail grading accounts for 150 hours of this time. This time and money have provided temporary repairs to address safety concerns following damage caused to the trail after

heavy use and rainfall. It is anticipated that funding this request would decrease staff time to 90 hours. This is the second section of the trail to be repaired, and a third section is planned for 2025.

Bluffs is a very popular trail used by the public (equestrians, pedestrians, and cyclists), organizations holding races and exercise camps, and cross-county training by local high schools. As the busiest trail circuit in our system, it averages 500 users per day and is a hiking destination for people throughout the Denver Metro area. Bluffs is also part of the East-West trail system, providing connectivity from Highlands Ranch to Parker. Funding this project will address drainage concerns that cause unsafe conditions on this section of trail and decrease the amount of staff time and materials used to temporarily repair this section of trail. This investment will help the County maintain an existing asset to high-quality standards and reduce future costs, making the most of taxpayer dollars.

#### Synthetic Turf Rejuvenation - \$58,000 One-Time

Budget of \$58,000 for synthetic turf rejuvenation. This process cleans the fields infill, adds additional infill to level the entire playing surface, and helps stand turf fibers up, creating a safe playing surface for users, extending the life of the turf, and preventing the need to replace the field entirely. This project will include Fairgrounds Regional Park fields 5,6 & 7 and Bayou Gulch Regional Park Fields 1 & 2, a total of 8.73 acres. A synthetic turf multipurpose field typically experiences 2,680 hours of use between practices and games and an estimated 1,439,360 people annually between players and spectators. In addition, these fields experience hundreds of untracked hours of drop-in use from the community for recreation. Benefits of synthetic turf fields include their ability to handle this amount of play, playability during and immediately after inclement weather, and maintenance savings, including no irrigation costs. A

synthetic turf field's life span is normally 8 -10 years, which can be achieved with grooming of the fibers and removal of trash and debris that accumulate. Funding this request ensures that the safety of these fields is enhanced, their lifespan is extended, and users continue to experience high-quality fields at Douglas County Parks.

#### Ballfield Infield Renovation - \$150,000 One-Time

\$150,000 in budget is being requested for DuPont and Whispering Pines Park. Over time with the strong winds that occur during the year, the infield material on baseball diamonds blows away. Additionally, the aggregate material breaks down through the regular usage of the field, leaving behind a material that is unsafe for play. The powdery material left behind does not promote proper drainage leading to more rain closures. Maintenance costs and staff time will be substantially less, with an improved playing surface as well. Through the process of material replacement, the surface will be safe for play and extend the usability of the fields by improving drainage. Dupont infield would receive 225 tons of infield material and Whispering Pines would receive 230 tons of infield mix. Both fields would be laser graded to ensure the proper drainage and interface with the outfield grass.

#### Parking Lot Maintenance - \$200,000 – One-time

Budget includes \$200,000 towards parking lot maintenance. Parks partners with Douglas County Engineering to piggyback on their annual street maintenance contracts for asphalt and concrete repairs. Engineering Inspectors evaluate our parking lots and internal roadways for maintenance needs to extend the useful life of our parking lots and sidewalks, eliminating any potential safety concerns with these improvements. County Engineering Staff coordinates all maintenance tasks with their designated contractors. Utilizing this

partnership allows us to access bulk pricing, save staff time and money, and have safe and accessible parking lots and sidewalks.

#### Drinking Fountains - \$17,000 – One-Time

\$17,000 of new budget is needed at Bayou Gulch Regional Park and Highland Heritage Regional Park. Drinking fountains at Bayou Gulch and Highland Heritage need to be replaced and would be upgraded to include a water bottle filling station as well as a drinking fountain. Bayou Gulch would have one drinking fountain replaced, and Highland Heritage would have two replaced. Both Bayou Gulch and Highland Heritage are highly used parks hosting sporting events, exercise camps, and group gatherings in the shelters as well as normal community use of playgrounds and the park grounds in general. In 2023, for Highland Heritage, there are 540 field reservations between fields B, C, and D and shelter E, while Bayou Gulch has 543 reservations between the athletic spaces and shelter reservations. With the activity in the parks, providing a drinking fountain for park users is important to the overall enjoyment of the user. The bottle-filling feature also provides more access to those with disabilities who may not be able to use a traditional fountain. Investment in these three drinking fountains will provide safe drinking water for our many park users and provide easier access to those who cannot or do not wish to use a traditional fountain.

#### Fence Replacement - \$55,000 – One-Time

New budget of \$55,000 is being requested to replace 1,800 linear feet of fence and gates at Fairgrounds Regional Park dog off-leash active area (Fairgrounds). The dog park at Fairgrounds is unique. The interior of the off-leash area is manicured bluegrass turf, whereas most dog parks in the metro area are dirt or native areas. Providing turf over dirt enhances the experience of our dog park users, both 2-

legged and 4-legged. The lack of dust and mud make this dog park a highly used area with approximately 200 people and 300 dogs daily. The high volume of use and constant maintenance on and around the fence line has led to the fence being in disrepair. This fence is over 20 years old and is essential in containing the dogs within the off-leash area and providing a safe experience for all park users.

#### Picnic Table Replacements - \$16,000 – One-Time

New budget of \$16,000 is being requested for Challenger Regional Park. The picnic tables located in the shelters at Challenger need replacement. After approximately 15 years of use, the tables are structurally sound; however, the vinyl coating on the tabletops and seating benches is in poor condition, with areas in which it has peeled off or has been scratched off, leading to rusting and abrasive areas, which can scratch the user. While replacing these tables, this is an opportunity to upgrade tables to wheelchair-accessible tables. These shelters are reserved for birthdays, graduations and end-of-the-year parties, family and company gatherings and are also used as a shade structure for spectators watching sports in the athletic space nearby. Replacement of 15 tables in these shelters would provide an opportunity to install new tables that are wheelchair accessible while also addressing concerns with the deteriorated condition of the plastic coating on the tabletops and seating benches of the old tables.

#### Playground Replacement Outreach - \$300,000 One-Time

Budget Includes \$300,000 for playground structures throughout the County. This request will allow staff to make an informed decision on the future replacement of the fourteen playground structures within parks, with future budget requests totaling \$5,250,000 over the next 6 years. The efforts of collecting input from the community and data

will enable staff to actively pursue grant money as well as partnerships with businesses in the community.

#### Tree Replacement - \$150,000 One-Time

New budget of \$150,000 is needed to replace trees throughout the parks and trails system of Douglas County. For the past five years, we have experienced various challenging weather conditions, and an estimated 300 trees have been lost during this time. This number would be higher if winter watering was not implemented. Winter watering has been carried out by Parks Staff and through contracted services. Staff will plant 150 two-inch caliper trees annually for the next nine years, a total of 1,350 trees. Many of these trees can be planted during our volunteer events, like the one at Bayou Gulch Regional Park on October 22, 2022. This is a great opportunity to engage in partnerships with residents, schools, corporations, and faith-based communities across the County. Trees add beauty and are an essential natural resource to parks everywhere. Funding this request ensures that Douglas County parks are adequately populated with healthy trees.

#### Macanta Regional Park - \$1,400,000 – One-Time

\$1,400,000 of additional funding will be used towards the construction of Macanta Regional Park. Macanta Regional Park is located roughly one mile south of the intersection of Crowfoot Valley Road and Pradera Parkway. The project will begin in 2023 with Phase 1 and continue through 2025 to include approximately 12 miles of trail, three sets of challenge stairs, and a trailhead with parking for cars and trailers, shelters, and restrooms. The master plan calls for 5.9 miles of multiuse trail to be installed at 8-foot-wide with a \$265,232 cost per mile which includes earthwork, erosion and sediment control, seeding & mulching, trail signage, retaining walls

concrete low water crossing and steel pedestrian foot bridge. The 6 miles of single-track trail installed at a four foot-width with a \$31,500 cost per mile. The 464-acre property was conveyed to Douglas County in 2007 through the development process and dedicated as parkland. With the Macanta neighborhood to the southwest, Cobblestone Ranch to the southeast, and Pradera to the East, Macanta Regional Park will provide trail connections for all neighborhoods. This project will also expand connectivity between Parker and Castle Rock. Due to its geographical position between the two towns, it is anticipated that Macanta Regional Park will be immensely popular and immediately see frequent use by equestrians, pedestrians, and cyclists alike. The property is also home to important historic and cultural resources, and this request will help protect these valuable resources.

#### High Line Canal Conservancy (HLCC) - \$10,000 – One-Time

Budget includes a \$10,000 contribution to the High Line Canal Conservancy (HLCC) for operations and tree maintenance. The High Line Canal is a historic 71-mile regional trail across 11 jurisdictions throughout the Denver Metro area, spanning from Roxborough to Green Valley Ranch. Partnership with the HLCC is vital as the canal transitions away from its original use as a water delivery system to recreational uses along the trail corridor. The High Line Canal no longer operates as a water delivery system, and the numerous cottonwood trees along the canal that are 75-100 years old have lost their main water source and are also towards the end of their natural life. These trees frequently grow over the trail and are highly susceptible to branch and trunk falls, creating a public safety issue

#### Seasonal Parks Staffing - \$234,000 One-Time

This request is for 25 3-month Seasonal Parks Technicians for the 2024 summer season. The seasonal staff's support during the busy

summer months is instrumental in providing the help needed to maintain the County parks, trails and building grounds. The consequences of not funding this request will affect the district staff most as they will be taking on additional duties to meet BCC goals and objectives

# Parks Sales & Use Tax Fund

AS REQUIRED BY STATE LAW THIS FUND IS USED TO ACCOUNT 0.20% OF SALES AND USE TAX FOR REVENUES DERIVED FROM THE 0.17% OPEN SPACE SALES AND USE TAX APPROVED BY VOTERS IN NOVEMBER 1994 AND EXTENDED BY VOTERS IN NOVEMBER 2000. MONIES ARE DESIGNATED FOR DEVELOPMENT, AND MAINTENANCE OF PUBLIC TRAIL SYSTEMS, PARKS RECREATIONAL FACILITIES. VOTERS APPROVED EXTENDING THE 0.17% OPEN SPACE SALES AND USE TAX IN NOVEMBER 2022, GOING FORWARD ALL PORTIONS OF THE SALES AND USE TAX INCLUDING PARKS IS ACCOUNTED FOR IN THE PARKS AND OPEN SPACE SALES AND USE TAX FUND.

