(A) If the Alarm Administrator assesses a fee or denies the issuance, renewal or reinstatement of an Alarm Registration, the Alarm Administrator shall send by United States Postal Service Registered Mail a written notice of the action and a statement of the right to an appeal to the affected applicant or Alarm User and the Alarm Installation Company and/or Monitoring Company.

(B) The Alarm User, Alarm Installation Company and/or Monitoring Company may appeal an assessment of a fee or the suspension of an Alarm Registration to the Alarm Administrator by setting forth in writing the reasons for the appeal within fifteen (15) business days after receipt of the fee or notice of suspension.

(C) The Alarm User or the Alarm Installation Company and/or Monitoring Company may appeal the decision of the Alarm Administrator to the Sheriff or designee as follows:

- (1) The applicant, Alarm User, Alarm Installation Company and/or Monitoring Company may file a written request for a review by paying an appeal fee of \$25 and setting forth the reasons for the appeal. The appeal must be made within fifteen (15) business days after the date of notification of the decision from the Alarm Administrator. Appeal fees will be returned to the appealing Alarm User, Alarm Installation Company or Monitoring Company if the appeal is upheld.
- (2) The Sheriff or designee shall review the finding of the Alarm Administrator within thirty (30) days of the receipt of the request and consider the evidence by any interested person(s). The Sheriff or designee shall make his decision on the basis of the preponderance of evidence presented. The Sheriff or designee must render a decision within fifteen (15) days. The Sheriff or designee shall affirm or reverse the decision of the Alarm Administrator and issue his decision in writing to the appealing party via United States Postal Service Registered Mail.

(D) Filing of a request for appeal shall stay the action by the Alarm Administrator revoking an Alarm Registration or requiring payment of a fee, until the Sheriff or designee has completed his review. If a request for appeal is not made within the fifteen (15) business day period, the action of the Alarm Administrator is final.

(E) Alarm Administrator or Sheriff or designee may adjust the count of False Alarms for good cause including, but not limited to:

- (1) Evidence that a False Alarm was caused by action of a communication services provider (i.e. telephone, cellular, cable company);
- (2) Evidence that a False Alarm was caused by power outage lasting longer than four (4) hours or severe weather such as a tornado or earthquake;

- (3) Evidence that the Alarm Dispatch Request was not a False Alarm;
- (4) Evidence that the deputy response was not completed;
- (5) Evidence that the Alarm User remitted payment to the Alarm Installation Company and/or Monitoring Company intended to pay for the registration and the Alarm Installation Company and/or Monitoring Company failed to pass on the registration to the Alarm Administrator.

(F) With respect to fees of an Alarm Installation Company and/or Monitoring Company the Alarm Administrator or Sheriff or designee may take into consideration whether the Alarm Company had engaged in a consistent pattern of violations.

All fines imposed and collected pursuant to Section 12 of this Ordinance shall be paid to the Douglas County Treasurer.

SECTION 14. GOVERNMENT IMMUNITY

Alarm Registration is not intended to, nor will it, create a contract, duty or obligation, either expressed or implied, of response. Any and all liability and consequential damage resulting from the failure to respond to a notification is hereby disclaimed and governmental immunity as provided by law is retained. By applying for an Alarm Registration, the Alarm User and Alarm Installation Company and/or Monitoring Company acknowledges that Douglas County Sheriff's Office response may be influenced by factors such as: the availability of deputy
