

Calling all parents or caregivers with child support experience!

Are you a parent or caregiver who has either paid or received child support? Would you like to help improve the system? If your answer is yes, we have an opening on the Governor-appointed Child Support Commission (<https://cdhs.colorado.gov/child-support-commission>) and would love for you to apply at <https://www.colorado.gov/governor/boards-commissions> by April 15, 2023.

We are working to diversify all boards and commissions across Colorado and including family voices is vital to making positive lasting change.

I'm also happy to speak to anyone that would like more information.