**Macanta Regional Park - Construction Design and Engineering Services - \$1,300,000 One-Time**

Construction on Macanta Regional Park is a multi-year capital improvement project. Macanta is located roughly one mile south of the intersections of Crowfoot Valley Road and Pradera Parkway. The project began in 2023 and will continue through 2025 to include approximately twelve miles of trail, three sets of challenge stairs, and a trailhead with parking for cars and trailers, shelters and restrooms.

A photograph of a modern train station platform. A light-colored train is stopped at the platform. Above the platform is a large, curved, metallic roof structure. The sky is blue with some clouds. A person is visible on the platform. A signpost with a yellow sign is on the right. A worker in a high-visibility vest is near the train. A sign with a stylized 'W' logo is on the right. The text 'Lincoln Station Sales Tax Street Improvement Fund' is overlaid on the image.

# Lincoln Station Sales Tax Street Improvement Fund

THIS FUND IS USED TO ACCOUNT FOR THE REVENUES DERIVED FROM A SALES TAX LEVIED IN THE LINCOLN STATION LOCAL IMPROVEMENT DISTRICT. ALL REVENUES ARE COLLECTED TO HELP DEFRAY COSTS ASSOCIATED WITH THE CONSTRUCTION/DESIGN, AND MAINTENANCE OF PUBLIC IMPROVEMENTS WITHIN THE LOCAL IMPROVEMENT DISTRICT.

**Douglas County Government**  
**Lincoln Station Sales Tax Street Improvement Fund (Fund 265)**

Capital Expenditures Fund Total			\$1,653,200	\$0

## CAPITAL EXPENDITURES FUND

\$1,653,200 One-Time

### **Building Maintenance**

#### Wilcox Building Security Component Replacements - \$26,500 One-Time

The budget includes \$26,500 for security system component replacements for all county buildings. Request allows the County to keep parts in stock to address any immediate needs for replacement or repair. Additional budget would address the County buildings at risk of doors not locking and card readers and cameras not working.

#### Floor Covering Replacements - \$40,000 One-Time

\$40,000 of budget is needed at this time to allow the County to maintain the quality of the floors, as well as prolong the life of the floors. This maintenance is needed to prevent unsafe surfaces and more costly replacements.

#### Door Hardware Replacements - \$15,000 One-Time

The budget includes \$15,000 for door hardware replacements due to annual wear and tear. This request includes closers, lock sets, cylinder cores, sweeps, and key blanks. These replacements are needed to provide safety to County buildings and prevent vandalism.

#### Health Department Alarm System Replacement - \$5,500 One-Time

Additional budget in the amount of \$5,500 is needed for alarm system replacements for the Health Department Castle Rock

location. The current alarm system is a discontinued model that becomes unrepairable once broken. Failure to replace these alarm systems would leave the facility unsafe.

#### Air Purification Cells within Ductwork Replacement - \$7,700 One-Time

The Budget includes \$7,700 to replace air purification cells within the ductwork of all air handling and rooftop units in fourteen Douglas County locations. These cells have a two-year optimal lifecycle and must be replaced bi-yearly. Failure to replace these cells will deplete the purification process of the air supply to facilities.

#### Furniture and Equipment Replacement & Ergonomic Chairs - \$95,000 One-Time

\$95,000 annual request to replace furniture and equipment in county facilities as needed throughout the year. This expense includes ergonomic furniture and supplies which will allow Facilities to address requests on an “as-needed” basis. Requests includes desks, chairs, chair mats, keyboard trays, bookcases, files, tables, and other miscellaneous office and staff needs.

#### Public Works Operations Camera and Accessories Replacement - \$65,000 One-Time

Funding requested includes \$65,000 to replace all H3 and H4 cameras and access control panels for facilities in Douglas County. The current cameras and access control panels are discontinued models and cannot be repaired once they fail. Replacing them is necessary for monitoring and securing safety for staff and public.

Park Meadows Center Elevator Door Replacement - \$20,000 One-Time

The budget includes \$20,000 to replace the current elevator door operators in the Park Meadows Center. The current doors have passed their service life and the wear and tear has resulted in an increased chance of staff or public being trapped inside the elevator.

Health and Human Services Security Component Upgrades - \$45,000 One-Time

The new funding request includes \$45,000 to replace all outdated interior cameras and access control panels at the Health and Human Services location. The current cameras and access control panels are discontinued models and cannot be repaired once they fail. Replacing them is necessary for monitoring and securing safety for staff and public.

Fire Panel Replacements - \$22,000 One-Time

The budget includes funds to replace existing outdated fire panel for various facilities in the county. There have been several issues with the existing panel and this replacement is necessary to prevent any safety issues.

**Exterior Building Maintenance**

Philip S. Miller Uninterruptible Power Supply (UPS) Battery Replacements - \$10,000 One-Time

\$10,000 of additional funding is necessary to procure Uninterruptible Power Supply (UPS) batteries for replacement on the PSM 1<sup>st</sup> floor. The batteries are to be replaced every 4 years

and are scheduled for replacement to avoid any equipment damage and any interruptions to their operations.

Philip S. Miller Garage Fire Panel Replacement – \$11,000 One-Time

The budget includes \$11,000 to replace the existing fire panel for the PSM parking garage. The existing panel is outdated by ten-fifteen years. Not replacing with up-to-date technology could cause life and safety issues.

Philip S. Miller Exterior Camera Replacements – \$35,000 One-Time

The budget includes \$35,000 to replace all exterior H3 and H4 cameras at the Miller Building. The exterior cameras are discontinued models and cannot be repaired once broken. These replacements are to provide continued monitoring of the safety and security of staff and the public.

Wilcox Building Roof Improvements - \$45,000 One-Time

Additional funding of \$45,000 is needed for continued maintenance and improvements to the roof on the Wilcox Building. A portion of the roof was coated at the end of 2022 with the rest of the roof remaining uncoated. If left uncoated this could lead to major water damage to the building and its assets.

Sedalia Yard Roof Replacement – \$7,000 One-Time

The budget includes \$7,000 to replace the asphalt shingles at Sedalia Yard. Due to exceeded lifespan and damaged sections from weather, failure to replace would lead to water damage and loss of county assets.

Parking Lot Maintenance – County-Wide – \$164,000 One-Time

The budget includes \$164,000 for parking lot maintenance for various County facilities. Work includes asphalt maintenance and repairs at Park Meadows, PSM, Wilcox, Traffic Services, and the Facilities Maintenance lot. Annual maintenance is needed to prevent more expensive repairs in the future.

Exterior Building Maintenance – Windows, Paint, Sidewalks Roof, etc. \$35,000 One-Time

The budget includes \$35,000 for the exterior maintenance of all County buildings. This includes roof repairs, exterior painting, sidewalk repairs, window replacement, cleaning & maintenance, and repairs at all outdoor break areas.

Elections Building Roof Improvements - \$84,000 One-Time

\$84,000 of additional budget is being requested to coat the roof of the elections warehouse. The current roof's coating has started to fail in several areas and a new coat is necessary to protect documents and equipment used in the election process.

**Fleet**

Fuel Site Management Software – \$95,000 One-Time

The budget includes \$95,000 to replace the current fuel site management software, Inform, with Insite 360. Inform is no longer supported by the current system Veeder-Root, and if it fails there is no way to support it. This replacement prevents the possibility of unplanned shutdowns at local or county wide fueling shops.

Heavy Duty Mobile Lifts – \$120,000 One-Time

The budget includes \$120,000 to replace four Hetra heavy-duty mobile column lifts. The existing lifts have passed their maximum

lifespan and have the potential of high-risk operations to the technicians working them. The new lifts will provide technicians with safety and increased efficiency.

Garage Door Panel Replacement – \$9,000 One-Time

Funding of \$9,000 is needed to replace garage door panels with frosted glass options. The new garage doors will allow more daylight to pass through, which would allow mechanics to have increased visual awareness. Additionally, with this replacement, personnel will have increased efficiency and safety in their work environment.

**Fairgrounds Facilities Maintenance and Improvements**

Fairgrounds Exterior Building Maintenance – \$21,000 One-Time

The budget includes \$21,000 for repairs on the exterior of buildings at the fairgrounds. These repairs include sealing retaining walls, priming, and repainting handrails, and sealing joints between buildings and concrete walkways. These repairs and improvements will prevent further deterioration of facilities; thus, preventing accidental injuries, damage or loss of assets, more costly repairs in the future.

Fairgrounds Furniture and Equipment Replacement – \$8,000 One-Time

Additional budget of \$8,000 is needed to replace furniture and equipment at Fairgrounds facilities. This includes replacing chairs, tables, pipes, livestock pens, and gates. Replacing these will prevent inventory shortage for event holders and provide a professional appearance to visitors.

