Dear PDA subscriber,

The cost to renew Public Document Access (PDA) subscriptions is \$50.

To renew a PDA subscription, please fill out the bottom portion of this letter and return it with the \$50 payment to:

Douglas County Clerk & Recorder
P.O. Box 1360
Castle Rock, CO 80104
Attn: Recording PDA Subscription

Renewals must be received in our office no later than January 31, 2021. Access will be disabled February 1, 2021.

By renewing this subscription service, you agree to continue to abide by the stipulations of the original signed contract. Should you need a copy of that original contract, please contact our office.

By creating an account anyone can now purchase copies online using a credit card. If you already have a copy account, we can link your copy account to your email address. Please contact our office for more information. Copy accounts are still available to those who wish to purchase document copies without the watermark. Copy accounts require a \$100 deposit, a letter on company letterhead requesting a copy account, and the letter must name anyone authorized to charge on the account. Monthly invoices are emailed showing account balances, and additional deposits into the account may be made at any time. Credit card payments incur additional charges from the service provider. Non-certified copies can be mailed, emailed, or faxed. Certified copies can be mailed or emailed and require a \$1 certification fee. Any copies being mailed will incur shipping and handling charges as follows: 1-6 pgs. \$1; 7-61pgs \$4; over 62 pages \$7.

As always, if you have questions or need assistance, please don't hesitate to contact me. We appreciate your patronage.
