

ROADWORK COMING!

Crowfoot Valley Road is being widened from Knobcone Drive to Macanta Boulevard to improve safety and connectivity in the region.

HEADS UP, DRIVERS!

Construction is beginning to widen Crowfoot Valley Road from Knobcone Drive to Macanta Boulevard. This effort will improve safety and connectivity in the region.

Here's what's coming:

- A traffic signal at Sapphire Pointe Boulevard
- Two through lanes in each direction
- Dedicated left- and right-turn lanes at intersections where warranted
- Wider, taller medians to encourage slower speeds
- Sidewalk installation
- On-street bike lanes

Work will continue through summer 2026. The Town will make every effort to minimize disruption, but please expect some delays. Plan ahead and drive with caution. Watch roadside signs for updates.