Fairgrounds Parking Lot Maintenance – \$26,500 One-Time

The budget includes \$26,500 for ongoing repairs to the Fairground facilities parking lots. Budget being requested is for general maintenance, which includes minor curb and gutter repairs, crack seal, and asphalt maintenance and restriping of lots.

Fairgrounds Floor Repairs and Maintenance – \$21,000 One-Time

\$21,000 additional budget is needed for repairs and upkeep of the various floor surfaces in the buildings. The dirt floors in arenas need material added annually to maintain the correct consistency for safety of animals and participants. The repairs and upkeep are needed to maintain clean facilities and limit the risk for unsafe areas for our citizens and staff.

District 8 Facility – \$620,000 One-Time

\$620,000 of new budget is being requested to improve public safety in District 8 (Decker's Area). The Public Works department is partnering with the Douglas County Sheriff's Office to construct an emergency services public safety complex, that will house a resident public works employee. This collaborative effort aims to enhance public safety in the area and make it a safer place for residents and visitors.

# Local Improvement District Capital Construction Fund

THIS FUND IS USED TO ACCOUNT FOR ROAD IMPROVEMENTS AND UTILITIES LOCATED WITHIN LOCAL IMPROVEMENT DISTRICTS (LIDS). FUNDING FOR THESE IMPROVEMENTS IS PROVIDED FROM SPECIAL ASSESSMENTS LEVIED AGAINST THE PROPERTIES LOCATED WITHIN THE LIDS, WITH SOME ASSISTANCE FROM GENERAL GOVERNMENTAL REVENUES OF THE COUNTY FOR ENGINEERING AND CONSTRUCTION MANAGEMENT COSTS.

**Local Improvement District (LID) Capital Construction Fund (Fund 350)**

A photograph of the Douglas County Events Center, a large building with a green metal roof and a brick base. A dark green semi-transparent rectangle is overlaid on the left side of the image, containing the title and description text. In the foreground, there is a paved walkway with steps leading to the entrance, flanked by gravel areas with small black bollards. To the right, a signpost holds a green sign with white text that reads 'DOUGLAS COUNTY EVENTS CENTER' and '500 Fairgrounds Drive'.

# Capital Improvement Projects (CIP)

## **HIGHLIGHTS OF OUR MAJOR CAPITAL IMPROVEMENT PROJECTS AND ASSET MANAGEMENT PROGRAMS**

### **PAVEMENT MANAGEMENT PROGRAM**

Currently, the County's pavement management program recommends funding contracted pavement maintenance and reconstruction at \$17 million in 2024 to maintain the existing pavement condition level. This program includes the annual asphalt overlay project, the annual sidewalk repair and curb ramp retrofit project, as well as reconstruction projects for roadways which need full replacement. The County uses two primary outcome-based performance metrics (average pavement condition, and percent of pavements in fair or better condition) to monitor and report on the success of this investment. Maintenance of transportation infrastructure in good condition reduces future maintenance costs and supports economic activity throughout the County.

### **STORMWATER PRIORITY PROJECTS**

As the County's infrastructure continues to age, preventative maintenance of its stormwater system becomes increasingly more important to protect the County's existing infrastructure. This funding is imperative for the County to meet its Municipal Separate Storm Sewer System (MS4) Permit requirements, as well as protect properties from flooding. Public Works Engineering and Public Works Operations identify priority projects, ranging from drainage pipe repairs and replacements, roadside ditch reconstruction and erosion stabilization projects. Other stormwater projects include rural pipe lining program; Highlands Ranch pipe lining program; Pinery drainage improvement program: partnering on stream stabilization projects with Mile High Flood Control District; annual maintenance of the County detention/water quality pond facilities; hiring annual GESC contractors to meet permit stabilization requirements: and includes the declassification and repairs to existing NRCS dams that were constructed in the early 1960's.

### **LINCOLN AVE (JORDAN TO PARKER ROAD)**

The County plans to continue to partner with the Town of Parker to widen and improve Lincoln Avenue between Keystone Boulevard and Parker Road (SH 83) during the construction phase. The Town is managing this multi-year transportation improvement project, which is anticipated to cost over \$26 million, and construction is scheduled to begin in 2024.

### **HILLTOP ROAD (LEGEND HIGH SCHOOL TO ALPINE DRIVE)**

This project will widen and reconstruct the segment of Hilltop Road between Legend High School and Singing Hills Road and will be constructed in multiple phases over several years. Funding in 2024 allows the County to complete final design, acquire additional Right-of-way (ROW), and relocate utilities that conflict with the proposed improvements. The first construction package is anticipated to begin in 2025 (pending funding and completion of ROW acquisitions and utility relocations) and will improve the segment from Legends High School and extend past the Village Road / Crest View Road Intersection; and will take 18 to 24 months to construct.

### **CRYSTAL VALLEY INTERCHANGE CONSTRUCTION**

The County is partnering with the Town of Castle Rock to construct a new interchange at I-25 and Crystal Valley Parkway. The Crystal Valley Interchange is estimated to cost \$94 million to construct; and the 2024 proposed budget will allow the County to contribute \$24 million while the Dawson Trails development is contributing \$50 million. Additionally, in August 2023, the Town was successful in being selected by DRCOG to receive \$8.5 million in federal funds through the 2023 TIP project selection process. Construction hopefully will begin in early 2024 and take about 36 months to complete.

### **RELOCATE I-25 WEST FRONTAGE ROAD (TOMAH TO TERRITORIAL)**

Additional funding is needed to advance construction on a portion of a new local road that is within unincorporated Douglas County, which is also referred to as Dawson Trails Boulevard. This new road will be located west of the BNSF Railway that runs along I-25 and the new road will extend from the Bear Dance / Tomah Road Intersection north to Territorial Road. Constructing Dawson Trails Blvd. needs to occur before the proposed I-25 / Crystal Valley Interchange can be completed and open to traffic, since the proposed interchange requires closing a segment of the I-25 West Frontage Road between Tomah Road and Yucca Hills Road. This project includes improvements at the existing Bear Dance Road / Tomah Road intersection. Additionally, this project will improve safety and mobility and will eliminate three at-grade railroad crossings. Construction is scheduled to begin early 2024 on the segment located in unincorporated Douglas County.

### Road and Bridge Fund

Project Title	Proposed Budget
Contracted Road Maintenance	\$ 17,000,000
Emergency Storm Drainage Projects	500,000
Stormwater Priority Projects	3,800,000
School and Pedestrian Safety Projects	100,000
Traffic Signal Replacement	2,000,000
Highlands Ranch Parkway	200,000
Total Road & Bridge Fund Project	<u>\$ 23,600,000</u>

### Road Sales and Use Tax Fund

Project Title	Proposed Budget
Relocate I-25 West Frontage Road (Tomah to Territorial)	\$ 4,000,000
Hilltop Road (Legends High School to Alpine Drive)	2,500,000
Dakan Road over West Plum Creek Bridge Replacement	200,000
Happy Canyon / I-25 Interchange - West Side Connection Improvements	1,000,000
Traffic Signal and Intelligent Transportation Upgrades	1,400,000
Traffic Engineering Studies	550,000
Traffic Hazard Elimination Projects	750,000
Crystal Valley Interchange Reconstruction	17,000,000
US Hwy 85 Improvements (Highlands Ranch Parkway to County Line Road)	1,500,000
Transportation Demand Management (TDM) Partnership Projects	100,000
Total Road Sales and Use Tax Fund Project	<u>\$ 29,000,000</u>

### Transportation Infrastructure Sales and Use Tax Fund

Project Title	Proposed Budget
Lincoln Avenue (Jordan to Parker Road)	\$9,000,000
Safer Main Streets Projects - C-470 Trail over University	1,500,000
I-25 / Lincoln Interchange	1,000,000
Colorado Department of Transportation (CDOT) Bustang / Mobility Hub - Lone Tree	1,000,000
Crystal Valley / I-25 Interchange	7,000,000
Total Transportation Infrastructure Sales and Use Tax Fund Project	<u>\$ 19,500,000</u>

### Justice Center Sales and Use Tax Fund

Project Title	Proposed Budget
Justice Center Fund Operating Transfer	\$ 390,700
Scissor Lift - Motorized	29,000
Security Equipment - Camera Upgrade / Replacements	132,000
Carpet Replacement	91,500
Conference Room Chair Replacements	8,500
Bookings Office / Cubicle Furniture Replacements	18,500
Dispatch Services - Furniture Replacements	14,500
Detention Lobby Expansion	615,000
District Attorney Office Remodel	1,364,537
Records Expansion	389,000
Liebert Building Automation System Upgrade	12,500
Jail Intercom System Replacement Parts	35,000
Interruptible Power Supply (UPS) Replacement - Dispatch	17,000
Elevator Modernization	575,000
Fire Panel Replacement at Highland Ranch Sheriff Substation	4,500
Roof Replacement - Phase VIII	208,000
Parking Lot / Garage Resurfacing	649,500
Parking Garage Wall Repairs	38,500
Total Justice Center Sales and Use Tax Fund	<u>\$ 4,593,237</u>

### Parks and Open Space Sales and Use Tax Fund

Project Title	Proposed Budget
State Historical Grant Cash Match awarded to Schweiger Ranch	\$ 14,144
Douglas County Rockshelter Interpretive Signage	10,000
Evans Homestead restore to original character	350,000
Miksch-Helmer Cabin continued restoration	62,500
Bayou Gulch Assessment	1,500
William Converse Ranch restore chicken coop	150,000
Lightning Protection Installation on 6 Sites	36,000
Exterior Paint and Siding Replacement	85,000
Spring Valley School Stabilization	500,000

