

Improvements at University/Lincoln & Quebec

Signal and Intersection Reconstruction

Project Summary

Douglas County is improving road quality and safety at University/Lincoln and Quebec in Highlands Ranch. A project to rebuild and reconfigure the full intersection is underway. Work includes a new traffic signal system, raised pedestrian safety islands, additional eastbound and westbound lanes on Lincoln Avenue and University Boulevard, and a new right-turn-only lane from southbound Quebec Street to westbound University Avenue.

Construction on this \$13 million project is underway and is expected to be complete in fall 2024. A winter break in construction will occur between November 2023 and March 2024.

Contractor	Project Cost	Project Timeline

Upcoming Construction

Phase 2 - Scheduled to begin Aug. 21, 2023.

Work Ahead:

- Reconstruction of the northbound right turn lane and raised pedestrian safety island on Quebec Street.
- Reconstruction of the westbound right turn lane on Lincoln Avenue.

Travel Impacts:

- **Northbound Quebec:** Right turn lane will be closed. Through lanes will be shifted. One left turn lane will be open. One through lane will allow for right turns.
- **Southbound Quebec:** Two through lanes and two left turn lanes will be open. Right turn lane will be closed. One through lane will allow for the right turn
- **Westbound Lincoln:** The right-turn-only lane on westbound Lincoln Avenue will be closed. One through lane will allow a right turn.
- **Eastbound University:** No lane closures.

What can you do?

- Give yourself an extra 3-5 minutes of travel time.
- Watch for crews.
- Pay close attention to traffic control devices.

Please Note:

- Working hours are 7 a.m. to 7 p.m., Monday through Friday.
- Occasional Saturday work is possible but must be approved by Douglas County Public Works. There will be no work during the holidays.

To alleviate traffic on local roads:

- Northbound Quebec: No right turn on Dutch Creek Street.
