

Improvements at University/Lincoln & Quebec

Transportation

Signal and Intersection Reconstruction

Upcoming Construction

Phase 4 - Work resumes March 11, 2024.

Work Ahead:

- Reconstruction of three eastbound lanes on University Boulevard.
- Reconstruction of two eastbound lanes on Lincoln Avenue.
- Reconstruction of one northbound through lane on Quebec Street.
- Typically one through lane and one left lane turn will be maintained during working hours. When the dedicated right turn lane is closed, use the through lane to make a right turn.

What can you do?

We ask you to please plan ahead if you travel this intersection. **Before you hit the road, check your mapping applications (Google, Waze, Apple Maps) for current travel times.**

Please Note:

- Working hours are 7 a.m. to 7 p.m., Monday through Friday. Expect the heaviest construction delays between 8:30 a.m. and 3:30 p.m.
- Occasional weekend work is possible but must be approved by Douglas County Public Works.
- There will be no work during the holidays.
- Stay in the know on construction impacts and sign up for project text alerts by texting 'QLUnews' to 21000.

Contractor	Project Cost	Project Timeline
Villalobos Concrete, Inc.	\$13 Million	Aug. 14, 2023 to Fall 2024

Project Summary

Douglas County is improving road quality and safety at University/Lincoln and Quebec in Highlands Ranch. A project to rebuild and reconfigure the full intersection is underway. Work includes a new traffic signal system, raised pedestrian safety islands, additional eastbound and westbound lanes on Lincoln Avenue and University Boulevard, and a new right-turn-only lane from southbound Quebec Street to westbound University Boulevard.

Construction on this \$13 million project is underway and is expected to be complete in fall 2024.