### Parks and Open Space Sales and Use Tax Fund

Project Title	Proposed Budget
Columbine Open Space barn restoration	154,850
Contracted Services for Repository	75,000
Vehicle Replacements	210,000
Forest Management	350,000
Two (2) Full Time Rangers	214,000
Seasonal Rangers	136,000
E-Bikes	20,000
Transportation Rental	6,000
Accessibility Improvements	50,000
Sandstone Phase II	50,000
Astronomical Observatory - Sandstone Ranch	100,000
Professional Services	800,000
Park Maintenance and Repairs	172,000
Capital Equipment	145,000
Non-Capital Equipment	12,000
Trail Resurfacing at Bluffs	450,000
Synthetic Turf Rejuvenation	58,000
Ballfield Infield Renovation	150,000
Parking Lot Maintenance	200,000
Drinking Fountains	17,000
Fence Replacement	55,000
Picnic Tables Replacement	16,000
Playground Replacement Outreach	300,000
Tree Replacement	150,000
Macanta Regional Park	1,400,000
High Line Canal Conservancy	10,000
High Note Regional Park Design	300,000
Prospect Village Community Park - Desgin	2,500,000
	\$ 9,309,994

### Conservation Trust Fund

Project Title	Proposed Budget
Macanta Regional Park - Construction - Multi-year project	1,300,000
Total Conservation Trust Fund	\$ 1,300,000

## Capital Expenditures Fund

Project Title	Proposed Budget
Wilcox Building Security Component Replacement	\$ 26,500
Floor Covering Replacement / Maintain surface life - County-wide	40,000
Door Hardware Replacements - Locks, Cylinder Cores, Closers, etc.	15,000
Health Department Alarm System Replacement	5,500
Air Purification Cells w/I Ductwork Replacement - County-wide	7,700
Furniture and Equipment Replacement & Ergonomic Chairs	95,000
Public Works Operations Camera and Accessories Replacement	65,000
Park Meadows Center Elevator Door Replacement	20,000
Health and Human Services Security Component Upgrades	45,000
Fire Panel Improvements	22,000
Philip S. Miller Uninterruptible Power Supply (UPS) Battery Replacements	10,000
Philip S. Miller Parking Garage Fire Panel Replacement	11,000
Philip S. Miller Exterior Camera Replacements	35,000
Wilcox Building Roof Improvements - Silicone Coating Phase II	45,000
Sedalia Yard Roof Replacement	7,000
Parking Lot Maintenance - County-wide	164,000
Exterior Building Maintenance - Windows, Paint, Sidewalk, Roof, etc.	35,000
Elections Building Roof Improvements - Silicone Coating	84,000
Fuel Site Management Software - Replacement	95,000
Heavy Duty Mobile Lifts Replacement	120,000
Garage Door Panel Replacement	9,000
Fairgrounds Exterior Building Maintenance	21,000
Furniture and Equipment Replacement	8,000
Fairgrounds Parking Lot Maintenance	26,500
Fairgrounds Floor Repair and Maintenance	21,000
Construction Management Services	620,000
Total Capital Expenditures Fund	<u>\$ 1,653,200</u>

The background image shows a road construction site. A tall yellow crane stands in the center. Several cars are parked on the side of the road. A yellow diamond-shaped sign with a black border and the text "ROAD TO STOP" is visible. In the background, there are green hills and a clear sky. The foreground is filled with tall, dry grass.

**DOUGLAS COUNTY**  
**ADMINISTRATIVE POLICIES AND PROCEDURES**

<b>TITLE</b> <b>Commitment of Fund Balance</b>	<b>Approval Date</b> <b>07/11/06</b>
<b>POLICY CUSTODIAN</b> <b>Finance</b>	<b>Revision Date</b> <b>10/10/21</b>

**PURPOSE:** To formalize the County’s practice of maintaining adequate fund balance levels for mitigating current and future risks of revenue shortfalls or unanticipated expenditures and to protect the County’s creditworthiness and financial position from unforeseen emergencies.

**DEPARTMENT RESPONSIBLE:** Finance

**DEPARTMENT(S) AFFECTED:** All

**POLICY:**

It shall be county policy to maintain appropriate levels of non-spendable, restricted, committed, assigned, and unassigned fund balances to conform with legal requirements and to ensure a continued strong financial position.

The Annual Financial Report shall show all fund balance classifications as required by Generally Accepted Accounting Principles (GAAP).

Non-spendable, restricted, committed, assigned, and unassigned fund balance levels shall be considered when developing and amending the County budget.

**Scope:**

This policy will apply to all funds approved by the Board of County Commissioners, including new funds when established.

**Definitions:**

Fund Balance – Fund balance is the excess of assets/deferred outflows over liabilities/deferred inflows in a governmental fund. Fund balance is accumulated when revenues exceed expenditures and decreased when revenues are less than expenditures.

Non-spendable Fund Balance – The portion of fund balance that cannot be spent because it is either not in a spendable form or is legally or contractually required to be maintained intact.

Restricted Fund Balance – The portion of fund balance constrained for a specific purpose by external parties, constitutional provisions, or enabling legislation. Effectively, restrictions on fund balance may only be changed or lifted with the consent of resource providers.

Committed Fund Balance – The portion of fund balance that can only be used for specific purposes determined through a formal action taken by the Board of County Commissioners prior to the end of the current fiscal year. Commitments may be removed or changed only by referring to the formal action that imposed the constraint originally.

Assigned Fund Balance – The portion of fund balance set aside for planned or intended actions. The intended use may be expressed by the Board of County Commissioners or other individuals authorized to assign funds to be used for a specific purpose. In governmental funds other than the general fund, assigned fund balance represents the amount that is not non-spendable, restricted, or committed. This indicates that resources in these funds are, at a minimum, intended to be used for the purpose of that fund.

Unassigned Fund Balance – This is the residual portion of fund balance that does not meet any of the above criteria. The County will only report a positive unassigned fund balance in the General Fund.

Net Position – This is the difference between assets/deferred outflows and liabilities/deferred inflows in an internal service fund.

**Governmental Fund Balance Classifications:**

The appropriate fund balance classifications shall be included in each governmental fund as necessary or required by GAAP. In the annual financial report, all governmental funds report various fund classifications that comprise a hierarchy primarily based on the extent to which the County is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Policy cannot consider every situation that could occur; therefore, the County Manager shall have discretion to deviate should circumstances warrant. However, the following descriptions are a guideline of what can be expected to be appropriate in each fund balance classification.

### Non-spendable

- Accounts Receivable – Long-term receivables for intergovernmental loans.
- Inventory – The value of inventories that are not expected to be converted into cash.
- Prepaid Items – The value of the prepaid assets held as non-cash assets.

### Restricted

- TABOR Reserves – Amendment One to the state constitution (Article X, Section 20), passed by voters in 1992, requires that reserves equal to 3% of the fiscal year spending be established for declared emergencies.
- Grant Funding – Unspent grant funding received that must be used for specific programs as stipulated by the Grantor.
- Debt Service Reserves – Any amounts required to be held according to creditor requirements.
- Sales and Use Taxes – Unspent sales and use tax revenue in sales and use tax funds.

### Committed

- Contractual Obligations – Resources specifically committed for use in satisfying contractual requirements approved by the Board of County Commissioners. Could include amounts encumbered on outstanding purchase orders.
- Emergency Operating Funds – Funds set aside to meet operating expenses in the event of an emergency/disaster – as set forth in the County's emergency operations policies.

### Assigned

- Risk Reserves – The County uses an analytical model based upon probability management to determine the amount of risk reserves required to provide for an emergency. These emergency risk reserves are calculated for, and identified in; the General, Road and Bridge and Law Enforcement Authority funds.
- Subsequent Year Expenditures – Appropriation of existing fund balance to eliminate a projected budgetary deficit in the subsequent year's budget.
- Designated Projects – The estimated cost of planned or desired, but not required, specific projects as requested by the Board of County Commissioners or other authorized individuals.
- Residual Fund Balance – In governmental funds, other than the General Fund, assigned fund balance will include any amount that is not non-spendable, restricted, or committed. This indicates that these resources are, at a minimum, intended to be used for the purpose of that fund. Sales and use tax funds must maintain a minimum residual fund balance of \$100K. Funds that are primarily funded with property tax revenue must maintain a minimum residual fund balance of \$200K with the exclusion of the Developmental Disabilities fund which has no minimum residual fund balance requirements.

### Unassigned

- Residual Fund Balance – This is the residual fund balance classification for the General Fund and will contain any fund balance not already classified and must never fall below \$200,000.00. If for any reason any other governmental fund should have a negative fund balance the negative residual fund balance would be reported as unassigned.

### **Internal Service Net Position Requirements:**

Net position of the County's internal service funds ensure that the funds can continue to provide service without interruption or the need for additional support from the County's General Fund. The County maintains 3 internal service funds to provide self-insurance activities for worker's compensation/unemployment; property/liability; and medical, dental, vision benefits for current employees. Minimum reserves of \$250K have been set for the worker's compensation/ unemployment fund and the property/liability fund. Minimum reserves in the medical, dental, vision fund must be equal to 5% of the previous year's claims less amounts held as actuarial claims.

**DOUGLAS COUNTY**  
**ADMINISTRATIVE POLICIES AND PROCEDURES**

<b>TITLE</b> Emergency Reserve Policy	<b>Approval Date</b> 9/9/19
<b>POLICY CUSTODIAN</b> Finance	<b>Revision Date</b>

**PURPOSE:** This policy establishes the amounts the County will strive to maintain in governmental fund emergency reserves, how the reserves will be funded, and the conditions under which the reserves may be spent.

