		13.5.2 Facility Requirement	13-14
		13.5.3 Minimum Sizing Requirements	13-14
	13.6	<u>Landscaping Guidelines</u>	13-14
	13.7	<u>Designing for Maintenance</u>	13-16
		13.7.1 Access for Sediment Removal	13-16
		13.7.2 Other Improvements to Facilitate Maintenance	13-16
		Figures 13-2 through 13-8	13-18 -13-24
14		STORMWATER QUALITY	14-1
	14.0	<u>Introduction</u>	14-1
		14.0.1 How to Use this Chapter	14-1
		14.0.2 Integrated Approach to Stormwater Quality	14-2
	14.1	<u>Stormwater Quality Design Process</u>	14-3
		14.1.1 Four Step Process	14-3
	14.2	<u>Sub-regional, Regional, and On-site Approaches</u>	14-5
		14.2.1 General	14-5
		14.2.2 Requirements for Regional and Sub-Regional Water Quality Facilities on Jurisdictional Streams	14-5
	14.3	<u>Selecting Type of Water Quality Capture Volume</u>	14-6

TABLE OF CONTENT

<u>CHAPTER</u>	<u>SECTION</u>	<u>TITLE</u>	<u>PAGE</u>
		<u>Facility</u>	
14.4		<u>Exemptions from Post-Construction Best Management Practice Requirements</u>	14-7
	14.4.1	Exempt Projects	14-7
	14.4.2	Exemptions from Water Quality Capture Volume Requirements	14-7
14.5		<u>Design Criteria for Commonly Implemented Best Management Practices</u>	14-7
	14.5.1	Example Drawings	14-8
	14.5.2	Design Checklists	14-8
	14.5.3	Design Criteria for Grass Buffers and Swales	14-8
	14.5.4	Design Criteria for Extended Detention Basins	14-11
	14.5.5	Design Criteria for Sand Filter Basins	14-13
	14.5.6	Design Criteria for Porous Landscape Detention	14-15
	14.5.7	Geotextile Fabric Design Considerations	14-17
	14.5.8	Geomembrane Liner Design Considerations	14-17
	14.5.9	Retaining Wall Use in Sand Filter Basins and Porous Landscape Detention	14-18
	14.5.10	Sand Filter Basin and Porous Landscape Detention Landscaping Requirements	14-18
14.6		<u>Design Criteria for Other Best Management Practices</u>	14-19
	14.6.1	Design Criteria for Constructed Wetlands Basins	14-19
	14.6.2	Design Criteria for Retention Ponds	14-20
	14.6.3	Design Criteria for Porous Pavement	14-21
	14.6.4	Design Criteria for Porous Pavement Detention	14-22
14.7		<u>Operation and Maintenance Manual</u>	14-23
14.8		<u>Source Control BMPs</u>	14-23
	14.8.1	General	14-23
	14.8.2	Direct Connections	14-24
	14.8.3	Indirect Connections	14-24
	14.8.4	Structural Source Controls	14-25
	14.8.5	Non-structural Controls	14-25
	14.8.6	County Requirements for Illicit Discharge	14-25
	14.8.7	Operation and Maintenance	14-25
