

Douglas County  
**Invasive Weeds**  
Management Program

# Invasive Weeds Fall Workshop

Wednesday, Sept. 13, 2023, 6-8 p.m.

Join the experts from the Douglas County Invasive Weeds Management Program to learn how to prevent, eradicate and contain invasive weeds on your property. This free event is open to the public and will include topics such as:

How to identify invasive weeds.

Prevention and eradication methods for properties of all sizes.

County resources available to support residents with invasive weeds.

Open Q&A with invasive weed experts to answer all your questions about how to create a balanced, healthy ecosystem on your property.

## EVENT LOCATION:

The Miller Building Hearing Room.  
100 Third Street, Castle Rock, CO 80104.  
Dinner and refreshments will be provided.