**DEPARTMENT RESPONSIBLE:** Finance

**DEPARTMENT(S) AFFECTED:** All

**POLICY:**

Reserves are one of Douglas County's most important hedges against risk. It helps ensure that the County can provide consistent, uninterrupted services in the event of economic disruption or an extreme event. For example, one of the County's most important revenue sources is the sales tax, which can be sensitive to economic downturns. Further, Douglas County could be affected by extreme events, like wildfires or floods. Holding sufficient reserves also helps Douglas County maintain a high level of creditworthiness and allows it to meet fiscal obligations as described in the adopted budget, despite normal cash flow fluctuations.

**I. Amounts Held in Reserve**

- The County will strive to hold 10% - 20% of annual budgeted operating expenditures in **total** emergency reserves (includes TABOR, emergency operating reserves, unassigned/residual assigned) for the governmental funds indicated below:

- General Fund
- Road and Bridge
- Law Enforcement Authority

These reserve amounts are expressed as a range, recognizing that fund balance levels can fluctuate from year to year in the normal course of operations for any local government.

If, based on the County's staff's analysis and forecasting, the target balance is not being met or is likely not going to be met at some point within a five-year time horizon, then a plan to meet the target balance will be developed. This plan will be presented to the County Board for consideration.

In addition to the amounts above, the County may choose to reserve additional amounts for purposes other than those described above. For example, the County may wish to set aside monies for a one-time investment in a special project or program. Any such reserve will be accounted for separately from the reserves described above. This separation is to prevent the funds the County needs to respond quickly and decisively to emergency situations from being tied up by other potential uses.

Periodically, the County will reassess the reserve targets described above in order to ensure they are appropriate given the risks that the County faces.

## **II. Funding Reserve Targets**

Funding of unrestricted fund balance targets will come generally from one-time revenues, and revenues in excess of expenditures.

In emergency situations, the County may also temporarily move reserves between funds if a fund is short of resources. Any such transaction between funds must be paid back as expeditiously as possible. An inter-fund payable that can be repaid within one year can be approved by the County Manager. Any long-term inter-fund payable must be approved by the County Board. Any inter-fund transactions must not adversely impact the County's long-term financial condition, and the specific source and terms of repayment must be identified. The sales tax funds are excluded from this arrangement and all transactions must be legally allowable per Colorado State Statute.

### III. Conditions for Use of Reserves

#### A. Use of Emergency Operating Reserves

It is the intent of the County to limit use of the emergency operating reserves to address unanticipated, non-recurring needs. Reserves shall not normally be applied to recurring annual operating expenditures. The reserves may, however, be used to allow time for the County to restructure its operations in a deliberate manner, such as might be required in the case of a severe economic downturn. However, such use will only take place in the context of a long-term plan to reach a sustainable budget structure.

#### B. Authority to Use Reserves

The County Board authorizes the use of reserves through the supplemental appropriations of the budget and the actual budget itself both of which are heard at a Public Hearing. In all cases, the County Board and management shall only use reserves for purposes consistent with the purposes described in this policy.

#### C. Replenishment of Reserves

In the event reserves are used in an amount that takes the reserves below the County's target amounts, County staff shall propose a plan to the County Board for the replenishment of the reserves. The County will strive to replenish the reserves within one year of use but will fully replenish it within five years of use.

An aerial photograph of a vast green landscape. In the foreground, there's a dense field of green trees and shrubs. A road runs horizontally across the middle of the image, with a bridge crossing a small stream or ditch. In the background, there's a flat expanse of green land under a bright blue sky filled with large, white, fluffy clouds. The text "Alignment to Douglas County Board Priorities" is overlaid in white on a dark green rectangular background in the upper left portion of the image.

## 3.3 Financial Planning & Budget

## **POLICY 3.3 FINANCIAL PLANNING AND BUDGET MONITORING REPORT**

To: Board of County Commissioners  
From: County Manager  
RE: Internal Monitoring Report – Management Limitations  
Policy: Policy 3.3 Financial Planning and Budget  
Date: January 9, 2024

---

I hereby present my monitoring report on your Management Limitations Policy 3.3 *Financial Planning and Budget*. I certify that the information contained in this report is true for the 2024 Proposed Budget.

Signed: \_\_\_\_\_ *Doug DeBord* \_\_\_\_\_, County Manager

Date: \_\_January 9, 2024\_\_

## POLICY 3.3 FINANCIAL PLANNING AND BUDGET MONITORING REPORT COMPLIANCE MATRIX

Management Limitation	Compliance	Partial- Compliance	Non- Compliance
<b>3.3 With respect to strategic planning for projects, services and activities with a fiscal impact, the County Manager may not jeopardize either programmatic or fiscal integrity of county government.</b>			
3.3.1 Deviates materially from the Board's Goal priorities, risks financial jeopardy, or is not derived from a plan projecting in two- and five-year increments.	X		
3.3.2 Deviate from statutory requirements.	X		
3.3.3 Deviate materially from BOCC-stated priorities in its allocation among competing budgetary needs.	X		
3.3.4 Contain inadequate information to enable credible projection of revenues and expenses; separation of capital and operational items; cash flow projections; audit trails; identification of reserves, designations and undesignated fund balances; and disclosure of planning assumptions.	X		
3.3.5 Plan the expenditure in any fiscal year of more funds than are conservatively projected to be received in that period, or which are otherwise available.	X		
3.3.6 Allow designated working capital (or revenue shortfall) fund balance to fall below 10% of operating expenditures (or adopted revenues for sales tax or capital expenditures funds).	X		
3.3.7 Fail to maintain a Budget Contingency Plan capable of responding to significant shortfalls within the County's budget.	X		
3.3.8 Fail to protect, within his or her ability to do so, the integrity of the current or future bond ratings of the County.	X		
3.3.9 Result in new positions or additions to the staffing without specific approval of the Board of County Commissioners.	X		
3.3.10 Present a risk that relates to situations or conditions described as unacceptable in the Fiscal Management and Controls Policy (Policy 3.4).	X		
3.3.11 Provides less for Board activities during the year than is set forth in the Governance Investment Policy (Policy 2.10).	X		
3.3.12 Fails to show reserves and designations subject to the requirements of the law and "Generally Accepted Accounting Principles."	X		
3.3.13 Fails to adequately plan for short and long-term capital or facility needs	X		

**3.3 With respect to strategic planning for projects, services and activities with a fiscal impact, the County Manager may not jeopardize either programmatic or fiscal integrity of county government.**

**Accordingly, the County Manager shall not allow budgets or financial planning that:**

**3.3.1 Deviates materially from the Board’s Goal priorities, risks financial jeopardy, or is not derived from a plan projecting in two- and five-year increments.**

**Report:** Compliance is reported based on my interpretation that all funds are in compliance with Administrative Policy III.2.7 (Commitment of Fund Balance Policy) and the fund summaries for the 2024 Proposed Budget are published with the five-year forecast.

**Monitoring Reports:**

- Compliance with Administrative Policy III.2.7 (Commitment of Fund Balance)
  - 2024 published Fund Summaries (five-year forecast)
  - Alignment of Board goals to budget spreadsheet
- 

**3.3.2 Deviate from statutory requirements.**

**Report:** Compliance is reported based on my interpretation as the 2024 Preliminary Budget was presented to the Board on October 15, 2023, and the 2023 Proposed Budget is adopted on January 9, 2024.

**Monitoring Reports:**

- Per statute, the Preliminary Budget is presented to the Board of County of Commissioners by October 15, 2022
  - Per statute the Budget must be adopted by the Board of County Commissioners by December 15, 2023, however, SB23B-001 changed the deadline from December 15, 2023, to January 10, 2024.
- 

**3.3.3 Deviate materially from BOCC-stated priorities in its allocation among competing budgetary needs.**

**Report:** The Board adopts and supports the budget. The 2024 budget is derived using the Board’s written goals which were approved on October 27, 2009, and revised 2013 and 2019, and most recently October 2022.

**Monitoring Reports:**

- Alignment of Board goals to budget spreadsheet

---

**3.3.4 Contain inadequate information to enable credible projection of revenues and expenses; separation of capital and operational items; identification of non-spendable, restricted, committed, assigned and unassigned fund balances; and disclosure of planning assumptions.**

**Report:** I report compliance as adequate information exists that:

- enables the credible projection of revenues and expenses as shown in the fund summaries;
- illustrates the segregation of capital and operational budget items as demonstrated in the fund summaries;
- specifically identifies fund balance type within the fund summaries; and
- discloses planning assumptions in both the budget memo and the transmittal letter.

**Monitoring Reports:**

- Revenue manual (information for projections of revenues)
  - Quarterly financial statements and proposed budget
  - Fund summaries (expenditure forecasting, separation of capital and operational items, identification of non-spendable, restricted, committed, assigned and unassigned fund balances)
  - Transmittal letter (disclosure of planning assumptions)
- 

**3.3.5 Plan the expenditure in any fiscal year of more funds than are conservatively projected to be received in that period, or which are otherwise available.**

**Report:** Compliance is reported. Assigned and Unassigned fund balances are in compliance with Administrative Policy III.2.7 (Commitment of Fund Balance Policy) demonstrating that I have not planned for expenditures greater than projected revenues and available assigned / unassigned fund balance.

**Monitoring Reports:**

- Fund Summaries – change in fund balance, restricted, committed, assigned and unassigned fund balance
- 

**3.3.6 Allow designated working capital (or revenue shortfall) fund balance to fall below 10% of operating expenditures (or adopted revenues for sales tax or capital expenditures funds).**

**Report:** Compliance is reported based on my interpretation that I am in compliance with Administrative Policy III.2.7 (Commitment of Fund Balance Policy).

