

Fingerprinting Instructions

Following Senate Bill 17-189, the Colorado Bureau of Investigation is implementing a new, Statewide digital fingerprinting process known as CABS (Colorado Applicant Background Services). As one of the vendors selected by CBI to implement the CABS program, our company has been approved to replace the current paper-and-ink fingerprinting process (performed by local law enforcement) with a state-of-the-art digital fingerprinting program that transmits fingerprints directly to CBI through a secure, online connection.
