

County Line Road

Widening and Reconstruction (University to Broadway)

Project Summary

Douglas County, in partnership with the City of Littleton, City of Centennial and the Denver Regional Council of Governments, is preparing to widen and reconstruct County Line Road from University Boulevard to Broadway in your area. This notice is to inform you of upcoming construction activity.

The project will include:

- One additional travel lane in each direction.
- A new traffic signal at the Clarkson Street and County Line intersection.
- Mill and overlay for the portion of road within the City of Littleton between Phillips Avenue and Broadway.
- The addition of new sidewalks which will increase safety and mobility in the area.

Contractor	Project Cost	Project Timeline
JHL Constructors	\$30M	August 2025 to September 2027

Work to Date

Initial project set-up will occur the week of Aug. 25, 2025.

Upcoming Construction
