The Citizen Participation Plan outlines how Douglas County will conduct outreach and consultation regarding the Community Development Block Grant (CDBG) program, administered by the U.S. Department of Housing and Urban Development (HUD). The purpose of this Plan is to set forth how Douglas County will encourage citizen participation in the CDBG program and obtain housing and community development input from the community. The overall CDBG program goals are to provide decent housing, a suitable living environment, and expand economic opportunities, primarily for the benefit of low-to moderate-income residents of Douglas County.

The comment period is from September 24, 2020 through October 26, 2020. A public hearing will be held on October 27, 2020, at 2:30 p.m. by the Douglas County Board of County Commissioners in the Commissioners Hearing Room, Philip S. Miller Building, at the 100 Third St. in Castle Rock. The public will have an opportunity to provide feedback before the Commissioners consider the adoption of the Public Participation Plan.