**Monitoring Reports:**

- Compliance with Administrative Policy III.2.7 (Commitment of Fund Balance)
- Fund Summaries – Assignment for revenue shortfall and working capital

---

### **3.3.7 Fail to maintain a Budget Contingency Plan capable of responding to significant shortfalls within the County's budget.**

**Report:** Compliance is reported based on my interpretation that I am in compliance with Administrative Policy III.2.7 (Commitment of Fund Balance Policy). In addition, a Risk Reserve has been incorporated into the General Fund, Road and Bridge Fund and Law Enforcement Authority Fund based on a variety of different risk factors and the probability of these events happening; to include natural and man-made disasters and economic downturns. The County also has various of insurance policies to mitigate financial impacts on insurable events.

**Monitoring Reports:**

- Compliance with Administrative Policy III.2.7 (Commitment of Fund Balance)
  - Fund Summaries – Assignment for revenue shortfall and working capital
- 

### **3.3.8 Fail to protect, within his or her ability to do so, the integrity of the current or future bond ratings of the County.**

**Report:** Compliance is reported based on my interpretation that:

- Fiscal policies including the Administrative Policy III.2.7 (Commitment of Fund Balance Policy) are being adhered to;
- No debt has been incurred to fund operations; and
- The County has no general obligation debt and therefore is within the legal debt margins.

**Monitoring Reports:**

- Compliance with Administrative Policy III.2.7 (Commitment of Fund Balance)
  - Unbudgeted or unplanned use of Fund balance.
  - Issuance of debt to finance operating expenditures
  - Issuance of General Obligation debt or revenue bonds have been issued beyond the capacity to repay them
- 

### **3.3.9 Result in new positions or additions to the staffing without specific approval of the Board of County Commissioners.**

**Report:** I report compliance based on my interpretation.

**Monitoring Reports:**

- Budget adoption resolution (baseline report for year)
- Position tracking report – HR – show change in staffing levels (addition/deletions)

---

**3.3.10 Present a risk that relates to situations or conditions described as unacceptable in the Fiscal Management and Controls Policy (Policy 3.4).**

**Report:** Compliance is reported based on my interpretation and my compliance with Policy 3.4.

**Monitoring Reports:**

- Policy 3.4 Fiscal Management and Control Report
- 

**3.3.11 Provides less for Board activities during the year than is set forth in the Governance Investment Policy (Policy 2.10).**

**Report:** Compliance is reported based on my interpretation that budget exists for 2023 for the areas of the Board's spending authority including the Board's specific business unit, Board of Equalization, Legislative Services, and Audit Services.

**Monitoring Reports:**

- Compliance with Policy 2.10 which requires the budget established by the Board in October and November be appropriated (will include all Business Units in their spending authority, BOCC, BOE, Legislative Services, Audit Services, etc.)
- 

**3.3.12 Fails to show non-spendable, restricted, committed, assigned and unassigned fund balances subject to the requirements of the law and "Generally Accepted Accounting Principles."**

**Report:** Compliance is reported based on my interpretation that I am in compliance with Administrative Policy III.2.7 (Commitment of Fund Balance Policy), which was developed based on statutory requirements and best practices.

**Monitoring Reports:**

- Compliance with Administrative Policy III.2.7 (Commitment of Fund Balance) – developed based on statutory requirements and GASB best practices
- Fund Summaries – non-spendable, restricted, committed, assigned and unassigned

---

### 3.3.13 Fails to adequately plan for short and long-term capital or facility needs.

**Report:** I report compliance based on my interpretation.

**Monitoring Reports:**

- The departments prepare 5-year capital improvement plans each year for roads, open space, parks, and facilities. These are published in the preliminary and proposed budgets each year.
- Facilities Management reviews and updates the Five-Year Capital Improvement Schedule for Facilities annually during the budget process.
- Facilities Management contracts with third party consultants to update Long Term Master Facility plans for up to 20 years on an as needed basis. The update schedule is determined by current economic and staffing conditions in consultation with the Elected Officials, County Manager and Department Directors. The last overall update for county facilities covers from April 2001 to 2020 and the one for the Douglas County Sheriff's Office covers from May 2007 to 2025. A Master Plan Study for Clerk and Recorder, Assessor, Traffic Services and Tri-County Health Department was completed in 2016. Facilities Management has updated the Facilities Internal Planning Assessment in 2017.

The background of the slide is a photograph of a mountain valley. In the foreground, there are large, light-colored rocks and some sparse vegetation. The middle ground shows a wide, green valley floor. In the background, there are forested mountains under a bright blue sky with scattered white clouds. Pine tree branches are visible in the upper corners of the frame. A large, semi-transparent green rectangle is overlaid on the left and center of the image, containing the word "Glossary" in white text.

# Glossary

ACCRUAL BASIS - The method of accounting in which transactions are recognized when they occur, regardless of the timing of related cash flows. Under this method, revenue is recognized when it is earned, regardless of when cash is received. Likewise, expenditures are recognized when liabilities are incurred, not when cash is paid.

ACTUAL VALUE - The value of real and personal property as appraised by the County Assessor for the purpose of determining assessed value and assessing property taxes.

ADDENDUM - A written change, addition, alteration, correction or revision to a bid, proposal or contract document. An addendum is not to be confused with a change order.

ADOPTED BUDGET - Refers to the amounts originally approved by the Board of County Commissioners by December 15<sup>th</sup> for the next calendar year and the document, which consolidates all beginning-of-the-year operating and new capital project appropriations. See also Capital Budget and Operating Budget.

AGENCY, OUTSIDE - A governmental or community-based unit outside county government that is receiving county funding (e.g., mental health agencies, soil district, Tri-County health department, etc.)

AGENCY, SPENDING - An official or unit exercising budgetary control over its operations. Elected officials, department officials/directors and outside agencies are examples of spending agencies.

APPROPRIATION - The legal authorization made by the Board of County Commissioners to the departments, offices, and agencies of the County which approves their budgets and allows them to make expenditures and incur obligations for specific purposes within the amounts approved.

ARPA – American Rescue Plan Act of 2021, also called COVID-19 Stimulus Package, signed into law March 11, 2021, to speed up the country's recovery from the economic and health effects of the COVID-19 pandemic.

ASSESSED VALUATION, COUNTY - The total value of all real and personal property in the County, which is used as a basis for levying taxes. Tax-exempt property is excluded from the assessable base.

ASSESSED VALUE - The value of real and personal property which is subject to a taxing entity's tax rate (mill levy), calculated as the actual (market) value multiplied by the assessment rate.

ASSESSMENT RATE - The rate established by the State legislature which, when applied to the actual value of real and personal property, determines the assessed value of property. Residential assessment rates change every reappraisal (odd) year to keep the residential property taxes generated statewide to 45% of all property taxes.

ASSIGNED FUND BALANCE - The portion of fund balance set aside for planned or intended actions. The intended use may be expressed by the Board of County Commissioners or other individuals authorized to assign funds to be used for a specific purpose. In governmental funds other than the general fund, assigned fund balance represents the amount that is not restricted or committed. This indicates that resources in these funds are, at a minimum, intended to be used for the purpose of that fund.

AUTHORIZED SIGNATURE - Each Department Head/Elected Official shall designate individuals in their department/office who are authorized to sign documents. The Finance Department maintains an authorized signature log that is used to monitor signing authority. All documents received without the proper authorized signature(s) will be returned for correction.

AWARD - The acceptance of a bid or proposal; the presentation of a purchase order and a fully executed contract, as applicable.

BALANCED BUDGET - A budget in which revenues plus unreserved fund balance is equal to or greater than expenditures.

BALANCED SCORECARD - A strategic planning and management system that is used extensively in business and industry, government, and nonprofit organizations worldwide to align business activities to the vision and strategy of the organization, improve internal and external communications, and monitor organization performance against strategic goals.

BEST PRACTICE - A business process, activity or operation that is considered outstanding, innovative, or exceptionally creative by a recognized peer group. It may be considered as a leading-edge activity that has been successfully adopted or implemented and has brought efficiency and effectiveness to an organization. It may result in improved productivity, quality, reduced costs and increased customer service.

BEST PRICE - Pricing, in the form of a bid, proposal, or quote, which is not necessarily the lowest, but rather what best fits the needs and interests of the County. Best Price is based on price, quality of goods or services to be provided, ongoing maintenance, warranty, support, prior experience with the vendor, the ability to meet all of the County's specifications and requirements, and any other factors reasonably related to the overall cost to the County.

BID BOND - An insurance agreement in which a third-party surety agrees to be liable to pay a certain amount of money in the event that the respondents bid/proposal is accepted by the County and the respondent fails to accept the contract as awarded and approved as to form by the County Attorney.

BOND - An interest-bearing note issued to borrow monies on a long-term basis.

BUDGET - The financial plan for the operation of a program or organization. The plan may be single or multi-year.

BUSINESS - Any corporation, limited liability company, partnership, individual, sole proprietorship, joint-stock company, joint venture, or other private legal entity.

CHANGE ORDER - A written order, signed by the Department Director/Elected Official, or their designee, directing the vendor to make changes to the original purchase order and/or contract. A Change Order shall be prepared before the requested change(s) are made and are not to be performed by the vendor until the Change Order is properly approved and the Purchase Order amended to reflect the requested change.

CAPITAL BUDGET - The budget for capital improvement projects, vehicles, equipment, and major computer systems purchases. The capital budget includes infrastructure improvements, facilities, automated systems, fleet replacement, and parks development.

CAPITAL EXPENDITURE OR OUTLAY - The use of resources to acquire or construct a capital asset.

