

## **REQUEST FOR DD-214**

Colorado permits members of the military who have separated from service to file their DD-214 at no cost with the Clerk and Recorder, however Colorado Law (CRS 24-72-204(3)(a)(XVIII) restricts such files from release.

Copies of DD-214's are available to the Veteran or next-of-kin of deceased veterans only. Next-of-kin are the parents, siblings, widow or widower, and children.
