

COVID-19 SWAB *or* ANTIBODY TESTING

Swabbing and antibody testing are available to individuals with or without health insurance and there will be **no charge** to individuals for testing. Swab testing is available for individuals with COVID-19 symptoms, direct exposure and healthcare workers/ first responders. Antibody testing is available to individuals who have been symptom free for 14 days.

PLEASE PREREGISTER FOR TESTING

Preregistration is not required but will expedite your visit on the day of testing.

**Text COVID to
(720) 902-6398**

or

Scan the QR code

A confirmation code will be emailed to you, please keep this code and bring it with you on the day of testing.

ON THE DAY OF TESTING

Please bring your photo ID, insurance card and confirmation number, if applicable. When you arrive please stay in your car and wear a mask.

AFTER TESTING

Test results should be available in 2-5 days for both swab tests and antibody tests.

You can access your results at UC Health - My Health Connection at <https://www.uchealth.org/access-my-health-connection/>. Log in or create a new account and click on test results. You will also receive a call or email once your results are ready.