CAPITAL IMPROVEMENTS OR EQUIPMENT - Public facilities and infrastructure (buildings, bridges, roads) and major shared equipment resources (computer systems, telephone systems).

CAPITAL IMPROVEMENT PLAN (C.I.P.) - A schedule of capital project expenditures for facilities, infrastructure improvements, and parks and trails development.

CARES ACT – Coronavirus Aid, Relief, and Economic Security (CARES), Act of 2020 was signed into law March 27, 2020, in response to the economic fallout from COVID-19.

CASH-IN-LIEU - Monies donated by new developments as an alternative to allocating prescribed amounts of open space or providing certain improvements.

CERTIFICATE OF PARTICIPATION (COP) - A form of lease revenue bond that permits the investor to participate in a stream of lease payments, installment payments or loan payments relating to the acquisition or construction of land or facilities.

COLORADO REVISED STATUTES (C.R.S.) - A body of laws governing conduct within the State of Colorado.

COMMITTED FUND BALANCE - The portion of fund balance that can only be used for specific purposes according to limitations imposed by the Board of County Commissioners. The constraint may be removed or changed only by formal action of the Board of County Commissioners.

COMPETITIVE SEALED BID - A process used to acquire supplies and/or services that involves the review of written sealed bids presented by vendors. Such bids are awarded on the basis of criteria contained in the bid documents.

CONFLICT OF INTEREST - A clash between the public interest and the private interest of the individual concerned. The term identifies those situations where contractors may obtain a benefit from a public contract. Conflicts of interest may result in a breach of ethics.

CONSERVATION TRUST - State of Colorado lottery funds remitted to the County for parks and recreation use.

CONSTRUCTION - The process of building, altering, repairing, improving, or demolishing any County structure or building or any other County improvements of any kind to any County property.

CONTINGENCY - A budget line item specifically appropriated for unforeseen and unbudgeted expenditures.

CONTRACT - Any type of agreement, regardless of what it may be called, for the procurement or disposal of supplies, services, or construction.

CONTRACT AMENDMENT - Any written alteration of specifications, delivery point, rate of delivery, period of performance, price, quantity, or other provision of a contract accomplished by mutual action of the parties of the contract.

COOPERATIVE PROCUREMENT - The combining of requirements of two or more public procurement entities to leverage the benefits of volume purchases, delivery and supply chain advantages, best practices and the reduction of administrative time and expenses. Cooperative procurement solutions offer resource challenged agencies the opportunity to gain needed operating efficiencies as well as hard dollar savings. The demonstrated effectiveness of cooperative procurement to save taxpayer dollars makes it a viable alternative to conventional, independent procurement processes.

CREDCO - The acronym for Castle Rock Economic Development Council Organization.

DCECA - The acronym for Douglas County Emergency Communication Authority.

DESIGNEE - A duly authorized representative of a person holding a position of authority within the County.

DEVELOPMENT-RELATED FEES - Those fees and charges generated by building, development, and growth in the County. Included are building and street permits, development review fees, zoning fees, and platting and subdivision fees.

DEBT SERVICE - The annual payment of principal and interest on the County's indebtedness.

DCECC – Douglas County Early Childhood Council.

ELECTRONIC BENEFITS TRANSFER (EBT) - Electronic payments made directly from the State to recipients and providers under Welfare Reform programs.

EMERGENCY AND DISASTER AUTHORIZATIONS RESOLUTION (EDAR) - A resolution that authorizes the County Manager, in the absence of the Board of County Commissioners, to act with the full authority of the Board of County Commissioners during a State of Emergency.

ENCUMBRANCE - An amount of money committed and set aside, but not yet expended, for the purchase of a specific good or service.

EMERGENCY CONDITION/EMERGENCY PURCHASE - An emergency condition is a situation that creates a threat to public health, welfare, or safety such as a situation that may arise by reason of fire, flood, epidemic, riot, equipment failure, or other such reasons as may be proclaimed by a using department/office. The existence of such conditions creates an immediate and serious need for

supplies, equipment, materials, and services that cannot be met through normal procurement methods and the lack of which would threaten the function of County government, or the health, safety, or welfare of County residents.

EMERGENCY VEHICLE OPERATORS COURSE (EVOC) - Public safety driving facility for training law enforcement and first responders.

EXPENDITURE - An actual payment made by county check, wire, ACH, or purchasing card.

FEES - Any charge levied by government associated with providing a service or imposing a fine or penalty. Major types of fees include zoning/platting fees, user charges, building permits, and vehicle registrations.

FEMA - The acronym for Federal Emergency Management Agency.

FISCAL POLICY - The County Government's policies with respect to taxes, spending and debt management as these relate to government services, programs, and capital investment. Fiscal policy provides a consistent set of principles for planning and programming government budgets.

FISCAL YEAR - The 12-month period (January 1 - December 31) to which the annual budget applies and after which the County determines its financial position and operating results.

FIXED CHARGES - Expenditures which are constant from one period to another. For example, the monthly rental amount of an annual lease would be a fixed charge.

FOB (FREE ON BOARD) - A term used in conjunction with an identified physical location to determine the responsibility and basis for payment of freight charges, and the point at which title for the shipment passes from seller to buyer. FOB Destination: A shipment to be delivered to a destination designated by the buyer and the point at which the buyer accepts title. FOB Shipping Point (Origin): A shipment to be delivered to a destination designated by the buyer; the buyer accepts title at the shipping point.

FRINGE BENEFITS - Personnel cost (social security taxes, medical/dental insurance premiums, life/disability insurance premiums, workers' compensation, etc.) supplemental to employees' salary and wages which are paid wholly or in part by the County.

FULL-TIME EQUIVALENT (FTE) - The conversion of staff time into the decimal equivalent. One full-time position (1.0 FTE) is defined as working 2,080 work hours; a half-time position (.50 FTE) requires 1,040 work hours, and etc.

FUND BALANCE - The excess of assets over liabilities. Fund balance is accumulated when revenues exceed expenditures and decreased when revenues are less than expenditures.

GENERAL IMPROVEMENT DISTRICT (GID) - General Improvement District.

GEOGRAPHICAL INFORMATION SYSTEM (GIS) - A system designed to capture, store, manipulate, analyze, manage, and present spatial or geographic data. GIS applications are tools that allow users to create interactive queries, analyze spatial information, edit data in maps, and present the results of all these operations.

GOAL - A long-range desirable development attained by time-phased objectives designed to implement a strategy.

GOVERNMENTAL FUND - An accounting term for a fund with a spending focus.

HAZMAT - The acronym for a substance designated as a hazardous material by the Environmental Protection Agency.

HIDTA – Acronym for High Intensity Drug Trafficking Area.

INFRASTRUCTURE - Public domain fixed assets such as roads, bridges, curbs, gutters, streets, sidewalk drainage systems, lighting, and similar immovable assets.

INTERGOVERNMENTAL AGREEMENT (IGA) - A concord between two or more governmental units to jointly identify, plan, and/or implement a task for their mutual benefit.

INTERDEPARTMENTAL CHARGES - The charges to user departments for internal services provided by another County agency, such as information processing, or for insurance funded from a central pool.

INTERGOVERNMENTAL REVENUES - Revenue from other governments, primarily Federal and State grants, but also other local governments.

INTERNAL SERVICE FUND - A fund which accounts for goods or services provided to other departments or agencies on a cost-reimbursement basis. Such funds are generally referred to as "charge back" agencies and include self-insurance funds (Employee Benefits and Property & Liability Insurance).

INVITATION FOR BID (IFB) - A procurement method that uses formal business documents to solicit competitive sealed bid responses.

LAW ENFORCEMENT AUTHORITY (LEA) - A taxing authority created in 1975 for the purpose of providing additional law enforcement by the county sheriff to the residents in unincorporated areas of the County.

LEAP (LOW-INCOME ENERGY ASSISTANCE PROGRAM) - LEAP is a federally funded program administered by the Colorado Department of Human Services and is designed to assist with winter heating costs for low-income families.

LEGAL NOTICE - A public notice/announcement of a forthcoming solicitation or meeting generally placed in a newspaper of general circulation.

LIMITED BENEFIT TEMPORARY - A temporary benefits employee who is working a minimum of 30 hours a week that is eligible for medical insurance and paid County Holidays.

LIQUIDATED DAMAGES - A specific sum stated in the contract to be paid by the party who is in default, or who breached the contract, to the other party in settlement for damages.

LOCAL IMPROVEMENT DISTRICT (L.I.D.) - An administrative subdivision of the County that exists primarily to assess the cost of public improvements to those who benefit from the improvements.

MDT – The acronym for Mobile Data Terminal - a computerized device used in patrol vehicles to communicate with dispatch.

MANAGEMENT LIMITATIONS - Boundaries established by the Board of County Commissioners within which the County Manager and staff may freely operate. These limiting policies identify all conditions which are unacceptable.

MILL LEVY - The tax rate expressed in thousands. The rate set by a taxing entity which, when applied to 1/1000th of the assessed value of property, generates property taxes. A 19.774 mill levy against a home with an actual value of \$350,000 would generate \$523 in property taxes. *See also Tax Rate.*

NON-SPENDABLE FUND BALANCE - The portion of fund balance that cannot be spent because it is either not in spendable form or legally or contractually required to be maintained intact.

OBJECTIVE - The planned attainment of a certain condition or specific accomplishment (quantifiable or measurable), which is an integral part or phase of a strategy that contributes to accomplishing a goal. An objective should be stated in terms of results, not processes or activities, and should reflect a reasonable estimate of what is practical.

OPERATING EXPENSE - Those costs, other than capital improvements and debt service, necessary to support the primary services of the organization.

