

DESC PRECONSTRUCTION MEETING RELEASE FORM

The Preconstruction Meeting for the following address was conducted with the DESC Manager named on this form.

PROPERTY ADDRESS:	
SUBDIVISION NAME:	
FILE NUMBER:	
DESC PERMIT NUMBER:	

Due to the above mentioned Preconstruction Meeting, Douglas County will allow the following addresses and/or lots to be released from the Preconstruction Meeting requirements outlined in Section 8 of the GESC Manual, as amended.

SUBDIVISION NAME AND FILING:	
PROPERTY ADDRESSES AND/OR LOT NUMBERS:	

IMPORTANT! The DESC Manager shall ensure that the following have been completed on each lot prior to the start of any land disturbing activities:

- Install the Initial Sediment Controls per the approved DESC Plan.
- Obtain the DESC Permit.

Failure to install the Initial Sediment Controls per the approved DESC Plan, and or failure to obtain the DESC Permit prior to start of land disturbing activities will result in the issuance of a STOP WORK ORDER for the entire filing, phase, or block of lots.

CERTIFICATION: I have reviewed the Douglas County GESC Criteria, the DESC Plan(s) and understand the requirements to install the Initial Sediment Controls and obtain the DESC Permit prior to any land disturbing activities on any of the lots referenced in this form.
