Agenda Item

DATE: SEPTEMBER 6, 2022
TO: DOUGLAS COUNTY BOARD OF COUNTY COMMISSIONERS
THROUGH: DOUGLAS J. DEBORD, COUNTY MANAGER
FROM: DAN AVERY, SPECIAL PROJECTS MANAGER
CASEY BROWN, ASSISTANT COUNTY ATTORNEY
SUBJECT: UPDATE: MESSAGE BUSINESS LICENSURE (HB22-1300, LOCAL ENFORCEMENT TO PREVENT HUMAN TRAFFICKING)

In previous work sessions, staff was directed to proceed with development of a massage facility licensure process. Staff in the Department of Community Development, County Attorney's Office, and Sheriff's Office have collaborated to develop a regulatory framework. Staff is substantially prepared to initiate first reading of a draft ordinance. This meeting is intended to create mutual understanding of the topics discussed below ahead of the ordinance adoption process.

BACKGROUND

House Bill 22-1300 was signed into law on June 8th and will become effective in mid-August. The bill empowers counties to adopt "a local resolution or ordinance to establish business licensure requirements to regulate massage facilities or to regulate and prohibit unlawful activities for the sole purpose of deterring illicit massage businesses and preventing human trafficking."

OUTREACH TO MASSAGE FACILITIES

Staff requests direction from the Board on whether any outreach to potentially impacted massage providers is envisioned ahead of, or in conjunction with, the ordinance adoption process. This could include solicitation of feedback on the ordinance from providers, or simply provide notice of its intended purpose and tentative hearing dates.

ORDINANCE PROVISIONS

As previously discussed with the Board, the draft ordinance establishes the County's licensing and review authority, initial application requirements, background check requirements, inspection provisions, and objective criteria that can result in the denial of an application. The draft ordinance also establishes prohibited acts and required acts of a massage business. Prohibited acts include but are not limited to: allowing massage without a license, advertising sex acts, permitting sex acts within or near facility, refusing

an inspection, and failure to report sexual misconduct to DCSO. Required acts include allowing inspection, maintaining records and employee rosters, and ensuring licensure and identification of all staff.

ADMINISTRATIVE PROCEDURE

Staff anticipates that procedural considerations would be adopted by a resolution of Board or newly formed licensing authority. As proposed, administrative procedures would be similar to the County's liquor licensing process:

- New licenses would be approved by the licensing authority at a hearing. Massage Facility Licensure Authority hearings could be scheduled to occur on consecutively with Liquor License Authority hearings.
- Renewals would be processed administratively if no substantive changes are noted in the renewal application.
- License transfers would require background checks of the new owner(s) but would be processed administratively if no issues were identified during the background check process.
- Massage businesses in existence prior to ordinance and resolution adoption could be initially licensed administratively through the transfer process if no issues were identified during the background check process.

FEES

Staff proposes a tiered fee structure similar to that used for liquor licensing:

- \$150 for new licenses
- \$100 for transfers
- \$50 for annual renewals

EXEMPTIONS TO LICENSURE

As previously noted, staff has identified approximately 25 massage businesses present in unincorporated Douglas County, primarily in Highlands Ranch. Of those, many qualify for exemptions, including sole proprietors, and massage associated with beauty salons, medical facilities, and athletic clubs. Based on discussions with City of Aurora representatives, staff recommends inclusion of chiropractic offices and physical therapy offices as exclusions to avoid ambiguity around what constitutes a medical office.

Staff also notes that the ordinance empowers the licensing authority to verify exempt status of any facility if warranted. For example, facilities claiming that all massage therapists are contracted sole proprietors may be required to document the arrangement. All sole proprietors are required to conduct business using their full legal name and license number.

BACKGROUND CHECKS

Staff continues to collaborate with the Sheriff's Office to determine how background checks will be conducted. A 2017 state law provided consumers with choice in fingerprinting services. Employment-related background checks are now largely done by private vendors in coordination with the Colorado Bureau of Investigation. As a result, the Sheriff's Office has largely ceased providing this service with the exception of concealed carry checks, sex offender registration, and court-ordered investigations.

HB22-1300 did not include this consumer flexibility, and instead required that the Sheriff's Office conduct the background check. Staff will formalize a procedure acceptable to the Sheriff's Office prior to bringing forward this ordinance.

INSPECTION AND INVESTIGATION

Routine inspection of massage facilities is not anticipated. Inspection and investigation actions would be on an as-needed or complaint-driven basis and would be conducted by uniformed or undercover law enforcement as appropriate to the circumstance.

NEXT STEPS

Staff is pleased to accept feedback and direction from the Board on points raised in this memo. Staff will:

- Incorporate any additional Board direction into the final ordinance and prepare for first reading.
- Prepare final administrative procedures for inclusion in a Board resolution.
- Formalize procedure for background checks with Sheriff's Office staff.