OPERATING BUDGET - A comprehensive plan expressed in financial terms, by which an operating program is funded for a single fiscal year. It includes estimates of a) the services, activities and sub-activities comprising the County's operation; b) the resultant expenditure requirement; and c) the resources available for their support.

OPERATING FUND - A fund which supports normal County operations and has regular expenditures (payroll, supplies, etc.). Included are the General, Road & Bridge, Human Services, Open Space, and Law Enforcement Authority funds.

OVERLAPPING DEBT - A term used to describe the use of land to obtain debt for multiple governmental or quasi-governmental entities.

PASS-THROUGH (SPECIAL PURPOSE) FUND - A fund which accounts for revenues or expenditures that are not directly related to County operations. Examples are the Cash-in-Lieu Schools Fund which receives developer contributions and passes them on to the school district; and the Local Improvement District Bond Fund which accounts for bonded debt service fully paid by property-owner assessments and for which the County carries only a contingent liability.

PAYMENT BOND - A contract of guaranty executed subsequent to award by a successful bidder to protect the County from loss due to the contractor's inability to pay their suppliers and/or subcontractors who assisted in the performance of the work.

PERFORMANCE BOND - A contract of guaranty executed subsequent to award by a successful bidder to protect the County from loss due to the contractor's inability to complete the project (contract) as agreed.

PERSONAL SERVICES - The cost of salary, wages, and fringe benefits for full-time, part-time, and temporary employees of the County.

POLICY - The County's official position regarding a specific need, problem, or issue. It establishes guidelines and direction for the County's actions. A policy may be stated as a goal or an overall plan. A governing set of principles which establish the parameters for an organization to follow in carrying out its responsibilities.

POLICY GOVERNANCE – A model of governance designed to empower boards of directors to fulfill their obligation of accountability for the organizations they govern. The model enables the board to focus on the larger issues, to delegate with clarity, to control management's job without meddling, to rigorously evaluate the accomplishment of the organization; to truly lead its organization.

PREFERRED VENDOR - Is a vendor that the County prefers to work with for a variety of different reasons including they may have a long-standing historical knowledge of the project and/or work that is being done, or the deciding department may feel that they are the most qualified to perform the work. The selection of a preferred vendor usually doesn't follow the formal bid/proposal process but does include a lengthy justification memo detailing all of the reasons why that vendor should be selected over another vendor that could provide the same type of services for a similar (and sometimes lower) price. The use of a preferred vendor must be well documented and approved by the County Manager.

PRELIMINARY BUDGET - The recommended county budget annually submitted by the County Manager to the Board of County Commissioners by October 15th.

PROCUREMENT - Buying, purchasing, renting, leasing, or otherwise acquiring any supplies, services, or construction. Procurement includes all functions that pertain to the obtaining of any supply, service, or construction, including description of requirements, selection and solicitation of sources, preparation and award of contracts and all phases of contract administration. Procurement and Purchasing are used interchangeably.

PROFESSIONAL SERVICES - Services which are essentially intellectual in character and which include analysis, evaluation, prediction, planning, or recommendation. Professional services involve extended analysis, the exercise of discretion and independent judgment in their performance, and an advanced, specialized type of knowledge, expertise, or training customarily acquired either by a prolonged course of study or equivalent experience in the field. Professional services include, but are not limited to, services performed by accountants, architects, auditors, analysts, consultants, engineers, lawyers, physicians, and planners.

PROGRAM - A specific set of activities directed at attaining specific objectives. The means through which a long-range strategy is achieved. Significant strategies may be accomplished through multiple programs.

PROPERTY TAX - An assessment on real or personal property creating a funding source for governmental operations, capital equipment, or public infrastructure.

PROPOSED BUDGET - Next fiscal years requested budget which is presented to the Board of County Commissioners for adoption prior to December 15th.

PROPRIETARY FUND - An accounting term for a fund with a cost-of-service focus, such as internal service funds.

PROPRIETARY INFORMATION - Subject to the Colorado Revised Statutes Open Records Act, information or data describing technical processes, mechanisms, or operational factors that a business wishes to keep confidential and restricted from public access.

PURCHASING - Buying, purchasing, renting, leasing, or otherwise acquiring any supplies, services, or construction. Purchasing includes all functions that pertain to the obtaining of any supply, service, or construction, including description of requirements, selection and solicitation of sources, preparation and award of contracts and all phases of contract administration. Purchasing and Procurement are used interchangeably.

PURCHASE ORDER - Legal authorization to purchase goods/services from a vendor.

PURCHASE REQUISITION - Request from a department/office for a purchase order.

PURCHASED SERVICES - The cost to obtain the efforts of individuals who are not on county payroll and who can provide a capability not available through the County's own resources. An example is the cost of printing services.

REQUEST FOR PROPOSAL (RFP) - A procurement method that uses formal business documents to solicit competitive sealed pricing for products or services, more conceptual in nature, whereby the vendor is the subject matter expert and is most knowledgeable in proposing a solution.

REQUEST FOR QUOTE (RFQ) - Informal purchasing process that solicits pricing information from several sources for items of minimal value.

RESOLUTION - A formal position or action taken and documented by the Board of County Commissioners.

RESTRICTED FUND BALANCE - The portion of fund balance constrained to being used for a specific purpose by external parties, constitutional provisions or enabling legislation. Effectively, restrictions on fund balance may only be changed or lifted with the consent of resource providers.

REVENUE - Income received by the County in support of the government's program of services to the community. It includes such items as property taxes, fees, user charges, grants, and fines.

SALES TAX - A fixed rate tax (1%) imposed on the sale of all tangible personal property not specifically exempted. The most notable exemptions are groceries and home heating fuel.

SB22-238 – Legislation for the Reduction in Real Property Taxation for 2023 and 2024 Property Tax Years

SB23-108 – Legislation for the Temporary Property Tax Credits and Temporary Mill Levy Rate Reductions

SB23B-001 – Legislation for the Reduction in 2023 Residential Property Taxes

SERVICES - The furnishing of labor, time, or effort by a contractor not involving the delivery of a specific end product other than reports that are merely incidental to the required performance.

SINGLE SOURCE PROCUREMENT - A contract for the purchase of goods and services entered into after soliciting and negotiating with only one source, usually because of the technology required or uniqueness of the service provided.

SOLE SOURCE PROCUREMENT - A situation created due to the inability to obtain competition. May result because only one vendor or supplier possesses the unique ability or capability to meet the particular requirements of the solicitation.

SOLE SOURCE VENDOR - Is a vendor that is selected (with the formal bid/proposal requirements waived) because they are the **ONLY** provider of a specialty product or specific service. The use of a sole source vendor must be well documented and approved by the County Manager.

SPECIAL IMPROVEMENT DISTRICT (SID) - A special district that has Title 32 power to assess a mill levy for property tax to support local services provided by the district along with infrastructure.

SPECIAL REVENUE FUND - A fund used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes.

SPECIFICATIONS - A description of the physical characteristics, functional characteristics or the nature of supplies or services to be purchased. Specifications are created to fulfill the requirements of a department/office, to assure maximum productivity.

SUPPLEMENTAL APPROPRIATION - An act by the Board of County Commissioners to transfer budgeted and appropriated moneys from one spending agency to another, whether the agencies are in the same or different funds. Also, if the County receives revenues that

were not anticipated or assured at the time of budget adoption, those revenues can be used in the current fiscal year only after being approved for use via supplemental appropriation.

SUPPLIES - The cost of goods acquired for consumption or resale. All property including, but not limited to equipment, materials, and insurance. The term does not include land, water or mineral rights, workers' compensation insurance or benefit insurance for County employees.

TANF (TEMPORARY AID TO NEEDY FAMILIES BLOCK GRANT) - Federally funded program to provide temporary assistance to needy families.

TAX INCREMENT FINANCING (TIF) – TIF is a mechanism for capturing the future tax benefits of real estate improvements, in order to pay for the present cost of those improvements. TIF is generally used to channel funding toward improvements in distressed or blighted areas where development would not otherwise occur.

TAX RATE - The tax rate set by a taxing entity which, when applied to the assessed value of property, generates property taxes. A 1.9774 percent levy against a home with an actual value of \$350,000 would generate \$523 in property taxes for Douglas County Government. *See also Mill Levy.*

TAXING ENTITY - A governmental unit empowered to levy its own property taxes. The County, municipalities, school district, and various forms of special districts are all taxing entities.

TELECOMMUNICATIONS - Telephones and the associated systems hardware and software for complete telephone operations.

TITLE IV-E WAIVER - The Colorado Department of Human Services uses funding from the Title IV-E capped allocation to meet three federal goals in permanency for children, positive outcomes for children and families and prevention of child abuse and neglect, with focus on the implementation of family engagement, permanency roundtables and kinship supports.

TRANSFERS - The movement of monies from one fund to another. The monies are considered a revenue source for the receiving fund and a revenue use for the originating fund.

UNASSIGNED FUND BALANCE - This is the residual portion of fund balance that does not meet any of the other fund balance

restrictions. The County will only report a positive unassigned fund balance in the General Fund.

UNREALIZED GAINS AND LOSSES – These are gains or losses on securities purchased but not sold. GASB 72 requires governments to be report investments at the current fair value to enable comparability of government financial statements. Also referenced as “mark-to-market” gains and losses, these are “paper” profits or losses since the actual gain or loss is not determined until the position is closed.

USE TAX - A tax (1.0 percent) for the privilege of using or consuming of Douglas County construction materials and motor vehicles purchased at retail. The construction use tax is collected by the Building Department at the time building permits are issued and is applied to 50.0 percent of the building permit value. The Clerk and Recorder collects the motor vehicle use tax.
