Hi Michael,

Thanks again for all of your help during these difficult times. We as restaurateurs felt absolutely helpless when state authorities and Governor Polis put maximum restrictions on restaurants in Douglas County and with little to no evidence for doing so.

However, with the Douglas County 5 Star program and the effective communication from you and everyone at the City of Castle Pines, we were able to open our doors to indoor dining again and recover some revenue. That revenue was imperative and allowed us to keep our key employees working and for my business to pay the critical bills and taxes that allowed us to continue to operate in the short term.

Thanks again for all of your hard work and for supporting local business!

Sincerely,
